The above-captioned debtors and debtors-in-possession (collectively, the "Debtors") in the above-captioned chapter 11 cases (the "Chapter 11 Cases") file this application (the "Application") for entry of an order, substantially in the form attached hereto as **Exhibit A** (the "Order"), pursuant to section 327(a) of title 11 of the United States Code (the "Bankruptcy Code"), Rule 2014(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rule 2014-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "Local Rules"), authorizing the Debtors to employ and retain Pachulski Stang Ziehl & Jones LLP ("PSZ&J" or the "Firm") as counsel for the Debtors, effective as of the Petition Date (as defined below). In support of the Application, the Debtors rely on: (i) the *Statement Under Rule 2016 of the Federal Rules of Bankruptcy Procedure*, attached hereto as **Exhibit B** (the "Rule 2016 Statement"); (ii) the *Declaration of Laura Davis Jones in Support of Debtors' Application for Authorization to*

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are Fluid Market Inc. (1365) and Fluid Fleet Services, LLC (5994). The Debtors' service address is 3827 Lafayette St., Suite #149, Denver, CO 80205.

Employ and Retain Pachulski Stang Ziehl & Jones LLP as Counsel for the Debtors Effective as of the Petition Date, attached hereto as **Exhibit C** (the "Jones Declaration"); and (iii) the *Declaration of T. Scott Avila in Support of Debtors' Application for Authorization to Employ and Retain Pachulski Stang Ziehl & Jones LLP as Counsel for the Debtors Effective as of the Petition Date*, attached hereto as **Exhibit D** (the "Avila Declaration"), all of which are submitted concurrently with this Application. In support of this Application, the Debtors respectfully state as follows:

Jurisdiction and Venue

1. The United States District Court for the District of Delaware has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, which was referred to the United States Bankruptcy Court for the District of Delaware (the "Court") under 28 U.S.C. § 157 pursuant to the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Debtors confirm their consent pursuant to Local Rule 9013-1(f) to the entry of a final order by the Court in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory bases for the relief sought herein are section 327(a) of the Bankruptcy Code, Bankruptcy Rule 2014(a), and Local Rule 2014-1. Compensation will be in accordance with sections 330 and 331 of the Bankruptcy Code.

Background

4. The Debtors operate and manage a technology-based, peer-to-peer truck-sharing platform across the United States with a fleet of nearly 5,500 vehicles owned by their non-

Debtor affiliates or third-party owners who have elected to put their vehicles on the Debtors' platform, https://www.fluidtruck.com/. Customers have quick and easy access to the right vehicle whenever they need it via the Debtors' mobile app and website. Faced with severely constrained liquidity, and after multiple failed efforts to raise additional capital or debt financing, the Debtors, in an exercise of their business judgment, commenced these chapter 11 cases with the intention of pursuing a prompt sale of their assets to preserve their business as a going concern and maximize value for all their stakeholders.

5. On October 16, 2024 (the "Petition Date"), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code, commencing the Chapter 11 Cases. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Chapter 11 Cases are being jointly administered for procedural purposes only pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1. No request for the appointment of a trustee or examiner has been made in the Chapter 11 Cases, and no committees have been appointed or designated.

6. A detailed description of the Debtors' business and the facts precipitating the filing of the Chapter 11 Cases are set forth in the *Declaration of T. Scott Avila in Support of the Debtors' Chapter 11 Petitions and First Day Relief* [Docket No. 13] (the "First Day Declaration"), which is incorporated herein by reference.[2]

Relief Requested

7. By this Application, the Debtors seek to employ and retain PSZ&J as their restructuring counsel with regard to the filing and prosecution of these Chapter 11 Cases and all related proceedings. Accordingly, the Debtors respectfully request that the Court enter the Order

[2] Capitalized terms used but not defined herein shall have the meanings ascribed to them in the First Day Declaration.

pursuant to section 327(a) of the Bankruptcy Code, Bankruptcy Rule 2014, and Local Rule 2014-1 authorizing them to employ and retain PSZ&J as their bankruptcy counsel to perform the legal services that will be necessary during these Chapter 11 Cases pursuant to the terms set forth in the Application and the Jones Declaration, effective as of the Petition Date.

PSZ&J's Qualifications

8. The Debtors seek to employ and retain PSZ&J as counsel because of the Firm's extensive experience and knowledge in the field of debtors' and creditors' rights and business reorganizations under chapter 11 of the Bankruptcy Code. In preparing for their representation of the Debtors in these Chapter 11 Cases, PSZ&J has become familiar with the Debtors' affairs and many of the potential legal issues that may arise in the context of these Chapter 11 Cases.

