ORDER ALLOWING FINAL COMPENSATION AND REIMBURSEMENT OF EXPENSES FOR FTI CONSULTING, INC. AS RESTRUCTURING ADVISOR TO THE DEBTORS FOR THE PERIOD FROM APRIL 21, 2025 THROUGH DECEMBER 19, 2025

The Court has considered the *Application for Final Allowance and Payment of Fees and Expenses as Restructuring Advisor to the Debtors for the Period from April 21, 2025 through December 19, 2025* (the "Application")[2] filed by FTI Consulting, Inc. (the "Applicant"). The Court finds that:

[2] Capitalized terms used but not defined herein have the meanings given in the Application.

B. The time that the Applicant spent on services provided to the debtors, as recorded in the Application, was reasonable and necessary based on the complexity, importance, and nature of the chapter 11 cases.

C. The billing rates that the Applicant charged are comparable to, and reasonable based on, rates charged by other professionals with similar experience and expertise in the Southern District of Texas.

D. The services provided by the Applicant were necessary to the administration of the chapter 11 cases.

IT IS HEREBY ORDERED THAT:

1. Applicant is allowed compensation and reimbursement of expenses in the amount of $22,016,818.37 for the Fee Period set forth in the Application, and that such allowance be without prejudice to FTI's right to seek additional compensation for services performed and expenses incurred during the Fee Period in the event such fees and expenses were not processed at the time of this Application and grant such other and further relief as is proper and just.

2. The compensation and reimbursement of expenses allowed in this Order are approved on a final basis.

3. The Debtors are authorized to disburse any unpaid amounts allowed by paragraphs 1 or 2 of this Order.
