having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and the Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and the Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing, if any, before the Court (the "Hearing"); and the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing, if any, establish just cause for the relief granted herein; and upon all of the proceedings had before the Court; and after due deliberation and sufficient cause appearing therefor;

IT IS HEREBY FOUND AND DETERMINED THAT:

A. The findings and conclusions set forth herein constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014.

B. The sale of the Inventory to the Buyer pursuant to section 363 of the Bankruptcy Code is in the best interests of the Debtors, their estates, and their creditors.

C. The Agreement was negotiated and entered into in good faith, and from arm's length bargaining positions. The Buyer is found to be a good faith purchaser of the Inventory and is found to be entitled to the protections of a good faith purchaser under section 363(m) of the Bankruptcy Code.

D. The sale process was non-collusive, fair and reasonable, conducted in good faith, and from arm's length bargaining positions. Neither the Debtors nor the Buyer engaged in any

conduct that would cause or permit the sale of the Inventory to be avoided under section 363(n) of the Bankruptcy Code.

E. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rule 6004(h), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court finds that there is no just reason for delay in the implementation of this Order and directs entry of judgment as set forth herein on the date hereof.

F. The Inventory constitutes property of the Debtors' estates, and title thereto is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code.

G. Due and adequate notice of the Motion, the proposed sale contemplated thereby, the hearing with respect thereto, and the subject matter thereof has been provided to all required parties in interest, and no other or further notice is necessary. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all required interested persons and entities.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED as set forth herein.
2. Pursuant to sections 105 and 363 of the Bankruptcy Code, the Debtors are authorized to sell to the Buyer the Inventory, pursuant to the terms and provisions of this Order and the Agreement, all of the terms of which are hereby approved.
3. In accordance with section 363 of the Bankruptcy Code, effective upon the occurrence of the Closing (as defined in the Agreement), the Inventory shall be transferred free and clear of any liens, claims, and encumbrances to the fullest extent permitted by applicable law. Any and all liens, claims, and encumbrances asserted in connection with the Inventory will be

transferred to and attach to the proceeds of the sale in the same order of priority and with the same validity, force, and effect that creditors had prior to the sale, subject to any claims and defenses the Debtors' estates may have with respect thereto.

4. Upon entry of this Order and the occurrence of the Closing, the Buyer is a good faith purchaser and shall be entitled to the protections of section 363(m) of the Bankruptcy Code. The sale is undertaken by the Buyer without collusion and in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and was negotiated by the parties at arm's length, and, accordingly, the reversal or modification on appeal of the authorization provided in this Order to consummate the sale shall not affect the validity of the sale. In the event of any stay, modification, reversal, or vacation of this Order, then notwithstanding any such stay, modification, reversal, or vacation, all obligations incurred by the Debtors under this Order and the Agreement prior to the effective date of such stay, modification, reversal, or vacation will be governed in all respects by the original provisions of this Order, and the Buyer and the Debtors shall be entitled to the rights, privileges, and benefits granted in this Order with respect to all such obligations.

5. The consideration provided by the Buyer is fair and reasonable, and the sale may not be avoided under section 363(n) of the Bankruptcy Code.

6. Notwithstanding the provisions of Bankruptcy Rule 6004(h), this Order shall not be stayed for 14 days after its entry and shall be effective immediately upon entry, and the Debtors and the Buyer are authorized to close the sale of the Inventory set forth in the Agreement immediately upon entry of this Order. Time is of the essence in closing the sale transaction referenced herein, and the Debtors and the Buyer intend to close the transaction as soon as practicable. This Order is a final order and the period in which an appeal must be filed shall commence upon the entry of this Order.

7. Upon entry of this Order, this Order and the findings hereunder shall be binding upon all parties to the Agreement.

8. This Court shall retain jurisdiction: (i) to construe and determine any disputes under this Order; (ii) to enforce and implement the terms and provisions of the Agreement, all amendments thereto, any waivers and consents thereunder, and each of the agreements executed in connection therewith; and (iii) to resolve any disputes arising under or related to the sale of the Inventory.

9. The Debtors and the Buyer are authorized to execute and deliver any and all documents, and to do all things reasonably necessary, to effectuate the purposes of this Order, to transfer the Debtors' interests in and to the Inventory in accordance with the terms of the Agreement, and to carry out the terms and conditions of the Agreement.