9. The professional services that PSZ&J will provide include, but shall not be limited to:[3]

a. assist, advise, and represent the Debtors in their consultations with estate constituents regarding the administration of the Chapter 11 Cases;

b. assist, advise, and represent the Debtors in any manner relevant to the Debtors' financing needs, asset dispositions, leases, and other contractual obligations;

c. assist, advise, and represent the Debtors in any issues associated with the assets, liabilities, and financial condition of the Debtors;

d. assist, advise, and represent the Debtors in the negotiation, formulation, and drafting of any plan of reorganization and disclosure statement;

e. assist, advise, and represent the Debtors in the performance of their duties and the exercise of their powers under the Bankruptcy Code, the Bankruptcy Rules, and any applicable local rules and guidelines; and

[3] Further information regarding PSZ&J's compliance with the *Appendix B Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under United States Code by Attorneys in Larger Chapter 11 Cases* (the "2013 UST Guidelines") is set forth in the Jones Declaration.

f. provide such other necessary advice and services as the Debtors may require in connection with the Chapter 11 Cases.

10. Subject to Court approval in accordance with section 330(a) of the Bankruptcy Code, compensation will be payable to PSZ&J on an hourly basis, plus reimbursement of actual, necessary expenses and other charges incurred by PSZ&J. The current standard hourly rates of attorneys and paralegals from PSZ&J are as follows:

a.	Partners	$995.00 to $2,175.00
b.	Of Counsel	$975.00 to $1,675.00
c.	Associates	$650.00 to $975.00
d.	Paraprofessionals	$545.00 to $595.00

11. The hourly rates set forth above are PSZ&J's standard hourly rates for work of this nature. These rates are set at a level designed to compensate PSZ&J fairly for the work of its attorneys and paralegals and to cover fixed and routine overhead expenses, and the rates are subject to periodic adjustments necessitated by market and other conditions. Beyond the rates listed above, it is PSZ&J's policy to charge for all other expenses incurred in connection with its clients' cases. These expenses include, among other things, conference call charges, mail and express mail charges, special or hand delivery charges, document retrieval charges, photocopying charges, charges for mailing supplies (including, without limitation, envelopes and labels) provided by PSZ&J to outside copying services for use in mass mailings, travel expenses, expenses for "working meals," computerized research, and transcription costs, as well as non-ordinary overhead expenses such as secretarial and other overtime. PSZ&J will charge the Debtors for these expenses in a manner and at rates consistent with those charged to other PSZ&J clients and the rules and requirements of this Court. PSZ&J believes that it is fairer to charge these expenses

to the clients incurring them than to increase its hourly rates and spread the expenses among all clients.

12. To the best of the Debtors' knowledge, except as otherwise disclosed in the Jones Declaration submitted concurrently herewith, PSZ&J has not represented the Debtors, their creditors, equity security holders, or any other parties in interest, or their respective attorneys, in any matter relating to the Debtors or their estates. Further, to the best of the Debtors' knowledge, PSZ&J does not hold or represent any interest adverse to the Debtors' estates, PSZ&J is a "disinterested person" as that phrase is defined in section 101(14) of the Bankruptcy Code, and PSZ&J's employment is necessary and in the best interests of the Debtors and their estates.

13. PSZ&J has received payments from the Debtors during the year prior to the Petition Date in the amount of $500,000 in connection with its prepetition representation of the Debtors. PSZ&J is current as of the Petition Date but has not yet completed a final reconciliation of its prepetition fees and expenses. Upon final reconciliation of the amount actually expended prepetition, any balance remaining from the prepetition payments to PSZ&J will be credited to the Debtors and used as PSZ&J's retainer to apply to postpetition fees and expenses pursuant to the compensation procedures approved by the Court in accordance with the Bankruptcy Code.

14. The Debtors understand that PSZ&J hereafter intends to apply to the Court for allowances of compensation and reimbursement of expenses in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and orders of the Court for all services performed and expenses incurred after the Petition Date.

15. The Debtors, subject to the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and further orders of the Court, propose to pay PSZ&J its customary hourly rates for services rendered that are in effect from time to time, as set forth above

and in the Jones Declaration, and to reimburse PSZ&J according to its customary reimbursement policies, and the Debtors submit that such rates are reasonable.

Notice

16. The Debtors will provide notice of this Motion to: (a) the U.S. Trustee; (b) the Debtors' 30 largest unsecured creditors (on a consolidated basis); (c) counsel to the Debtors' postpetition lenders; and (d) any party that requests service pursuant to Bankruptcy Rule 2002. The Debtors respectfully submit that no further notice is required.

