MOTION OF THE DEBTORS FOR THE ENTRY OF AN ORDER: (A) AUTHORIZING A PRIVATE SALE OF CERTAIN ASSETS OF THE ESTATES FREE AND CLEAR OF LIENS, CLAIMS, ENCUMBRANCES AND INTERESTS; (B) SCHEDULING A SALE HEARING ON NOTICE TO ALL CREDITORS; (C) AUTHORIZING THE ASSUMPTION AND ASSIGNMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES; AND (D) APPROVING THE FORM AND MANNER OF NOTICE OF SALE HEARING AND PROPOSED ASSUMPTION AND ASSIGNMENT

NOW COME, St. Margaret's Health-Peru and St. Margaret's Health-Spring Valley, both Illinois not for profit corporations, debtors and debtors in possession (collectively, the "**Debtors**"), by and through their undersigned proposed counsel, and hereby request the entry of an order: (a) authorizing and approving a private sale of certain assets (the "**Sale Assets**")[1] of the estates free and clear of liens, claims, encumbrances and interests (collectively, "**Interests**"); (b) scheduling a sale hearing on notice to all creditors; (c) authorizing the assumption and assignment of executory contracts and unexpired leases; and (d) approving the form and manner of notice of sale hearing and proposed assumption and assignment (the "**Motion**"), all pursuant to Sections 105, 363 and 365 of the United States Bankruptcy Code, 11 U.S.C. §§ 101 *et seq.* (the "**Bankruptcy Code**") and Rules 2002, 6004, and 6006 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"). In support of the Motion, the Debtors respectfully state as follows:

[1] The Sale Assets are described in the Section 2.01 of the OSF APA (as defined below) as the "Purchased Assets". The Purchased Assets consist of: (a) substantially all of the assets of St. Margaret's Health-Peru; and (b) certain real property and related equipment owned by St. Margaret's Health-Spring Valley.

I. INTRODUCTION

1. St. Margaret's Health-Spring Valley or its predecessor, St. Margaret's Hospital, an Illinois not-for-profit corporation doing business as St. Margaret's Health, has operated a licensed acute-care hospital and related clinics in Spring Valley, Illinois and surrounding communities since 1903 (the "**Spring Valley Hospital**"). The Spring Valley Hospital has been shuttered since June 16, 2023. St. Margaret's Health-Peru or its predecessors, Peoples' Hospital and Illinois Valley Community Hospital, which is less than five miles from the Spring Valley Hospital, has operated a licensed acute-care hospital and related clinics in and around Peru, Illinois dating back to 1914 (the "**Peru Hospital**"). The Peru Hospital, as an inpatient facility, has been shuttered since January 28, 2023. Accordingly, the Illinois Valley, consisting of Putnam County; the Townships of LaSalle, Peru, Utica, Eden and Dimmick in LaSalle County; and the Townships of Hall, Selby and Leepertown in Bureau County, are without an acute-care hospital for an approximate 20-mile radius. As a result, a resident has to drive a considerable distance to obtain treatment, frequently in emergent situations where the travel time could have a dramatic impact on the care provided and the long-term consequences of the episode.

2. Upon the closing of the Peru Hospital, the board of directors of the Debtors (the "**Board**") retained Juniper Advisory LLC ("**Juniper**"), a specialized, independent, transaction advisory firm which concentrates in providing merger and acquisition advice to not-for-profit hospitals. As hereinafter described, Juniper conducted a robust marketing and sales process encompassing a wide range of prospective suitors, leading to the execution and delivery of a heavily negotiated Asset Purchase Agreement dated as of June 13, 2023 (the "**OSF APA**") among the Debtors, St. Margaret's Health and IV Healthcorp, Inc., as the selling parties, and OSF

Healthcare System, Mendota Community Hospital, and Ottawa Regional Hospital and Healthcare System (collectively, "**OSF**") as the acquirers.[2]

3. There were serious concerns that the Debtors lacked liquidity sufficient to maintain operations at SMH-SV pending the consummation of the contemplated transaction with OSF and the securing of necessary regulatory approvals in connection with same. As a result, the Debtors negotiated with OSF to conduct the OFS Sale in two stages.

4. In June of this year, OSF acquired certain clinics for the approximate sum of $5.65 million (the "**Stage One Sale**").

5. This Motion seeks the entry of an order authorizing the Debtors to consummate the second stage of transactions contemplated by and described in the OSF APA through a private sale (the "**OSF Sale**"), free and clear of Interests; with any and all such Interests attaching to the proceeds of the sale, and authorizing the assumption and assignment of executory contracts and unexpired leases described in the OSF APA.[3]

6. The Debtors contend the approval of the OSF APA and the OSF Sale is in the best interests of these estates and their creditors. The assets proposed to be sold pursuant to the OSF APA were thoroughly subjected to the marketplace through the sale process established and conducted by Juniper and the Debtors. The OSF APA generated through this process was itself arrived at only after considerable negotiations between the parties. As a result of these circumstances, the Debtors believe that many, if not all, of the creditor constituencies of these

[2] The OSF APA is attached to this Motion as **Exhibit A** and by express reference made a part hereof.

[3] OSF has minimal interest in the executory contracts of the Debtors.

estates will support the OSF Sale. The Debtors will be prepared to put on evidence at a final hearing on the Motion (the "**Sale Hearing**") to support the relief requested herein.[4]

II. JURISDICTION AND VENUE

7. The Court has jurisdiction over this Motion pursuant to 28 U.S.C. §§ 157 and 1334. Venue lies properly in this Court pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(M). The statutory predicates for the relief requested herein are Sections 105(a), 363(b) and 365(b) of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, and 6006.

III. BACKGROUND

8. On August 31, 2023 (the "**Petition Date**"), the Debtors filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors' respective cases (collectively, the "**Chapter 11 Cases**") are jointly administered pursuant to order of Court entered on September 6, 2023. Since the Petition Date, the Debtors have remained in possession of their assets and have continued to manage their affairs as debtors-in-possession in accordance with sections 1107(a) and 1108 of the Bankruptcy Code.

9. On September 13, 2023, the Office of the United States Trustee (the "**UST**") filed that certain Notice of Appointment of Official Unsecured Creditors' Committee [Dkt No. 42] thereby forming an official unsecured creditors' committee ("**Committee**") in these proceedings.[5]

[4] At the Sale Hearing, the Debtors will present live testimony by Casey Webb, a managing director of Juniper having primary responsibility for the marketing of the Sale Assets, with respect to the marketing efforts and other key factors which led to the negotiation and execution of the OSF APA. Ms. Webb will also testify to the propriety of conducting the OSF Sale as a private sale.

[5] The Debtors will promptly send this Motion to and discuss the relief sought in this Motion with proposed counsel for the Committee ("**Committee Counsel**").

10. The nature of the Debtors' businesses, the factual background relating to the commencement of the Chapter 11 Cases, and further factual support for this Motion, are set forth in more detail in the *Declaration of Timothy A. Muntz in Support of Chapter 11 Cases and First-Day Motions* [Docket No. 23] (the "**Muntz Declaration**") filed on September 5, 2023 and incorporated herein by reference.

IV. RETENTION OF INVESTMENT BANKER AND MARKETING EFFORTS

11. On March 14, 2023, the Debtors retained Juniper. Juniper's team has been an advisor on more than one hundred twenty-five (125) not-for-profit hospital and health system transactions spanning forty-five (45) states.

12. Juniper designed a process to solicit proposals geared specifically to healthcare suitors (the "**Juniper Marketing Process**"). The Juniper Marketing Process is based on identifying a nationwide pool of potential acquirers interested in healthcare operations having the same or similar operating and performance metrics as the two hospitals. The Juniper Marketing Process is hailed by industry professionals and regulators as the optimal means for deriving fair market value in the sales of hospital and attendant facilities.

13. The Sale Assets were marketed aggressively through the Juniper Marketing Process. In all, Juniper approached sixty-three (63) potential suitors with summary materials and non-disclosure agreements. The potential suitors consisted of secular not-for-profit companies, religiously sponsored not-for-profit companies and for-profit companies, including operators of acute-care hospitals, behavioral hospitals, academic medical centers, integrated systems, other healthcare services and companies that specialize in financially stressed hospitals.

14. Of the sixty-three (63) companies contacted, thirteen (13) potential suitors executed non-disclosure/confidentiality agreements as summarized below.

	Not-for-profit companies	Investor-owned companies	Total
APPROACHED • Provided overview of St. Margaret's and process	30	33	63
INITIAL INTEREST • Calls with Juniper to discuss opportunity	8	9	17
SIGNED NDA • Signed non-disclosure agreement • Received information memorandum, template letter of intent, access to data room, invitation to speak with management and tour facilities	5	8	13

15. Juniper's marketing efforts continued through the second quarter of 2023. At the conclusion of the Juniper Marketing Process, it became apparent to Juniper that OSF was the single most-probable suitor for the Sale Assets, given its experience in the industry and its geographic ties to the area.

16. Following concerted arm's-length negotiations over a five (5) month period, the circulation of multiple drafts of the OSF APA and the Exhibits and Schedules thereto, the Debtors and OSF executed the OSF APA.