10. This Order shall be effective and enforceable after its entry as provided by Bankruptcy Rule 7062.

11. Any objections to the sale of the Inventory that have not been withdrawn, waived, adjourned, or settled, and all reservations of rights included in such objections, are overruled in all respects and denied.

12. To the extent there is any inconsistency between the terms of this Order and the terms of the Agreement (including all ancillary documents executed in connection therewith), the terms of this Order shall govern.

13. The failure specifically to include any particular provision of the Agreement or other related documents in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Court that the Agreement and all other related documents be authorized and approved in their entirety pursuant to this Order.

14. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto and in accordance with the terms thereof, without further order of this Court; *provided* that any such modification, amendment, or supplement is consistent with this Order and does not have any adverse effect on the Debtors' estates.

Bill of Sale and Agreement

EXECUTION VERSION

BILL OF SALE AND AGREEMENT

THIS BILL OF SALE AND AGREEMENT (the "**Agreement**") is made and entered into as of this 8th day of January, 2026, by and between Summit Warehousing, LLC, an Indiana limited liability company (the "**Buyer**"), on the one hand, and American Signature, Inc., an Ohio corporation, (the "**Seller**" and, together with Buyer, the "**Parties**"), Seller being a Debtor and Debtor in Possession under Case No. 25-12105-JKS (the "**Case**") in the United States Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**"), on the other hand.

RECITALS

A. Upon satisfaction of the last of the Closing Conditions (as defined below), Seller is selling to Buyer and Buyer is acquiring from Seller Seller's right, title and interest in and to the personal property consisting of the finished goods inventory which is specifically listed or described on **Exhibit "A"** attached hereto and incorporated herein by this reference (collectively, the "**Property**"). For the avoidance of all doubt, the Property shall not include any assets, interests, or property of Seller other than that specifically included above.

B. Buyer and Seller wish to provide for the transfer of such right, title and interest in and to the Property and for other terms and conditions applicable to such transfer.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Buyer and Seller hereby agree as follows

1. **Transfer of Assets.** Subject to and upon the terms, conditions, disclaimers and acknowledgments hereinafter set forth (including, without limitation, those set forth in Section 4 and the conditions set forth in Section 5, below (collectively, the "**Closing Conditions**"), Seller hereby sells, assigns, transfers, conveys and delivers to Buyer the Property.

2. **Purchase Price.** The cash purchase price for the Property shall be Two Hundred Thousand Dollars (\$200,000) (the "**Purchase Price**"). Concurrently with the satisfaction of the last of the Closing Conditions, Buyer shall pay the Purchase Price to Seller in accordance with such written wiring instructions as Seller shall hereafter provide to Buyer (the "**Seller Wiring Instructions**").

3. **[PROVISION INTENTIONALLY OMITTED]**

4. **"AS IS" Transaction.** Buyer hereby acknowledges and agrees that Seller neither makes nor has made any representations or warranties whatsoever, express or implied, with respect to any matter relating to the Property (including, without limitation, income to be derived or expenses to be incurred in connection with the Property, the physical condition of the Property, the value of the Property (or any portion thereof), the title of the Property (or any portion thereof), what liens or encumbrances may exist and whether the same are valid or enforceable against the Property, any matter relating to any licenses, purchase orders or contracts

comprising part of the Property, the merchantability or fitness of the Property or any other portion of the Property for any particular purpose, or any other matter or thing relating to the Property or any portion thereof). Without in any way limiting the foregoing, Seller hereby disclaims any warranty (express or implied) of merchantability or fitness for any particular purpose as to any portion of the Property. Buyer has conducted an independent inspection and investigation of the title and physical condition of all portions of the Property and all such other matters relating to or affecting the Property as Buyer deemed necessary or appropriate and Buyer is acquiring the Property based solely upon such independent inspections and investigations. Accordingly, Buyer shall accept the Property at the Closing (as defined in Section 5(a), below) "AS IS," "WHERE IS," and "WITH ALL FAULTS."

5. Closing Conditions. Buyer's and Seller's obligations to close the transaction contemplated herein shall, as applicable, be subject to the following Closing Conditions:

(a) Buyer's and Seller's obligations to consummate the transaction contemplated herein (the "Transaction" and the consummation thereof, the "Closing") shall be conditioned upon the Bankruptcy Court's entry in the Case of an order (in form and content reasonably satisfactory to both Buyer and Seller) authorizing Seller's entry into this Agreement and consummation of the Transaction (the "Sale Order") and the Sale Order being unstayed and in full force and effect.