No Prior Request

17. No prior request for the relief sought in this Application has been made to this Court or any other court.

WHEREFORE, the Debtors respectfully request that the Court enter the Order, substantially in the form attached hereto as **Exhibit A**, granting the relief requested herein, and granting such other and further relief as is just and proper.

DECLARATION OF LAURA DAVIS JONES
IN SUPPORT OF DEBTORS' APPLICATION FOR AUTHORIZATION
TO EMPLOY AND RETAIN PACHULSKI STANG ZIEHL & JONES LLP
AS COUNSEL FOR THE DEBTORS EFFECTIVE AS OF THE PETITION DATE

I, LAURA DAVIS JONES, ESQUIRE, declare under penalty of perjury as follows:

1. I am a partner in the law firm of Pachulski Stang Ziehl & Jones LLP ("PSZ&J" or the "Firm"), located at 919 North Market Street, 17th Floor, Wilmington, Delaware 19801, and I have been duly admitted to practice law in the State of Delaware, the United States District Court for the District of Delaware, the United States Court of Appeals for the Third Circuit, and the United States Supreme Court. This Declaration is submitted in support of the *Debtors' Application for Authorization to Employ and Retain Pachulski Stang Ziehl & Jones LLP as Counsel for the Debtors Effective as of the Petition Date* (the "Application"), which is being submitted concurrently herewith.[2]

2. Neither I, the Firm, nor any partner, of counsel, or associate thereof, insofar as I have been able to ascertain, has any connection with the Debtors, the Debtors' creditors, or any other parties in interest herein, or their respective attorneys, except as set forth below.

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are Fluid Market Inc. (1365) and Fluid Fleet Services, LLC (5994). The Debtors' service address is 3827 Lafayette St., Suite #149, Denver, CO 80205.

[2] Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Application.

3. The Debtors have and will retain various professionals during the pendency of these Chapter 11 Cases, including Epiq Corporate Restructuring, LLC as claims and noticing agent. The Debtors may retain other professionals after the date hereof. PSZ&J has previously worked with, and will continue to work with, these referenced professionals on various representations, at times representing the same parties and at other times representing parties with similar interests or parties with adverse interests.

4. PSZ&J represents many committees whose members may be creditors in these Chapter 11 Cases. However, PSZ&J is not representing any of those entities in these Chapter 11 Cases and will not represent any members of the committees it currently represents in any claims that they may have collectively or individually against the Debtors.

5. PSZ&J was engaged prior to the Petition Date to represent the Debtors. At the time of its engagement, PSZ&J began a full and thorough conflict review of potential parties in interest in these Chapter 11 Cases (the "Potential Parties in Interest"). A list of the Potential Parties in Interest is attached hereto as **Schedule 1**.

6. The Firm maintains an electronic client database of current and former clients to permit the electronic searching of all potential parties in interest in new cases for connections to the Firm's clients. The Firm searched this client database to determine whether it had any relationships with the Potential Parties in Interest listed on **Schedule 1**.

7. To the best of my knowledge, and except as otherwise set forth herein, PSZ&J:

a. is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code;

b. does not hold or represent any interest adverse to the Debtors' estates; and

c. does not have any connection with any of the Debtors, their affiliates, their creditors, or any other party in interest, or their respective attorneys, the U.S. Trustee, or any person employed in the office of the same, or any judge in the United States Bankruptcy Court for the District of Delaware or any person employed in the office of the same.

8. PSZ&J also solicited information regarding possible connections to the Debtors by firm-wide email and has determined that, except as otherwise set forth herein:

a. Neither PSZ&J nor any attorney at PSZ&J holds or represents an interest adverse to the Debtors' estates.

b. Neither PSZ&J nor any attorney at PSZ&J is or was a creditor or an insider of the Debtors, except that PSZ&J previously has rendered legal services to the Debtors for which it has been compensated as disclosed in the Application.

c. Neither PSZ&J nor any attorney at PSZ&J is or was, within two (2) years before the Petition Date, a director, officer, or employee of the Debtors.

d. PSZ&J does not have an interest materially adverse to the interest of the estates or of any class of creditors or equity security holders, by reason of holding debt or equity securities of the Debtors, or any other direct or indirect relationship to, connection with, or interest in the Debtors specified in the foregoing paragraphs, or for any other reason.

9. PSZ&J has instituted and will continue to engage in further inquiries regarding the Debtors' constituencies and parties in interest through further inquiries of its partners, counsel, and associates with respect to the matters contained herein. PSZ&J will promptly file a supplemental declaration should the results of these inquiries reveal material facts not disclosed herein.