V. JUSTIFICATION FOR PRIVATE SALE

17. There is ample support for conducting the OSF Sale as a private sale. The decisive factors include: (a) the Juniper Marketing Process was sufficiently broad in outreach so as to warrant dispensing with further efforts to solicit potential bidders or potential bids; (b) Juniper will testify that the acquisition of a hospital complex such as the Peru Hospital requires due diligence and regulatory review of a magnitude that will not lend itself to a compressed sale and bid process, thereby negating the benefits of conducting a post-petition auction, or an alternate competitive

bidding format; (c) the $38M purchase price[6] reflects fair value for the Sale Assets; and (d) the overriding need to resume patient care in the Illinois Valley, with OSF possessing the infrastructure, the resources and the experience to restore patient services once the parties consummate the OSF Sale.[7] In short, the Sale Assets were fully and aggressively subjected to the marketplace through a tested process by experienced professionals who have exhausted the interests of potential suitors.

18. The Debtors and their counsel reached out to the UST prior to the filing of the Chapter 11 Cases to preview, among other things, the anticipated sale to OSF, and will reach out to Committee Counsel. The Debtors laid out the history of operations and the critical events which spawned the retention of Juniper and the launching of the Juniper Marketing Process.

VI. THE OSF APA

19. The OSF APA was negotiated in good faith and at arm's-length by the Debtors and OSF. OSF is a third-party strategic purchaser and is not an "insider" of the Debtors, as that term is defined in the Bankruptcy Code. The St. Margaret's Health Board of Directors, the Debtors' outside counsel and the Debtors' independent professional advisors not only reviewed, analyzed, and contributed significant input into the OSF APA, but they also considered and analyzed other strategic alternatives available to the Debtors to fill the void resulting from the absence of an acute-care hospital in the Illinois Valley. The Board determined that selling the Sale Assets to OSF under the OSF APA provides the best opportunity to maximize value for the Debtors' estates and all parties in interest.

[6] The total purchase price is inclusive of the approximate sum of $5.65 million the Debtors realized from the Stage One Sale.

[7] The initial term sheet dated March 3, 2023, received from OSF for the Sale Assets was in the amount of $20M. After further negotiations, the Debtors were able to nearly double the purchase price to $38M.

20. The material terms of the OSF APA are described below.[8]

VII. ASSUMPTION AND ASSIGNMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

21. As part of the Motion, the Debtors seek authority to assume and assign the executory contracts and unexpired leases identified in the OSF APA. The Debtors intend to send notice to all non-Debtor parties to those executory contracts and unexpired leases which the Debtors may elect to assume and assign in conjunction with the OSF APA (the "**Executory Contracts**"). The Executory Contracts include, but may not be limited to, the Contracts set forth on Section 2.01(a) of the Disclosure Schedules to the OSF APA.

22. The universe of Executory Contracts anticipated to be assumed and assigned in connection with the OSF Sale is scant. The Debtors do not anticipate any issues with cure costs,

[12] The Escrow Agreement is a pivotal document for these estates – the $5.7M holdback thereunder could result in a significant dividend to unsecured creditors down the road. It is critical that the Committee, or possibly a Liquidating Trustee, closely monitor the post-closing resort to the Escrow by OSF for purported claims coming within the Indemnity.

demonstrating adequate assurance of future performance or any other requirements to comply with the assumption and assignment provisions set forth in Section 365 of the Bankruptcy Code.

23. Given the limited scope of Executory Contracts under the OSF APA, coupled with the desire of the Debtors and OSF to accomplish the OSF Sale with all haste and begin the process of transitioning the healthcare facilities, the Debtors propose the following procedures for assuming and assigning the Executory Contracts:

a. No less than fourteen (14) days before the Sale Hearing, the Debtors will file a notice in the form of **Exhibit B** (the "**Assumption Notice**") with the Court and serve on each non-Debtor party to the Executory Contracts. The Assumption Notice shall: (i) identify OSF as the buyer; (ii) state the cure amounts that the Debtors believe are necessary to assume and assign such Executory Contracts pursuant to Section 365 of the Bankruptcy Code (the "**Cure Amount(s)**"); and (iii) notify the non-Debtor party that such party's contract or lease may be assumed and assigned to the buyer (the "**Proposed Assumption/Assignment**"). Should the Debtors identify additional Executory Contracts for assumption and assignment which are not set forth in the original Assumption Notice, the Debtors will promptly send a supplemental notice (a "**Supplemental Assumption Notice**") to the applicable counterparties to such additional Executory Contracts.

b. Unless the non-Debtor party to an Executory Contract files an objection (the "**Cure Amount/Assignment Objection**") to (i) their scheduled Cure Amount and/or (ii) the Proposed Assumption/Assignment on or before the later of (A) 5:00 p.m. (prevailing Central Time) on October 13, 2023, or (B) to the extent applicable, five (5) business days after service of the relevant Supplemental Assumption Notice (the "**Cure/Assignment Objection Deadline**") with the Court Clerk, and serves a copy of the Cure Amount/Assignment Objection upon the Debtors, so that such Cure Amount/Assignment

Objection is received no later than the Cure/Assignment Objection Deadline, then such non-Debtor party: (1) will be forever barred from objecting to the Cure Amount and from asserting any additional cure or other amounts with respect to such Executory Contract and the Debtors shall be entitled to rely solely upon the Cure Amount, and (2) will be deemed to have consented to the assumption, assignment and/or transfer of such Executory Contract, and will be forever barred and estopped from asserting or claiming against the Debtors or the buyer, that any additional amounts are due or defaults exist, or conditions to assumption, assignment and/or transfer must be satisfied, under such Executory Contract. Each non-Debtor party shall also have the right, any time prior to or at the Sale Hearing, to object to the assumption, assignment or transfer of its Executory Contract based solely on the issue of whether the buyer can provide adequate assurance of future performance as required by Section 365 of the Bankruptcy Code ("**Adequate Assurance Objection(s)**").

c. If an objection challenges a Cure Amount, the objection must set forth the cure amount being claimed by the objecting party with supporting documentation in support thereof. Upon receipt of a Cure Amount/Assignment Objection, the Debtors request that they be authorized, but not directed, to resolve any Cure Amount/Assignment Objection by mutual agreement with the objecting party to any Executory Contract without further order of the Court, so long as the Debtors obtain the written consent of the Committee, the UST and SVCB. If the Debtors and any objecting party are unable to consensually resolve any Cure Amount/Assignment Objection prior to the Sale Hearing, the Debtors request that the Court resolve any such Cure Amount/Assignment Objection at the Sale Hearing. The Debtors also request that the Court resolve any Adequate Assurance Objections at the Sale Hearing.

VIII. RELIEF REQUESTED AND GOVERNING AUTHORITY

A. The Proposed Sale of the Sale Assets Satisfies the Business Judgment Rule.

24. Section 363 of the Bankruptcy Code provides that the Debtor, "after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b). To approve the use, sale or lease of property outside the ordinary course of business, there must be some "articulated business justification." See Fulton State Bank v. Schipper (In re Schipper), 933 F.2d 513, 515 (7th Cir. 1991) (internal citation omitted); In re Lionel Corp., 722 F.2d 1063, 1070 (2d Cir. 1983); see also Stephens Indus., Inc., v. McClung, 789 F.2d 386, 389-90 (6th Cir. 1986); In re Efoora, Inc., 472 B.R. 481, 488 (Bankr. N.D. Ill. 2012); In re Telesphere Commc'ns, Inc., 179 B.R. 544, 552 (Bankr. N.D. Ill. 1999); In re Del. & Hudson Ry. Co., 124 B.R. 169, 175-76 (D. Del. 1991).

25. Once a valid business justification made in the ordinary course of business is established, "[t]he business judgment rule is a presumption that in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company." In re S.N.A. Nut Co., 186 B.R. 98 (Bankr. N.D. Ill. 1995) (internal citation omitted); see also In re Johns-Manville Corp., 60 B.R. 612, 615-616 (Bankr. S.D.N.Y. 1986) ("a presumption of reasonableness attaches to a debtor's management decisions"). Similarly, a court will defer to the debtor's judgment to make a sale outside the ordinary course of business pursuant to Section 363, when the debtor has "sound business reasons for making the sale." Schipper, 933 F.2d at 515.

26. Indeed, a debtor-in-possession "has considerable discretion when it comes to the sale of estate assets, and that discretion is entitled to great judicial deference as long as a sound business reason is given." Efoora, 472 B.R. at 481. Therefore, the relief requested in this Motion

should be granted if the Debtors demonstrate a sound business justification therefor. See Schipper, 933 F.2d at 515; Lionel Corp., 722 F.2d at 1071; Del. Hudson Ry., 124 B.R. at 179.

27. The Debtors have sound business justifications for selling the Sale Assets at this time. The Debtors do not have the financial resources or access to capital necessary to maintain wind-down costs indefinitely. The $38M purchase price will satisfy a substantial portion of the outstanding secured debt, and generate a potential distribution to unsecured creditors.

28. As respects the Sale Assets, there is the secured indebtedness which Spring Valley City Bank ("**SVCB**") holds against the two estates (the "**SVCB Secured Debt**"). Specifically, and as set forth on Exhibit A to the Muntz Declaration, SVCB holds four mortgages (the "**SVCB Mortgages**") against various parcels of real property included among the Sale Assets as further summarized below:[13]

Main Location and PIN(s)	**Description**	**Debtor**	**Mortgage No.**	**Mortgage Balance as of Petition Date (est.)**

[13] With the possible exception of the Oglesby Medical Clinic parcel (the "**Oglesby Parcel**"), the preliminary allocation of the sale proceeds will result in the SVCB Mortgages being satisfied in full.