(b) Buyer's obligations to consummate the Transaction shall also be conditioned upon the occurrence of the following:

(i) The Closing shall have occurred by no later than January 28, 2026 (the "Outside Date"); provided, however, Buyer shall not be entitled to rely upon the condition set forth in this clause (i) should the Closing fail to occur by the Outside Date by reason of Buyer's breach or default hereunder.

(c) Seller's obligations to consummate the Transaction shall also be conditioned upon the occurrence of the following:

(i) Buyer shall have paid to Seller the Purchase Price Buyer to Seller pursuant to Section 2 above; and

(ii) The Closing shall have occurred by no later than the Outside Date; provided, however, Seller shall not be entitled to rely upon the condition set forth in this clause (ii) should the Closing fail to occur by the Outside Date by reason of Seller's breach or default hereunder.

Upon the timely satisfaction of each of the Closing Conditions, the Closing shall be deemed to have occurred. A Closing Condition may be waived or extended only in a writing providing for the same from the party for whose benefit such Closing Condition was included in this Agreement.

6. Miscellaneous.

6.1 Risk of Loss. Notwithstanding anything to the contrary herein, the risk of loss or damage to the Property shall shift to the Buyer immediately upon the satisfaction of the last of the Closing Conditions and the occurrence of the Closing, irrespective of where the Property is located as of the applicable date.

6.2 Attorneys' Fees. In the event that either party hereto brings an action or other proceeding to enforce or interpret the terms and provisions of this Agreement, the prevailing party in that action or proceeding shall be entitled to have and recover from the non-prevailing party all such fees, costs and expenses (including, without limitation, all court costs and reasonable attorneys' fees) as the prevailing party may suffer or incur in the pursuit or defense of such action or proceeding.

6.3 Notices. Unless otherwise provided herein, any notice, tender, or delivery to be given hereunder by either party to the other may be effected by (i) electronic mail in a writing directed to the email address for such party set forth below (in which case it will be deemed delivered upon transmission) or (ii) personal delivery in writing, or by registered or certified mail, postage prepaid, return receipt requested, and shall be deemed communicated as of the date of mailing. Mailed and electronic mail notices shall be addressed/directed as set forth below, but each party may change his address by written notice in accordance with this paragraph.

6.4 Entire Agreement. This Agreement contains the entire agreement between Buyer and Seller relating to the sale of the Property. Any oral representations or modifications concerning this Agreement or any such other document shall be of no force and effect excepting a subsequent modification in writing, signed by the party to be charged.

6.5 Modification. This Agreement may be modified, amended or supplemented only by a written instrument duly executed by all the parties hereto.

6.6 Severability. Should any term, provision or paragraph of this Agreement be determined to be illegal or void or of no force and effect, the balance of the Agreement shall survive.

6.7 Captions. All captions and headings contained in this Agreement are for convenience of reference only and shall not be construed to limit or extend the terms or conditions of this Agreement.

6.8 Waiver. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of other provisions, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.

6.9 Brokerage Obligations. Seller and Buyer each represent and warrant to the other that such party has incurred no liability to any broker or agent with respect to the payment of any commission regarding the consummation of the transaction contemplated hereby. It is agreed that if any claims for commissions, fees or other compensation, including, without limitation, brokerage fees, finder's fees, or commissions are ever asserted against Buyer or Seller in connection with this transaction, all such claims shall be handled and paid by the party whose actions form the basis of such claim and such party shall indemnify, defend (with counsel reasonably satisfactory to the party entitled to indemnification), protect and save and hold the other harmless from and against any and all such claims or demands asserted by any person, firm or corporation in connection with the transaction contemplated hereby.

6.10 Survival. The respective covenants and agreements of Seller and Buyer herein shall not be deemed waived or otherwise affected by the Closing.

6.11 Binding Effect. This Agreement shall bind and inure to the benefit of the respective heirs, personal representatives, successors, and assigns of the parties hereto.

6.12 Applicable Law. This Agreement shall be governed by and construed in accordance with the internal laws of Delaware, without regard to its choice of law principles.

6.13 Construction. In the interpretation and construction of this Agreement, the parties acknowledge that the terms hereof reflect extensive negotiations between the parties and that this Agreement shall not be deemed, for the purpose of construction and interpretation, drafted by either party hereto.

