**ORDER FIXING TIME FOR ACCEPTING OR REJECTING
A PROPOSED PLAN, AND NOTICE OF CONFIRMATION HEARING**

By an order entered on February 11, 2026, the court approved a disclosure statement filed on December 16, 2025, referring to a proposed Chapter 11 Plan filed by Debtors on December 16, 2025.

IT IS THEREFORE ORDERED AND NOTICE IS GIVEN THAT:

1. *The Court will hold a hearing on **April 20, 2026 at 11:30 a.m.**, to consider confirmation of the proposed Chapter 11 plan and any modifications thereto. The confirmation hearing will be held in Room 2127, Federal Building, 1300 S. Harrison St., Fort Wayne, Indiana. Those actively participating in the hearing – either by filing or responding to the matter being heard – who would like to participate remotely can find instructions for doing so on the court’s website under Remote Hearing Information for Judge Grant.*

2. *Any objections to confirmation of the proposed plan must be filed with the court on or before **March 30, 2026** and served upon the proponent, debtor and debtor's counsel, the United States Trustee, any trustee and counsel for the trustee, and any committee or the entities included on the list filed pursuant to Bankruptcy Rule 1007(d) and their counsel.*

3. **March 30, 2026** is fixed as the last day for accepting or rejecting the proposed Chapter 11 Plan. Any entity entitled to accept or reject the plan may do so by delivering its ballot to counsel for the proponent, at the address below:

R. David Boyer II, 110 W. Berry Street, Suite 1910, Fort Wayne, IN 46802

on or before the date specified in this paragraph. The ballot shall indicate, either by designation or description, the class in which the entity is voting to accept or reject and the amount of its claim. Any entity entitled to cast a ballot in more than one class must submit a separate ballot for each class in which it desires to vote to accept or reject the proposed plan.

4. No later than fourteen (14) days prior to the confirmation hearing, the proponent shall prepare, file, and serve a verified report of the results of the balloting, as required by N.D. Ind. L.B.R. B-3018-1(b) & (c). The report shall also identify any material change from the disclosure statement's representations concerning the requirements for confirmation established by 11 U.S.C. §1129(a) and shall indicate whether there are sufficient funds available with which to make the payments due upon the effective date of the plan. A similar report concerning any ballots received after the date fixed for accepting or rejecting the plan shall be made by the proponent at the confirmation hearing.

5. If all impaired classes do not vote to accept the proposed plan and, pursuant to 11 U.S.C. §1129(b), the proponent intends to seek confirmation of the plan over the rejection of any such class, the proponent shall file and serve a motion to do so no later than fourteen (14) days before the confirmation hearing. In accordance with N.D. Ind. L.B.R. B-3020-1(a), this motion shall identify the class or classes which have rejected the plan as to which the proponent contends the requirements of 11 U.S.C. §1129(b) are fulfilled and shall state how those requirements have been fulfilled as to each such class. The motion shall be served upon each entity that cast a ballot in

any such rejecting class and upon the entities entitled to be served with copies of the ballot report.

At the confirmation hearing, the court may determine that the proposed plan does not discriminate unfairly and is fair and equitable as to a rejecting class, based upon the information contained in the proponent's motion and without further proof, unless at least one rejecting member of such class appears at the confirmation hearing.

6. No later than twenty-eight (28) days before the last day for filing objections to confirmation, the proponent shall transmit a copy of the proposed plan, and any modifications thereto, the disclosure statement as approved by the court, a form of ballot, and a copy of this order to all creditors, equity security holders and other parties in interest and make due proof thereof.