29. The benefits to the surrounding Illinois Valley community are multifold: patients will have access to care, jobs will be preserved and there will be a noticeable enhancement of the attractiveness of the Illinois Valley as a residential locale. The Debtors therefore have determined that, based upon their business judgment, the most viable option for maximizing the value of their estates is through a sale of the Sale Assets to OSF.

30. Based upon these dispositive factors, the Debtors have demonstrated a sound business justification for the proposed private sale of the Sale Assets.

B. The Sale Satisfies the Requirements of Bankruptcy Code Section 363(f) for a Sale Free and Clear of Liens, Claims, Encumbrances and Interests.

31. Under Section 363(f) of the Bankruptcy Code, a debtor in possession may sell property free and clear of any lien, claim, or interest in such property if, among other things:

> (1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
>
> (2) such entity consents;
>
> (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
>
> (4) such interest is in bona fide dispute; or
>
> (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

32. Because Section 363(f) is drafted in the disjunctive, satisfaction of any one of its five requirements will be sufficient to permit the sale of the Sale Assets free and clear of any and all Interests. See In re Terrace Chalet Apartments, Ltd., 159 B.R. 821, 827 (N.D. Ill. 1993). The Debtors believe that the primary entity holding a lien on the Sale Assets is SVCB.[14] The Debtors have already made overtures to SVCB and are reasonably confident SVCB will consent to the OSF Sale. Regardless of whether SVCB consents, and with the possible exception of the Oglesby Parcel, the Debtors believe the allocated price at which each of the Sale Assets will be sold will be greater than the value attributed to the respective liens, thereby satisfying Section 363(f)(3) of the Bankruptcy Code.

33. Moreover, all holders of Interests, including SVCB, can be compelled to accept a money satisfaction of such Interests in legal or equitable proceedings in accordance with Section 363(f)(5) of the Bankruptcy Code. Such legal or equitable proceedings include proceedings to confirm a plan of reorganization, under which the holder of a lien may be compelled to accept payment in satisfaction of its lien pursuant to Section 1129(b)(2)(A) of the Bankruptcy Code.

[14] There are or may be liens against certain of the equipment comprising the Sale Assets, The Debtors are completing their analysis of the various lien searches and will prepare and make available a comprehensive breakdown of any additional liens.

34. Accordingly, the Debtors have established sufficient grounds to convey the Sale Assets free and clear of the Interests of SVCB under Section 363(f). The Debtors propose that any Interests of SVCB or other lienholders in the Sale Assets attach to the net proceeds of the OSF Sale.[15]

C. The Sale Satisfies the Requirements of Bankruptcy Code Section 363(m) for a Sale Made in Good Faith.

35. Section 363(m) reflects that the Bankruptcy Code strongly favors finality of sale orders, and the protection of good-faith purchasers maximizes the value of the assets for sale, which benefits both debtors and creditors. See Hower v. Molding Sys. Eng'g Corp., 445 F.3d 935, 938 (7th Cir. 2006).

36. "The requirement that a purchaser act in good faith, of course, speaks to the *integrity of his conduct in the course of the sale proceedings*. Typically, the misconduct that would destroy a purchaser's good faith status at a judicial sale involves fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders." In re Andy Frain Servs., Inc., 798 F.2d 1113, 1125 (7th Cir. 1986) (quoting In re Rock Indus. Mach. Corp., 572 F.2d 1995, 1198 (7th Cir. 1978)).

37. In the present case, the OSF APA is a product of arduous, continuous and extensive, arm's-length and good-faith negotiations and discussions between representatives of the Debtors and OSF and their respective counsel and advisers. At all times, OSF and the Debtors have been under completely different ownership and management.

38. In addition, the willingness of OSF to conduct the Stage One Sale primarily for the benefit of the Debtors while the marketing process continued cannot be overstated. By acting as

[15] Given that the OSF Sale satisfies Section 363(f)(3) of the Bankruptcy Code and that the Debtors can also resort to Section 363(f)(5), the Debtors have not examined the possible application of Section 363(f)(4). The Debtors reserve all rights to modify the Motion to assert additional grounds thereunder.

it did for no additional benefit to OSF, the Debtors were able improve liquidity to get to this point in the sale process and also remain poised to continue providing medical services in the Illinois Valley.

D. <u>The Assumption and Assignment of Executory Contracts and Unexpired Leases Should Be Authorized</u>.

39. Section 365(f)(2) of the Bankruptcy Code provides that:

> [t]he trustee may assign an executory contract or unexpired lease of the debtor only if–
>
> (A) the trustee assumes such contract or lease in accordance with the provisions of this section; and
>
> (B) adequate assurance of future performance by the assignee of such contract or lease is provided, whether or not there has been a default in such contract or lease.

11 U.S.C. § 365(f)(2).

40. Under Section 365(a), a debtor, "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." 11 U.S.C. § 365(a). Section 365(b)(1), in turn, codifies the requirements for assuming an unexpired lease or executory contract of a debtor. This subsection provides as follows:

> (b)(1) If there has been a default in an executory contract or unexpired lease of the debtor, the trustee may not assume such contract or lease unless, at the time of assumption of such contract or lease, the trustee–
>
> (A) cures, or provides adequate assurance that the trustee will promptly cure, such default . . . ;
>
> (B) compensates, or provides adequate assurance that the trustee will promptly compensate, a party other than the debtor to such contract or lease, for any actual pecuniary loss to such party resulting from such default; and
>
> (C) provides adequate assurance of future performance under such contract or lease.

11 U.S.C. § 365(b)(1).

41. The meaning of "adequate assurance of future performance" depends on the facts and circumstances of each case, but should be given a "practical, pragmatic construction." In re Resource Tech. Corp., 624 F.3d 376, 383 (7th Cir. 2010) (internal citation omitted). The required assurance "will fall considerably short of an absolute guarantee of performance." Id. (quoting Carlisle Homes, Inc. v. Azzari (In re Carlisle Homes, Inc., 103 B.R. 524, 538 (Bankr. D.N.J. 1988)); see also In re Bon Ton Rest. & Pastry Shop, Inc., 53 B.R. 789, 803-04 (Bankr. N.D. Ill. 1985).

42. Among other things, adequate assurance may be provided by demonstrating the assignee's financial health and reputation. Resource Tech., 624 F.3d at 383; see also, e.g., In re Bygaph, Inc., 56 B.R. 596, 605-06 (Bankr. S.D.N.Y. 1986) (finding adequate assurance where prospective assignee of lease from debtor had financial resources and expressed its willingness to devote sufficient funding to business in order to give it strong likelihood of succeeding).

43. To the extent that any defaults exist under any of the Executory Contracts that are to be assumed and assigned in connection with the sale of the Sale Assets, the Debtors will either have any such default cured at closing as a condition of such assumption and assignment, or obtain consent to the assumption and assignment on such modified terms as may be agreed to by the non-Debtor party to such Executory Contracts. Moreover, the Debtors will adduce facts at the Sale Hearing demonstrating the financial wherewithal of OSF, its experience in the industry, and its willingness and ability to perform under the proposed Executory Contracts to be assumed and assigned to it. The Debtors are confident in their ability to override any Adequate Assurance Objections.

44. The Sale Hearing therefore will provide the Court and other interested parties ample opportunity to evaluate and, if necessary, to test the ability of OSF to provide adequate assurance of future performance under the Executory Contracts to be assumed and assigned. The Court

therefore should have a sufficient basis to authorize the Debtors to reject or assume and assign the Executory Contracts as will be set forth in the OSF APA.

IX. SALE HEARING

45. The Debtors seek entry of an interim order, substantially in the form of order filed herewith and incorporated by reference herein (the "**Interim Sale Order**"), approving the initial relief sought in this Motion. The Debtors request that, in approving the Interim Sale Order, the Court grant the Motion in part, and continue the Motion to the Sale Hearing for consideration and approval of the balance of relief sought in the Motion. The Debtors further request that the Sale Hearing be scheduled for **10:30 a.m. (Central Time) on October 18, 2023**, the date and time at which the Court regularly hears set Chapter 11 matters, or on such other date and time as the Court prefers.

X. NOTICE

46. Rules 2002(a)(2) and 6004(a) of the Bankruptcy Rules require that notice of a proposed sale of the Sale Assets be sent to all creditors. (g) all rights to any Actions of any nature available to or being pursued by Seller to the extent related to the Purchased Assets or the Assumed Liabilities, whether arising by way of counterclaim or otherwise;

(h) all prepaid expenses, credits, advance payments, claims, security, refunds, rights of recovery, rights of set-off, rights of recoupment, deposits, charges, sums and fees (including any such item relating to the payment of Taxes) related to the Purchased Assets or the Assumed Liabilities;

(i) all of Seller's rights under warranties, indemnities and all similar rights against third parties to the extent related to any Purchased Assets or the Assumed Liabilities; and

(j) all insurance benefits, including rights and proceeds, arising from or relating to the Purchased Assets or the Assumed Liabilities.