6.14 Counterparts. This Agreement may be signed in counterparts. The parties further agree that this Agreement may be executed by the exchange of signature pages by electronic mail provided that by doing so the parties agree to undertake to provide original signatures as soon thereafter as reasonable in the circumstances.

6.15 Time is of the Essence. Time is of the essence in this Agreement, and all of the terms, covenants and conditions hereof.

6.16 Bankruptcy Court Jurisdiction. BUYER AND SELLER AGREE THAT THE BANKRUPTCY COURT SHALL HAVE EXCLUSIVE JURISDICTION OVER ALL DISPUTES AND OTHER MATTERS RELATING TO (i) THE INTERPRETATION AND ENFORCEMENT OF THIS AGREEMENT; AND/OR (ii) THE PROPERTY, AND BUYER EXPRESSLY CONSENTS TO AND AGREES NOT TO CONTEST SUCH EXCLUSIVE JURISDICTION.

6.17 Waiver of Claims. Effective upon the Closing, Buyer hereby waives and fully releases and discharges any and all rights, claims, causes of action, demands, setoffs and interests of whatever type or kind (whether arising in contract or otherwise, whether at law or in equity, and whether liquidated or contingent) against Seller that Buyer may now have or hold. For the avoidance of doubt, the waiver and release set forth in this Section 6.17 shall include any and all purchase orders and other contracts between Seller and Buyer, all of which shall terminate and cease to be of any further force or effect upon the Closing.

6.18 Further Assurances. From time to time after the Closing, and without further consideration, Buyer and Seller shall each execute and deliver such other documents and instruments of transfer, conveyance, assignment, and delivery, and take such other actions as the other may reasonably request in order (i) more effectively to transfer, convey, and assign the Property to the Buyer, and (ii) otherwise to fully consummate the transaction contemplated herein; provided that nothing in this Section 6.18 shall be deemed to impose on either Buyer or Seller any obligation to incur any material cost or expense or to initiate or join in any litigation or other action or proceeding, nor shall Seller be required to keep the Case open merely to enable it to continue performing its obligations under this provision.

6.19 Buyer's Obligations In Connection With Removal of Property. Not later than January 29, 2026, Buyer shall remove, or cause to be removed from Seller's facility located at 9501 Airport Dr., Fort Wayne, IN 46809-3001 (the "**Real Property**") at Buyer's sole cost and expense, all of the Property. Buyer shall cause such removal to be accomplished in such manner as will minimize any damage to the Real Property or any other assets of Seller or any other party having an interest in the Real Property. Buyer shall, at Buyer's sole cost and expense, immediately cause any damage to the Real Property or any other assets resulting from Buyer's removal, handling, shipping, disposition or other activities in connection with the Property to be fully and completely repaired or restored. As a condition to Buyer's right to enter upon the Real Property to remove or cause the removal of the Property, however, Buyer shall provide to Seller a certificate of insurance which names Seller, Seller's bankruptcy estate, and Seller's affiliates and, if applicable, the landlord under lease pursuant to which Seller occupies the Real Property, as additional insureds and which evidences a general public liability insurance policy (issued by an insurer, in an amount and otherwise in form and content satisfactory to Seller) which covers Seller and such other additional insureds against any loss, damage or liability as Seller or such other additional insureds may suffer or incur in connection with Buyer's removal of the Property as contemplated by this Section 6.19; provided, however, Buyer expressly agrees that the coverage amounts under such insurance policy shall not be deemed to limit Buyer's obligations to Seller or the other indemnitees identified in the indemnification provision set forth below in this Section 6.19. Buyer shall indemnify, defend (with counsel satisfactory to Seller) and protect and hold Seller, Seller's bankruptcy estate, Seller's affiliates, the landlord of the Real Property, if any, and the respective successors and assigns of each of the foregoing indemnitees harmless of,

from and against any and all claims, demands, losses, damages, liabilities, obligations, actions, causes of action and costs and expenses (including, without limitation, all court costs and all attorneys' fees, costs and charges) as Seller or such other indemnitees may suffer or incur in connection Buyer's or Buyer's representatives', employees', agents', contractors', shippers' removal or handling of the Property at or from the Real Property. It is expressly understood that Buyer shall bear any and all costs and expenses of packing, shipping and handling the Property following its removal from the Real Property.