10. Bankruptcy Rule 2014 requires that an application for employment under section 327 of the Bankruptcy Code disclose all connections with the Debtors, the Debtors' estates, the professionals, and the Office of the U.S. Trustee. PSZ&J and certain of its partners, of counsel, and associates may have in the past represented, and may currently represent and likely in the future will represent, creditors of the Debtors in connection with matters unrelated to the Debtors

and these Chapter 11 Cases. At this time, PSZ&J is not aware of any other adverse interest or other connection with the Debtors, their creditors, the Court, the U.S. Trustee, or any party in interest herein in the matters upon which PSZ&J is to be retained, except as otherwise disclosed herein. However, PSZ&J will be in a better position to identify with specificity any such persons or entities when lists of all creditors of the Debtors have been reviewed, and PSZ&J will make any further disclosures as may be appropriate at that time.

11. In view of the foregoing, I believe that PSZ&J is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code.

12. PSZ&J has received payments from the Debtors during the year prior to the Petition Date in the amount of $500,000 in connection with the preparation of initial documents and the prepetition representation of the Debtors. PSZ&J is current as of the Petition Date but has not yet completed a final reconciliation as of the Petition Date. Upon final reconciliation of the amount actually expended prepetition, any balance remaining from the payments to PSZ&J will be credited to the Debtors and used as PSZ&J's retainer to apply to postpetition fees and expenses pursuant to the compensation procedures approved by the Court.

13. PSZ&J intends to apply for compensation for professional services rendered in connection with these Chapter 11 Cases, subject to approval of the Court and in compliance with applicable provisions of the Bankruptcy Code, on an hourly basis, plus reimbursement of actual, necessary expenses and other charges incurred by PSZ&J. The current standard hourly rates of attorneys and paralegals from PSZ&J are as follows:

a.	Partners	$995.00 to $2,175.00
b.	Of Counsel	$975.00 to $1,675.00
c.	Associates	$650.00 to $975.00
d.	Paraprofessionals	$545.00 to $595.00

14. Other attorneys and paralegals may from time to time serve the Debtors in connection with the matters described herein.

15. The hourly rates set forth above are the Firm's standard hourly rates for work of this nature and are subject to periodic adjustment. These rates are set at a level designed to compensate the Firm fairly for the work of its attorneys and paralegals and to cover fixed and routine overhead expenses. It is the Firm's policy to charge its clients in all areas of practice for all other expenses incurred in connection with the clients' cases. The expenses charged to clients include, among other things, conference call charges, mail and express mail charges, special or hand delivery charges, document retrieval charges, photocopying charges, charges for mailing supplies (including, without limitation, envelopes and labels) provided by the Firm to outside copying services for use in mass mailings, travel expenses, expenses for "working meals," computerized research, transcription costs, as well as non-ordinary overhead expenses such as secretarial and other overtime. The Firm will charge the Debtors for these expenses in a manner and at rates consistent with charges made generally to the Firm's other clients and in compliance with the rules of this Court. The Firm believes that it is fairer to charge these expenses to the clients incurring them than to increase the hourly rates and spread the expenses among all clients.

16. Pursuant to the *Appendix B Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under United States Code by Attorneys in Larger Chapter 11 Cases* (the "2013 UST Guidelines"), the Firm makes certain disclosures herein.

17. The Firm provides the following responses to the questions set forth in Part D of the 2013 UST Guidelines:

Questions required by Part D1 of 2013 UST Guidelines	**Answer**	**Further Explanation**
Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?	No.	N/A
Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?	No.	N/A
If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and reasons for the difference.	PSZ&J represented the client during the 12-month period prepetition. The material financial terms for the prepetition engagement remained the same, as the engagement was hourly-based subject to economic adjustment. The billing rates and material financial terms for the postpetition period remain the same as the prepetition period subject to an annual economic adjustment. The standard hourly rates of PSZ&J are subject to periodic adjustment in accordance with the Firm's practice.	None.

Has your client approved your respective budget and staffing plan, and, if so, for what budget period?	The Debtors and PSZ&J expect to develop a prospective budget and staffing plan to comply with the U.S. Trustee's requests for information and additional disclosures, recognizing that in the course of these Chapter 11 Cases there may be unforeseeable fees and expenses that will need to be addressed by the Debtors and PSZ&J.	In accordance with the 2013 UST Guidelines, the budget may be amended as necessary to reflect changed circumstances or unanticipated developments.