Section 2.02 Excluded Assets. Notwithstanding the foregoing, the Purchased Assets shall not include the following assets (collectively, the "*Excluded Assets*"):

(a) cash and cash equivalents;

(b) any accounts or notes receivable held by Seller as well as any work-in-process for services rendered but not yet billed for prior to the Closing Date, and any security, claim, remedy or other right related to any of the foregoing;

(g) any patient lists or patient medical records, stored in either paper or electronic format;

(h) the Medicare assets of Seller related to any facility it owns or operates other than the Rural Health Clinic, including but not limited to Seller's rights under its Medicare provider agreements applicable to the Peru Hospital, the swing-bed unit within such hospital, or any other such facilities;

(i) any Benefit Plans and assets attributable thereto;

(j) any goodwill or going concern value of the Business; and

(k) the rights which accrue or will accrue to Seller under this Agreement and the Ancillary Documents.

Section 2.03 Assumed Liabilities. Subject to the terms and conditions set forth herein, Buyer shall assume and agree to pay, perform and discharge only the Liabilities in respect of the Assigned Contracts, including but not limited to the assumption by SPMC of Seller's obligations under its Medicare provider agreement related to the Rural Health Clinic, but only to the extent that such Liabilities thereunder are required to be performed after the Closing Date, were incurred in the ordinary course of business, and do not relate to any failure to perform, improper performance, warranty or other breach, default or violation by Seller on or prior to the Closing (the "*Assumed Liabilities*"), and no other Liabilities.

Section 2.04 Excluded Liabilities. Notwithstanding the provisions of Section 2.03 or any other provision in this Agreement to the contrary, Buyer shall not assume and shall not be responsible to pay, perform or discharge any Liabilities of Seller or any of its Affiliates of any kind or nature whatsoever other than the Assumed Liabilities (the "*Excluded Liabilities*"). Seller shall, and shall cause each of its Affiliates to, pay and satisfy in due course all Excluded Liabilities which they are obligated to pay and satisfy, or obtain an order from the Bankruptcy Court precluding the creditors holding any Excluded Liabilities from asserting claims for such Excluded Liabilities against Buyer, if applicable. Without limiting the generality of the foregoing, the Excluded Liabilities shall include, but not be limited to, the following:

(a) any Liabilities of Seller arising or incurred in connection with the negotiation, preparation, investigation and performance of this Agreement, the Ancillary Documents and the transactions contemplated hereby and thereby, including, without limitation, fees and expenses of counsel, accountants, consultants, advisers and others;

(b) any Liability for (i) Taxes of Seller (or any member or Affiliate of Seller) or relating to the Business, the Purchased Assets or the Assumed Liabilities for any Pre-Closing Tax Period; (ii) Taxes that arise out of the consummation of the transactions contemplated hereby; or (iii) other Taxes of Seller (or any member or Affiliate of Seller) of any kind or description (including any Liability for Taxes of Seller (or any member or Affiliate of Seller) that becomes a Liability of Buyer under any common law doctrine of de facto merger or transferee or successor liability or otherwise by operation of contract or Law);

(c) any Liabilities relating to or arising out of the Excluded Assets;

(d) any Liabilities in respect of any pending or threatened Action arising out of, relating to or otherwise in respect of the operation of the Business or the Purchased Assets to the extent such Action relates to such operation on or prior to the Closing Date;

(e) any Liabilities of Seller arising under or in connection with any Benefit Plan providing benefits to any present or former employee of Seller;

(f) any Liabilities of Seller for any present or former employees, officers, directors, retirees, independent contractors or consultants of Seller, including, without limitation, any Liabilities associated with any claims for wages or other benefits, bonuses, accrued vacation, workers' compensation, severance, retention, termination or other payments;

(g) any Environmental Claims, or Liabilities under Environmental Laws, to the extent arising out of or relating to facts, circumstances or conditions existing on or prior to the Closing or otherwise to the extent arising out of any actions or omissions of Seller;

(h) any Liabilities arising out of, relating to or otherwise in respect of the operation of the Business or the Purchased Assets to the extent such Liabilities relate to such operation on or prior to the Closing Date;

(i) any Liabilities to indemnify, reimburse or advance amounts to any present or former officer, director, employee or agent of Seller (including with respect to any breach of fiduciary obligations by same);

(j) any Liabilities under the Excluded Contracts or any other Contracts, (i) which are not validly and effectively assigned to Buyer pursuant to this Agreement; (ii) which do not conform to the representations and warranties with respect thereto contained in this Agreement; or (iii) to the extent such Liabilities arise out of or relate to a breach by Seller of such Contracts prior to Closing;

(k) any Liabilities associated with debt, loans or credit facilities of Seller and/or the Business owing to financial institutions;

(l) any Liabilities arising out of, in respect of or in connection with the failure by Seller or any of its Affiliates to comply with any Health Care Law, including but not limited to the submission of any claim to any Federal or State health care program not in compliance with all applicable Laws; and

(m) any Liabilities arising out of, in respect of or in connection with the failure by Seller or any of its Affiliates to comply with any Law or Governmental Order.

Section 2.05 Purchase Price. Subject to adjustment pursuant to Section 2.10, the aggregate purchase price for the Purchased Assets shall be Thirty-Two Million Three Hundred Fifty Thousand Dollars ($32,350.000.00), (the "*Purchase Price*"), plus the assumption of the Assumed Liabilities. The Purchase Price shall be paid as provided in Section 3.02.

Section 2.06 Allocation of Purchase Price. Seller and Buyer agree that the Purchase Price and the Assumed Liabilities (plus other relevant items) shall be allocated among the Purchased Assets for all purposes (including Tax and financial accounting) as shown on the allocation schedule (the "*Allocation Schedule*"). A draft of the Allocation Schedule shall be prepared by Buyer and delivered to Seller within sixty (60) days following the Closing Date. If Seller notifies Buyer in writing that Seller objects to one or more items reflected in the Allocation Schedule, Seller and Buyer shall negotiate in good faith to resolve such dispute; *provided, however*, that if Seller and Buyer are unable to resolve any dispute with respect to the Allocation Schedule within ninety (90) days following the Closing Date, such dispute shall be resolved by the office of an impartial nationally recognized firm of independent certified public accountants other than Seller's accountants or Buyer's accountants, appointed by mutual agreement of Seller and Buyer. The fees and expenses of such accounting firm shall be borne equally by Seller and Buyer. Buyer and Seller shall file all Tax Returns (including amended returns and claims for refund) and information reports in a manner consistent with the Allocation Schedule.

Section 2.07 Withholding Tax. Buyer shall be entitled to deduct and withhold from the Purchase Price all Taxes that Buyer may be required to deduct and withhold under any provision of Tax Law. All such withheld amounts shall be treated as delivered to Seller hereunder.

Section 2.08 Third Party Consents. To the extent that Seller's rights under any Contract or Permit constituting a Purchased Asset, or any other Purchased Asset, may not be assigned to Buyer without the consent of another Person which has not been obtained, this Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof or be unlawful, and Seller, at its expense, shall use its reasonable best efforts to obtain any such required consent(s) as promptly as possible. If any such consent shall not be obtained or if any attempted assignment would be ineffective or would impair Buyer's rights under the Purchased Asset in question so that Buyer would not in effect acquire the benefit of all such rights, Seller, to the maximum extent permitted by law and the Purchased Asset, shall act after the Closing as Buyer's agent in order to obtain for it the benefits thereunder and shall cooperate, to the maximum extent permitted by Law and the Purchased Asset, with Buyer in any other reasonable arrangement designed to provide such benefits to Buyer. Notwithstanding any provision in this Section 2.08 to the contrary, Buyer shall not be deemed to have waived its rights under Section 7.02(d) hereof unless and until Buyer either provides written waivers thereof or elects to proceed to consummate the transactions contemplated by this Agreement at Closing.

Section 2.09 Bankruptcy Approval Process. Buyer and Seller acknowledge that it is possible that Seller may file for bankruptcy protection prior to Closing, in which case this transaction shall require the approval of the Bankruptcy Court. Seller agrees to seek such approval immediately as a first-day motion. If the Bankruptcy Court or other stakeholders require Seller to conduct an auction of the Purchased Assets (or some portion thereof), Seller shall confer with Buyer prior to submitting proposed bid procedures to the Bankruptcy Court for approval. Such procedures shall include terms acceptable to Buyer, including a break-up fee equal to $380,000.00 if the Purchased Assets (or some portion thereof) are sold to a third party (an "*Alternative Transaction*"), and such other terms and conditions as reasonably required by Buyer, which may include, without limitation, reimbursement of Buyer's due diligence expenses,

a topping fee payable to Buyer based on the amount by which the winning bid exceeds the Purchase Price, or credited to Buyer if Buyer is the successful bidder following bids from other qualified bidders, and a last look/right of first refusal of Buyer to match any higher bids. Any break-up fee payable to Buyer shall be paid from the proceeds of an Alternative Transaction, and the same shall be paid to Buyer in the event (a) Buyer terminates the contemplated transactions as a result of any material breach by Seller, or (b) Seller terminates this Agreement for any reason whatsoever, including without limitation Seller's acceptance of a competing bid for all or any portion of the Purchased Assets approved by the Bankruptcy Court. For the avoidance of doubt, failure of a condition due to third party actions or events beyond Seller's reasonable control, absent a breach by Seller, shall not trigger the payment of a break-up fee hereunder. No such break-up fee shall be payable if Buyer materially breaches this Agreement. Furthermore, no third party may top the Purchase Price for the Purchased Assets in any Bankruptcy Court proceeding (whether through objection to a motion for an order approving the sale of the Purchased Assets or through a bid in any competitive bidding procedure) unless such third party offers to unconditionally and immediately pay a cash price that exceeds the Purchase Price by at least $380,000.00, and all successive bids for the Assets must be in increments of at least $100,000.00. Any bankruptcy auction shall be subject to customary bid qualification procedures and deposit requirements.

Section 2.10 Separate Real Estate Transaction. The parties acknowledge that, as an accommodation to Seller, they separately entered into a real estate transaction related to five (5) parcels of real property that closed prior to the date of this Agreement (the "*Real Estate Transaction*"), and that such parcels were initially intended to be included in the Purchased Assets, in accordance with the letter of intent between the parties dated April 28, 2023. As such, the total consideration paid for the Purchased Assets under this Agreement, plus the real property that was the subject of the Real Estate Transaction, is Thirty-Eight Million Dollars ($38,000,000.00). The parties acknowledge that, had the Real Estate Transaction not occurred, such amount would have been the purchase price paid under this Agreement, and the real property that was the subject of the Real Estate Transaction would have been included in the Purchased Assets. The parties also acknowledge that, in connection with the Real Estate Transaction, they entered into a leaseback transaction, allowing Seller to occupy certain office space in the real property. The amount payable by Buyer at Closing shall be the difference between the Purchase Price and the sum of all accrued but unpaid rents, costs, fees, and expenses, if any, under any leaseback transaction entered into between the parties with respect to the real property that was the subject of the Real Estate Transaction. Notwithstanding the closing of such transaction, the real property that was the subject of the Real Estate Transaction shall be considered Owned Real Property for purposes of this Agreement and any Ancillary Document.

Seller is duly licensed or qualified to do business and is in good standing in each jurisdiction in which the ownership of the Purchased Assets or the operation of the Business as currently conducted after Seller's temporary suspension of hospital services at the Peru Hospital makes such licensing or qualification necessary.

Section 4.02 Authority of Seller. Seller has full corporate power and authority to enter into this Agreement and the Ancillary Documents to which Seller is a party, to carry out its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. This Agreement has been duly executed and delivered by Seller, and (assuming due authorization, execution and delivery by Buyer) this Agreement constitutes a legal, valid and binding obligation of Seller enforceable against Seller in accordance with its terms. When each Ancillary Document to which Seller is or will be a party has been duly executed and delivered by Seller (assuming due authorization, execution and delivery by each other party thereto), such Ancillary Document will constitute a legal and binding obligation of Seller enforceable against it in accordance with its terms.

Section 4.03 No Conflicts; Consents. The execution, delivery and performance by Seller of this Agreement and the Ancillary Documents to which it is a party, and the consummation of the transactions contemplated hereby and thereby, do not and will not: (a) conflict with or result in a violation or breach of, or default under, any provision of the articles of incorporation, by-laws or other organizational documents of Seller; (b) conflict with or result in a violation or breach of any provision of any Law or Governmental Order applicable to Seller, the Business or the Purchased Assets; (c) except as set forth in Section 4.03 of the Disclosure Schedules, require the consent, notice or other action by any Person under, conflict with, result in a violation or breach of, constitute a default or an event that, with or without notice or lapse of time or both, would constitute a default under, result in the acceleration of or create in any party the right to accelerate, terminate, modify or cancel any Contract or Permit to which Seller is a party or by which Seller or the Business is bound or to which any of the Purchased Assets are subject (including any Assigned Contract); or (d) result in the creation or imposition of any Encumbrance other than Permitted Encumbrances on the Purchased Assets. No consent, approval, Permit, Governmental Order, declaration or filing with, or notice to, any Governmental

Authority is required by or with respect to Seller in connection with the execution and delivery of this Agreement or any of the Ancillary Documents and the consummation of the transactions contemplated hereby and thereby.

Section 4.04 Material Contracts.

(a) Section 4.04(a) of the Disclosure Schedules lists each of the following Contracts (x) by which any of the Purchased Assets are bound or affected or (y) to which Seller is a party or by which it is bound in connection with the Business or the Purchased Assets (such Contracts, together with all Contracts concerning the occupancy, management or operation of any Real Property (including without limitation, brokerage contracts) listed or otherwise disclosed in Section 4.07(a) of the Disclosure Schedules, being "*Material Contracts*"):

None of Seller or, to Seller's Knowledge, any other party thereto is in breach of or default under (or is alleged to be in breach of or default under), or has provided or received any notice of any intention to terminate, any Material Contract. No event or circumstance has occurred that, with notice or lapse of time or both, would constitute an event of default under any Material Contract or result in a termination thereof or would cause or permit the acceleration or other changes of any right or obligation or the loss of any benefit thereunder. Complete and correct copies of each Material Contract (including all modifications, amendments and supplements thereto and waivers thereunder) have been made available to Buyer. There are no material disputes pending or threatened under any Contract included in the Purchased Assets.

each property, the address, location, and use. Seller has delivered to Buyer copies of the deeds and other instruments (as recorded) by which Seller acquired such parcel of Owned Real Property, and copies of all title insurance policies, opinions, abstracts and surveys in the possession of Seller with respect to such parcel. Seller has delivered to Buyer a true and complete copy of each Lease. With respect to each Lease:

(i) such Lease is valid, binding, enforceable and in full force and effect, and Seller enjoys peaceful and undisturbed possession of the Leased Real Property;

(ii) Seller is not in breach or default under such Lease, and no event has occurred or circumstance exists which, with the delivery of notice, passage of time or both, would constitute such a breach or default, and Seller has paid all rent due and payable under such Lease;

(iii) Seller has not received nor given any notice of any default or event that with notice or lapse of time, or both, would constitute a default by Seller under any of the Leases and, to the Knowledge of Seller, no other party is in default thereof, and no party to any Lease has exercised any termination rights with respect thereto;

(iv) Seller has not subleased, assigned or otherwise granted to any Person the right to use or occupy such Leased Real Property or any portion thereof; and

(d) The Real Property is sufficient for the continued conduct of the Business after the Closing in substantially the same manner as currently conducted after Seller's temporary suspension of hospital services at the Peru Hospital and constitutes all of the real property necessary to conduct the Business as currently conducted.

There are no claims related to the Business, the Purchased Assets or the Assumed Liabilities pending under any such Insurance Policies as to which coverage has been questioned, denied or disputed or in respect of which there is an outstanding reservation of rights. Neither Seller nor any of its Affiliates has received any written notice of cancellation of, premium increase with respect to, or alteration of coverage under, any of such Insurance Policies. All premiums due on such Insurance Policies have either been paid or, if not yet due, accrued. All such Insurance Policies (a) are in full force and effect and enforceable in accordance with their terms; (b) are provided by carriers who are financially solvent; and (c) have not been subject to any lapse in coverage. No event has occurred or circumstances exist that may give rise to, or serve as a basis for, any such Action.

(b) There are no outstanding Governmental Orders and no unsatisfied judgments, penalties or awards against, relating to or affecting the Business.

Section 4.10 Compliance With Laws; Permits.

(a) Seller has complied, and is now complying, with all Laws, including all Health Care Laws, applicable to the conduct of the Business as conducted immediately prior to the date on which Seller suspended the provision of hospital services at the Peru Hospital or the ownership and use of the Purchased Assets. All submissions of claims to any Federal or State healthcare program have complied with all applicable Laws.

(b) All Permits required for Seller to conduct the Business as currently conducted after Seller's temporary suspension of hospital services at the Peru Hospital or for the ownership and use of the Purchased Assets have been obtained by Seller and are valid and in full force and effect. Section 4.11 Environmental Matters.

(a) The operations of Seller with respect to the Business and the Purchased Assets are currently and have been in compliance with all Environmental Laws. With respect to any such Environmental Permits, Seller has undertaken, or will undertake prior to the Closing Date, all measures necessary to facilitate transferability of the same, and Seller is not aware of any condition, event or circumstance that might prevent or impede the transferability of the

same, and has not received any Environmental Notice or written communication regarding any material adverse change in the status or terms and conditions of the same.

(h) Seller is not aware of or reasonably anticipates, as of the Closing Date, any condition, event or circumstance concerning the Release or regulation of Hazardous Materials that might, after the Closing Date, prevent, impede or materially increase the costs associated with the ownership, lease, operation, performance or use of the Business or the Purchased Assets as currently carried out.

Section 5.02 Authority of Buyer. Buyer has full corporate power and authority to enter into this Agreement and the Ancillary Documents to which Buyer is a party, to carry out its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery by Buyer of this Agreement and any Ancillary Document to which Buyer is a party, the performance by Buyer of its obligations hereunder and thereunder and the consummation by Buyer of the transactions contemplated hereby and thereby have been duly authorized by all requisite corporate action on the part of Buyer. This Agreement has been duly executed and delivered by Buyer, and (assuming due authorization, execution and delivery by Seller) this Agreement constitutes a legal, valid and binding obligation of Buyer enforceable against Buyer in accordance with its terms. When each Ancillary Document to which Buyer is or will be a party has been duly executed and delivered by Buyer (assuming due authorization, execution and delivery by each other party thereto), such Ancillary Document will constitute a legal and binding obligation of Buyer enforceable against it in accordance with its terms.