18. No promises have been received by the Firm or by any partner, of counsel, or associate thereof as to compensation in connection with these Chapter 11 Cases other than in accordance with the provisions of the Bankruptcy Code. The Firm has no agreement with any other entity to share with such entity any compensation received by the Firm in connection with these Chapter 11 Cases, except among the partners, of counsel, and associates of the Firm.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Avila Declaration

IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE

In re:	)	Chapter 11
FLUID MARKET INC., *et al.*,[1]	)	Case No. 24-12363 (CTG)
Debtors.	)	(Jointly Administered)

DECLARATION OF T. SCOTT AVILA
IN SUPPORT OF DEBTORS' APPLICATION FOR AUTHORIZATION
TO EMPLOY AND RETAIN PACHULSKI STANG ZIEHL & JONES LLP
AS COUNSEL FOR THE DEBTORS EFFECTIVE AS OF THE PETITION DATE

I, T. Scott Avila, hereby declare under penalty of perjury:

1. I am the Interim Chief Executive Officer of the above-captioned debtors and debtors in possession (collectively, the "Debtors"). In my capacity, I am familiar with all aspects of the Debtors' decision to employ and retain Pachulski Stang Ziehl & Jones LLP ("PSZ&J" or the "Firm") as counsel with respect to these Chapter 11 Cases. I submit this Declaration in support of the *Debtors' Application for Authorization to Employ and Retain Pachulski Stang Ziehl & Jones LLP as Counsel for the Debtors Effective as of the Petition Date* (the "Application").[2] Except as otherwise noted, I have personal knowledge of the matters set forth herein.

The Debtors' Selection of PSZ&J as Counsel

2. PSZ&J is proposed to serve as counsel to the Debtors. The Debtors recognize that a comprehensive review process is necessary when selecting and managing

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are Fluid Market Inc. (1365) and Fluid Fleet Services, LLC (5994). The Debtors' service address is 3827 Lafayette St., Suite #149, Denver, CO 80205.

[2] Capitalized terms used but not defined herein shall have the meanings ascribed to them in the *Debtors' Application for Authorization to Employ and Retain Pachulski Stang Ziehl & Jones LLP as Counsel for the Debtors Effective as of the Petition Date* (the "Application").

bankruptcy counsel. To that end, the review process used by the Debtors here assessed potential counsel based on their expertise in the relevant legal issues and in similar proceedings. Using this review process, the Debtors retained PSZ&J to serve as bankruptcy counsel.

3. Ultimately, the Debtors retained PSZ&J because of its extensive experience in corporate reorganizations, both out-of-court and under chapter 11 of the Bankruptcy Code. Thus, I believe that PSZ&J is well-qualified to represent the Debtors in these Chapter 11 Cases in an efficient and timely manner.

Rate Structure

4. I am responsible for supervising expenditures to outside counsel retained by the Debtors in the ordinary course of business. PSZ&J has informed the Debtors that its rates are consistent between bankruptcy representations, including related transactional and litigation services. PSZ&J has informed the Debtors that its current hourly rates apply to non-bankruptcy services, if any, provided by the Firm, unless a contingent fee, mixed contingent fee, flat fee, or blended rate arrangement is agreed upon. PSZ&J has also informed the Debtors that the Firm does not maintain separate departments devoted to other legal practices different from the bankruptcy and insolvency areas, and thus the Firm does not have different billing rates and terms for non-bankruptcy engagements that can be compared to the billing rates and terms for the Debtors' engagement of PSZ&J. As discussed below, I am also responsible for reviewing the invoices regularly submitted by PSZ&J and can confirm that the rates PSZ&J charged the Debtors in the prepetition period are the same as the rates PSZ&J charged the Debtors in the postpetition period. PSZ&J has informed the Debtors that the Firm's standard hourly rates are subject to periodic adjustment in accordance with the Firm's practice.

Cost Supervision

5. The Debtors and PSZ&J expect to develop a prospective budget and staffing plan for the postpetition period, recognizing that in larger chapter 11 cases it is possible that there may be a number of unforeseen fees and expenses that will need to be addressed by the Debtors and PSZ&J. The Debtors further recognize their responsibility to monitor closely the billing practices of counsel to ensure that the fees and expenses paid by the Debtors' estates remain consistent with the Debtors' expectations and the exigencies of the chapter 11 cases. The Debtors will timely review the invoices that PSZ&J regularly submits.

6. The Debtors will continue to bring discipline, predictability, client involvement, and accountability to the counsel fees and expenses reimbursement process. While every chapter 11 case is unique, the budgets will provide guidance on the periods of time involved and the level of the attorneys and professionals that will work on various matters, as well as projections of average hourly rates for the attorneys and professionals for various matters.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Dated: October 28, 2024

Respectfully submitted,

/s/ T. Scott Avila