Section 5.03 No Conflicts; Consents. The execution, delivery and performance by Buyer of this Agreement and the Ancillary Documents to which it is a party, and the consummation of the transactions contemplated hereby and thereby, do not and will not: (a) conflict with or result in a violation or breach of, or default under, any provision of the articles of incorporation, bylaws or other organizational documents of Buyer; (b) conflict with or result in a violation or breach of any provision of any Law or Governmental Order applicable to Buyer; or (c) require the consent, notice or other action by any Person under any Contract to which Buyer is a party. ARTICLE VI.
COVENANTS

Section 6.01 Conduct of Business Prior to the Closing. From the date hereof until the Closing, except as otherwise provided in this Agreement or consented to in writing by Buyer (which consent shall not be unreasonably withheld, conditioned or delayed), Seller shall (x) conduct the Business in the ordinary course of business consistent with past practice; and (y) use reasonable best efforts to maintain and preserve intact its current Business organization and

operations. Without limiting the foregoing, from the date hereof until the Closing Date, Seller shall:

(a) preserve and maintain all Permits required for the ownership and use of the Purchased Assets;

(b) maintain the Peru Hospital as an "existing health care facility," as such term is defined at 77 Ill. Admin. Code § 1130.140;

(c) transfer to the Peru Hospital the personal property described in Section 6.01(c) of the Disclosure Schedules, which was located in such facility immediately prior to the date on which Seller suspended the provision of hospital services at such facility, to the extent such personal property was transferred to other facilities operated by Seller;

(d) pay the Taxes of the Business when due;

(e) maintain the properties and assets included in the Purchased Assets in the same condition as they were on the date of this Agreement, subject to reasonable wear and tear;

(f) continue in full force and effect without modification all Insurance Policies, except as required by applicable Law;

(g) defend and protect the properties and assets included in the Purchased Assets from infringement or usurpation;

(h) perform all of its obligations under all Assigned Contracts; and

(i) comply in all material respects with all Laws applicable to the conduct of the Business or the ownership and use of the Purchased Assets.

Section 6.02 Access to Information. From the date hereof until the Closing, Seller shall (a) afford Buyer and its Representatives full and free access to and the right to inspect all of the Real Property, properties, assets, premises, Contracts and other documents and data related to the Business; (b) furnish Buyer and its Representatives with such financial, operating and other data and information related to the Business as Buyer or any of its Representatives may reasonably request; and (c) instruct the Representatives of Seller to cooperate with Buyer in its investigation of the Business. Without limiting the foregoing, Seller shall permit Buyer and its Representatives to conduct environmental due diligence of the Real Property, including the collecting and analysis of samples of indoor or outdoor air, potentially hazardous building materials, surface water, groundwater or surface or subsurface land on, at, in, under or from the Real Property. Any investigation pursuant to this Section 6.02 shall be conducted in such manner as not to interfere unreasonably with the conduct of the Business or any other businesses of Seller. No investigation by Buyer or other information received by Buyer shall operate as a waiver or otherwise affect any representation, warranty or agreement given or made by Seller in this Agreement.

Section 6.03 No Solicitation of Other Bids.

(a) Seller shall not, and shall not authorize or permit any of its Affiliates or any of its or their Representatives to, directly or indirectly, (i) encourage, solicit, initiate, facilitate or continue inquiries regarding an Acquisition Proposal; (ii) enter into discussions or negotiations with, or provide any information to, any Person concerning a possible Acquisition Proposal; or (iii) enter into any agreements or other instruments (whether or not binding) regarding an Acquisition Proposal. Seller shall immediately cease and cause to be terminated, and shall cause its Affiliates and all of its and their Representatives to immediately cease and cause to be terminated, all existing discussions or negotiations with any Persons conducted heretofore with respect to, or that could lead to, an Acquisition Proposal. For purposes hereof, "*Acquisition Proposal*" means any inquiry, proposal or offer from any Person (other than Buyer or any of its Affiliates) relating to the direct or indirect disposition, whether by sale, merger or otherwise, of all or any portion of the Business or the Purchased Assets.

(b) In addition to the other obligations under this Section 6.03, Seller shall promptly (and in any event within three Business Days after receipt thereof by Seller or its Representatives) advise Buyer orally and in writing of any Acquisition Proposal, any request for information with respect to any Acquisition Proposal, or any inquiry with respect to or which could reasonably be expected to result in an Acquisition Proposal, the material terms and conditions of such request, Acquisition Proposal or inquiry, and the identity of the Person making the same.

(c) Seller agrees that the rights and remedies for noncompliance with this Section 6.03 shall include having such provision specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to Buyer and that money damages would not provide an adequate remedy to Buyer.

Section 6.04 Notice of Certain Events.

(a) From the date hereof until the Closing, Seller shall promptly notify Buyer in writing of:

(i) any fact, circumstance, event or action the existence, occurrence or taking of which (A) has had, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (B) has resulted in, or could reasonably be expected to result in, any representation or warranty made by Seller hereunder not being true and correct or (C) has resulted in, or could reasonably be expected to result in, the failure of any of the conditions set forth in Section 7.02 to be satisfied;

(ii) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement;

(iii) any notice or other communication from any Governmental Authority in connection with the transactions contemplated by this Agreement; and

(iv) any Actions commenced or, to Seller's Knowledge, threatened against, relating to or involving or otherwise affecting the Business, the Purchased Assets or the Assumed Liabilities that, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to Section 4.09 or that relates to the consummation of the transactions contemplated by this Agreement, including but not limited to any proceeding in Bankruptcy Court.

(b) Buyer's receipt of information pursuant to this Section 6.04 shall not operate as a waiver or otherwise affect any representation, warranty or agreement given or made by Seller in this Agreement (including Section 8.02 and Section 9.01(b)) and shall not be deemed to amend or supplement the Disclosure Schedules.

Section 6.05 Employees and Employee Benefits.

(a) Notwithstanding any recruitment incentives that Buyer might choose to offer to former employees of Seller, Buyer shall have no obligation to employ any employee of Seller either on or after the Closing Date. However, Buyer shall use reasonable efforts to offer employment (which will be on an "at will" basis unless otherwise agreed to by Buyer), to those employees of Seller who are determined by Buyer to be eligible and necessary for employment under Buyer's employment policies, practices, and planned operations upon the reopening of the Peru Hospital by Buyer. Prior to the Closing Date, Seller's employees may apply for open positions at any of Buyer's locations. Seller shall not take any action to prohibit or discourage any employee of Seller from entering into an employment relationship with Buyer or any of its Affiliates as of the Closing Date, and shall waive any applicable restrictive covenants that would affect an employee's ability to become an employee of Buyer or any of its Affiliates as of the Closing Date.

(b) Seller shall be solely responsible, and Buyer shall have no obligations whatsoever for, any compensation or other amounts payable to any current or former employee, officer, director, independent contractor or consultant of the Business, including, without limitation, hourly pay, commission, bonus, salary, accrued vacation, fringe, pension or profit sharing benefits or severance pay for any period relating to the service with Seller at any time on or prior to the Closing Date and Seller shall pay all such amounts to all entitled persons on or prior to the Closing Date.

(c) Seller shall remain solely responsible for the satisfaction of all claims for medical, dental, life insurance, health accident or disability benefits brought by or in respect of current or former employees, officers, directors, independent contractors or consultants of the Business or the spouses, dependents or beneficiaries thereof, which claims relate to events occurring on or prior to the Closing Date. Seller also shall remain solely responsible for all worker's compensation claims of any current or former employees, officers, directors, independent contractors or consultants of the Business

which relate to events occurring on or prior to the Closing Date. Seller shall pay, or cause to be paid, all such amounts to the appropriate persons as and when due.

(d) In the case of employees of Seller whose positions are eliminated by Seller, who transition employment directly to Buyer on or prior to December 31, 2023 and provide proof of their hire date at Seller, Buyer will consider recognizing and providing credit for periods of service with Seller prior to the Closing for purposes of paid time off benefits and service awards.

Section 6.06 Confidentiality. Buyer and Seller acknowledge and agree that the Confidentiality Agreement remains in full force and effect and, in addition, covenant and agree to keep confidential, in accordance with the provisions of the Confidentiality Agreement, information provided pursuant to this Agreement other than what is necessary for the Seller to obtain approval of the Bankruptcy Court for this transaction and seek competing bids, if applicable. If this Agreement is, for any reason, terminated prior to the Closing, the Confidentiality Agreement and the provisions of this Section 6.06 shall nonetheless continue in full force and effect.

Section 6.07 Governmental Approvals and Consents.

(a) Each party hereto shall, as promptly as possible, (i) make, or cause or be made, all filings and submissions required under any Law applicable to such party or any of its Affiliates; and (ii) use reasonable best efforts to obtain, or cause to be obtained, all consents, authorizations, orders and approvals from all Governmental Authorities that may be or become necessary for its execution and delivery of this Agreement and the performance of its obligations pursuant to this Agreement and the Ancillary Documents. Each party shall cooperate fully with the other party and its Affiliates in promptly seeking to obtain all such consents, authorizations, orders and approvals. The parties hereto shall not willfully take any action that will have the effect of delaying, impairing or impeding the receipt of any required consents, authorizations, orders and approvals.

(b) Seller and Buyer shall use reasonable best efforts to give all notices to, and obtain all consents from, all third parties that are described in Section 4.03 and Section 5.03 of the Disclosure Schedules, including but not limited to any necessary consents from the Catholic Church in relation to the sale by Seller to Buyer of the Purchased Assets.

(c) Without limiting the generality of the parties' undertakings pursuant to subsections (a) and (b) above, each of the parties hereto shall use all reasonable best efforts to:

(i) respond to any inquiries by any Governmental Authority regarding antitrust or other matters with respect to the transactions contemplated by this Agreement or any Ancillary Document;

(ii) avoid the imposition of any order or the taking of any action that would restrain, alter or enjoin the transactions contemplated by this Agreement or any Ancillary Document; and

(iii) in the event any Governmental Order adversely affecting the ability of the parties to consummate the transactions contemplated by this Agreement or any Ancillary Document has been issued, to have such Governmental Order vacated or lifted.

(d) All analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals made by or on behalf of either party before any Governmental Authority or the staff or regulators of any Governmental Authority, in connection with the transactions contemplated hereunder (but, for the avoidance of doubt, not including any interactions between Seller or Buyer with Governmental Authorities in the ordinary course of business, any disclosure which is not permitted by Law or any disclosure containing confidential information) shall be disclosed to the other party hereunder in advance of any filing, submission or attendance, it being the intent that the parties will consult and cooperate with one another, and consider in good faith the views of one another, in connection with any such analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals. Each party shall give notice to the other party with respect to any meeting, discussion, appearance or contact with any Governmental Authority or the staff or regulators of any Governmental Authority, with such notice being sufficient to provide the other party with the opportunity to attend and participate in such meeting, discussion, appearance or contact.

(e) Without limiting the provisions of Section 6.07(d), the parties acknowledge and agree that they intend to seek from the Illinois Health Facilities and Services Review Board a Certificate of Exemption for the Change of Ownership of the Peru Hospital. The parties shall use reasonable best efforts to cooperate in the preparation and submission of the relevant application materials and in the presentation of such application during any relevant public hearings and/or meetings of the Illinois Health Facilities and Services Review Board.

(f) The parties acknowledge and agree that Buyer intends to refuse to accept assignment of Seller's Medicare provider agreements with respect to all facilities owned and operated by Seller other than the Rural Health Clinic, including but not limited to the Peru Hospital and its swing-bed unit, and any rural health clinic other than the Rural Health Clinic, meaning that the existing Medicare provider agreements related to such facilities shall be terminated effective as of the Closing Date. In connection with such refusal to accept assignment, Seller acknowledges that Buyer intends to notify the relevant CMS Regional Office not less than forty-five (45) days prior to the Closing Date, as required under Section 3210.5A of Chapter 3 of Pub. 100-07 – State Operations Manual. Seller shall use reasonable best efforts to cooperate in the transition of services at the affected facilities to Buyer's existing Medicare provider agreements, as such may be amended. With respect to the Rural Health Clinic, Seller shall notify the CMS Regional Office of the CHOW prior to the Closing Date as required under Section 3210.1B1 of Chapter 3 of Pub. 100-07 – State Operations Manual, in accordance with the provisions of Section 6.07(d).

(g) Notwithstanding the foregoing, nothing in this Section 6.07 shall require, or be construed to require, Buyer or any of its Affiliates to agree to (i) sell, hold, divest, discontinue or limit, before or after the Closing Date, any assets, businesses or interests of Buyer or any of its Affiliates; (ii) any conditions relating to, or changes or restrictions in, the operations of any such assets, businesses or interests which, in either case, could reasonably be expected to result in a Material Adverse Effect or materially and adversely impact the economic or business benefits to Buyer of the transactions contemplated by this Agreement and the Ancillary Documents; or (iii) any material modification or waiver of the terms and conditions of this Agreement.

Section 6.08 Medical Staff Membership. The parties acknowledge and agree that it is the Buyer's intent to operate the Peru Hospital following the Closing Date under the license of the acute-care hospital facility, located at 1100 E. Norris Drive, Ottawa, Illinois, that is owned and operated by SEMC, an Affiliate of Buyer (such license modified as necessary upon application to the Illinois Department of Public Health prior to the Closing Date). Buyer shall use reasonable efforts to make applications for medical staff membership and clinical privileges at the combined, two-campus hospital facility available to the physicians and other health care providers who are members of the medical staff of the Peru Hospital as of the date of this Agreement, and to process such applications in accordance with Buyer's policies and procedures. Nothing in this Agreement may be construed as a guarantee of the grant of medical staff membership or clinical privileges to any physician or other health care provider based on his or her status as a medical staff member of the Peru Hospital or otherwise.

Section 6.09 Provision of Medical Services to the Indigent. The parties acknowledge that Buyer has in place a Financial Assistance Policy that provides for the rendering of medically necessary care to people of every faith and ethnic background, regardless of their ability to pay. Buyer hereby expresses its intent to provide, via the Purchased Assets, needed health care to patients in accordance with such Financial Assistance Policy and all applicable Laws governing the rendering of medical services to indigent and/or uninsured individuals.

Section 6.10 Release of Guarantees. To the extent that Seller or any of its Affiliates are named as a guarantor with respect to any of the Purchased Assets, the parties shall use reasonable best efforts to cooperate with each other and take such actions as may be reasonably necessary to obtain from applicable third parties releases of such guarantees effective as of the Closing Date. The parties acknowledge and agree that the release of such guarantees is not a condition to closing the transactions contemplated by this Agreement or any Ancillary Document.

Section 6.11 Books and Records.

(a) In order to facilitate the resolution of any claims made against or incurred by Seller prior to the Closing, or for any other reasonable purpose, and in order to allow Seller to fulfill its fiduciary and statutory obligations under the Bankruptcy Code, as applicable, for a period of five (5) years after the Closing, Buyer shall:

(i) retain any books and records included in the Purchased Assets relating to periods prior to the Closing; and

(ii) upon reasonable notice, afford the Seller's Representatives reasonable access (including the right to make, at Seller's expense, photocopies), during normal business hours, to such books and records.

(b) In order to facilitate the resolution of any claims made by or against or incurred by Buyer after the Closing, or for any other reasonable purpose, for a period of five (5) years following the Closing, Seller shall:

(i) retain the books and records of Seller which relate to the Business and its operations for periods prior to the Closing; and

(ii) upon reasonable notice, afford the Buyer's Representatives reasonable access (including the right to make, at Buyer's expense, photocopies), during normal business hours, to such books and records.

(c) Neither Buyer nor Seller shall be obligated to provide the other party with access to any books or records pursuant to this Section 6.11 where such access would violate any Law.

Section 6.12 Medical Records; Notices to Patients. Seller represents and warrants that all patient lists and patient medical records that pertain to or are maintained in connection with the Business (the "*Medical Records*") are maintained in an electronic medical record system licensed by Seller. As set forth in Section 2.02(g), the Medical Records shall not be considered a part of the Purchased Assets for purposes of this Agreement. On or prior to the Closing Date, Seller shall deliver to all the patients of the Business whose records are contained in the Medical Records a notice, in substantially the form attached hereto as Exhibit H, indicating that Seller has sold the Purchased Assets to Buyer, that the health care services provided in the facilities comprising the Real Property will be under the auspices of Buyer, and that if they desire to continue receiving medical services in such facilities, they should contact Seller to request that their medical records be transferred to Buyer. Seller shall use reasonable best efforts, both before and after the Closing Date, to cooperate with Buyer in the transfer of copies of such Medical Records to Buyer, in order that Buyer may make use of such Medical Records in the care and treatment of patients who seek health care services from Buyer following the Closing Date. Seller shall maintain the Medical Records in accordance with applicable Law.

Section 6.13 Closing Conditions. From the date hereof until the Closing, each party hereto shall use reasonable best efforts to take such actions as are necessary to expeditiously satisfy the closing conditions set forth in Article VII hereof.

Section 6.14 Public Announcements. Unless otherwise required by applicable Law (based upon the reasonable advice of counsel), no party to this Agreement shall make any public announcements in respect of this Agreement or the transactions contemplated hereby or otherwise communicate with any news media without the prior written consent of the other party (which consent shall not be unreasonably withheld, conditioned or delayed), and the parties shall cooperate as to the timing and contents of any such announcement.

Section 6.15 Bulk Sales Laws. The parties hereby waive compliance with the provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise

be applicable with respect to the sale of any or all of the Purchased Assets to Buyer; it being understood that any Liabilities arising out of the failure of Seller to comply with the requirements and provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction which would not otherwise constitute Assumed Liabilities shall be treated as Excluded Liabilities.

Section 6.16 Transfer Taxes. All transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred in connection with this Agreement and the Ancillary Documents (including any real property transfer Tax and any other similar Tax) shall be borne and paid by Buyer when due. Buyer shall, at its own expense, timely file any Tax Return or other document with respect to such Taxes or fees (and Seller shall cooperate with respect thereto as necessary).

Section 6.17 Tax Clearance Certificates. Seller shall notify all of the taxing authorities in the jurisdictions that impose Taxes on Seller or where Seller has a duty to file Tax Returns of the transactions contemplated by this Agreement in the form and manner required by such taxing authorities, if the failure to make such notifications or receive any available tax clearance certificate (a "*Tax Clearance Certificate*") could subject the Buyer to any Taxes of Seller. If any taxing authority asserts that Seller is liable for any Tax, Seller shall promptly pay any and all such amounts and shall provide evidence to the Buyer that such liabilities have been paid in full or otherwise satisfied. In the event a required Tax Clearance Certificate is not delivered to Buyer on or prior to Closing, as required by Section 7.02(n), Buyer shall be entitled to deduct and withhold from the Purchase Price all Taxes that Buyer may be required to deduct and withhold under any provision of Tax Law. All such withheld amounts shall be treated as delivered to Seller hereunder.

Section 6.18 Further Assurances. Following the Closing, each of the parties hereto shall, and shall cause their respective Affiliates to, execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably required to carry out the provisions hereof and give effect to the transactions contemplated by this Agreement and the Ancillary Documents.

ARTICLE VII.

(b) Seller shall have received all consents, authorizations, orders and approvals from the Governmental Authorities referred to in Section 4.03 and Buyer shall

have received all consents, authorizations, orders and approvals from the Governmental Authorities referred to in Section 5.03, in each case, in form and substance reasonably satisfactory to Buyer and Seller, and no such consent, authorization, order and approval shall have been revoked.

The representations and warranties of Seller contained in Section 4.01, Section 4.02, Section 4.03(a) and Section 4.13 shall be true and correct in all respects on and as of the date hereof and on and as of the Closing Date with the same effect as though made at and as of such date (except those representations and warranties that address matters only as of a specified date, the accuracy of which shall be determined as of that specified date in all respects).

(b) Seller shall have duly performed and complied in all material respects with all agreements, covenants and conditions required by this Agreement and each of the Ancillary Documents to be performed or complied with by it prior to or on the Closing Date; *provided, that*, with respect to agreements, covenants and conditions that are qualified by materiality, Seller shall have performed such agreements, covenants and conditions, as so qualified, in all respects.

(c) No Action shall have been commenced against Buyer or Seller, which would prevent the Closing. No injunction or restraining order shall have been issued by any Governmental Authority, and be in effect, which restrains or prohibits any transaction contemplated hereby.

(d) All approvals, consents and waivers that are listed on Section 4.03 of the Disclosure Schedules shall have been received, and executed counterparts thereof shall have been delivered to Buyer at or prior to the Closing.

(e) From the date of this Agreement, there shall not have occurred any Material Adverse Effect, nor shall any event or events have occurred that, individually or in the aggregate, with or without the lapse of time, could reasonably be expected to result in a Material Adverse Effect.

(f) Seller shall have delivered to Buyer duly executed counterparts to the Ancillary Documents and such other documents and deliveries set forth in Section 3.02(a).

(g) Buyer shall have received all Permits that are necessary for it to conduct the Business as conducted by Seller as of the Closing Date.

(h) Buyer shall have received (at Seller's expense) an owner's title insurance policy with respect to each Owned Real Property, issued by a nationally recognized title insurance company acceptable to Buyer, written as of the Closing Date, insuring Buyer in such amounts and together with such endorsements, and otherwise in such form, as Buyer shall require. Such title insurance policy shall insure fee simple title to each Owned Real Property, free and clear of all Encumbrances other than Permitted Encumbrances. Buyer shall have received (at Seller's expense) an appropriately certified ALTA/NSPS Land Title Survey showing no Encumbrances other than the Permitted Encumbrances, and otherwise in form and substance satisfactory to Buyer, for each of the Owned Real Properties.

(i) All Encumbrances relating to the Purchased Assets shall have been released in full, other than Permitted Encumbrances, and Seller shall have delivered to Buyer written evidence, in form satisfactory to Buyer in its sole discretion, of the release of such Encumbrances.

(j) Buyer shall have received a certificate, dated as of the Closing Date and signed by a duly authorized officer of Seller, that each of the conditions set forth in Section 7.02(a) and Section 7.02(b) have been satisfied (the "*Seller Closing Certificate*").

(k) Buyer shall have received a certificate of the Secretary (or equivalent officer) of Seller certifying that attached thereto are true and complete copies of all resolutions adopted by the board of directors of Seller authorizing the execution, delivery and performance of this Agreement and the Ancillary Documents and the consummation of the transactions contemplated hereby and thereby, and that all such resolutions are in full force and effect and are all the resolutions adopted in connection with the transactions contemplated hereby and thereby.

(l) Buyer shall have received a certificate of the Secretary (or equivalent officer) of Seller certifying the names and signatures of the officers of Seller authorized to sign this Agreement, the Ancillary Documents and the other documents to be delivered hereunder and thereunder.

(o) Buyer shall have received evidence that Seller has obtained, at its sole cost and expense, an extended reporting endorsement to the Insurance Policies, if such policies have been maintained on a "claims-made" basis, covering any claims made or occurrences relating to or resulting from any event that occurred prior to the Closing Date.

(p) Buyer shall have received evidence that Seller has transferred to the Peru Hospital the personal property described in Section 6.01(c).

(q) The Illinois Health Facilities and Services Review Board shall have granted a Certificate of Exemption in connection with (i) the change of ownership of the Peru Hospital from Seller to Buyer, and (ii) the discontinuation at the Peru Hospital of any "category of service" (as such term is defined at 77 Ill. Admin. Code § 1100.220), if any, as of the Closing Date determined to be necessary by Buyer in its sole discretion.

(r) The Illinois Department of Public Health shall have granted a license to operate the Peru Hospital and SEMC's hospital facility located at 1100 East Norris Drive, Ottawa, Illinois, under a single acute-care hospital license.

(s) Buyer shall have completed its due diligence investigation of the Business, and shall, in its reasonable discretion, be satisfied with the results of such due diligence investigation.

(t) Seller shall have delivered to Buyer such other documents or instruments as Buyer reasonably requests and are reasonably necessary to consummate the transactions contemplated by this Agreement.

Section 7.03 Conditions to Obligations of Seller. The obligations of Seller to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or Seller's waiver, at or prior to the Closing, of each of the following conditions:

(a) Other than the representations and warranties of Buyer contained in Section 5.01, Section 5.02, Section 5.03 and Section 5.04, the representations and warranties of Buyer contained in this Agreement, the Ancillary Documents and any certificate or other writing delivered pursuant hereto shall be true and correct in all respects (in the case of any representation or warranty qualified by materiality or Material Adverse Effect) or in all material respects (in the case of any representation or warranty not qualified by materiality or material adverse effect) on and as of the date hereof and on and as of the Closing Date with the same effect as though made at and as of such date (except those representations and warranties that address matters only as of a specified date, the accuracy of which shall be determined as of that specified date in all respects). The representations and warranties of Buyer contained in Section 5.01, Section 5.02, Section 5.03(a) and Section 5.04 shall be true and correct in all respects on and as of the date hereof and on and as of the Closing Date with the same effect as though made at and as of such date.

(b) Buyer shall have duly performed and complied in all material respects with all agreements, covenants and conditions required by this Agreement and each of the Ancillary Documents to be performed or complied with by it prior to or on the Closing Date.

(c) No injunction or restraining order shall have been issued by any Governmental Authority, and be in effect, which restrains or prohibits any material transaction contemplated hereby.

(d) All approvals, consents and waivers that are listed on Section 5.03 of the Disclosure Schedules shall have been received, and executed counterparts thereof shall have been delivered to Seller at or prior to the Closing.

(e) Buyer shall have delivered to Seller duly executed counterparts to the Ancillary Documents and such other documents and deliveries set forth in Section 3.02(b).

(f) Buyer shall have delivered the Indemnification Escrow Amount to the Escrow Agent pursuant to Section 3.02(c).

(g) Seller shall have received a certificate, dated the Closing Date and signed by a duly authorized officer of Buyer, that each of the conditions set forth in Section 7.03(a) and Section 7.03(b) have been satisfied (the "*Buyer Closing Certificate*").

(h) Seller shall have received a certificate of the Secretary (or equivalent officer) of Buyer certifying that attached thereto are true and complete copies of all resolutions adopted by the board of directors of Buyer authorizing the execution, delivery and performance of this Agreement and the Ancillary Documents and the consummation of the transactions contemplated hereby and thereby, and that all such resolutions are in full force and effect and are all the resolutions adopted in connection with the transactions contemplated hereby and thereby.

(i) Seller shall have received a certificate of the Secretary (or equivalent officer) of Buyer certifying the names and signatures of the officers of Buyer authorized to sign this Agreement, the Ancillary Documents and the other documents to be delivered hereunder and thereunder.

(j) Buyer shall have delivered to Seller such other documents or instruments as Seller reasonably requests and are reasonably necessary to consummate the transactions contemplated by this Agreement.

ARTICLE VIII.
INDEMNIFICATION

Section 8.01 Survival. Subject to the limitations and other provisions of this Agreement, the representations and warranties contained herein shall survive the Closing and shall remain in full force and effect until the date that is two years from the Closing Date; *provided, that* the representations and warranties in (i) Section 4.01, Section 4.02, Section 4.03,

Section 4.13, Section 5.01, Section 5.02, Section 5.03 and Section 5.04 shall survive indefinitely, and (ii) Section 4.12 shall survive for the full period of all applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus 60 days. All covenants and agreements of the parties contained herein shall survive the Closing indefinitely or for the period explicitly specified therein. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the non-breaching party to the breaching party prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved.

Section 8.02 Indemnification By Seller. Subject to the other terms and conditions of this Article VIII, from and after Closing, Seller shall indemnify and defend each of Buyer and its Affiliates and their respective Representatives (collectively, the "*Buyer Indemnitees*") against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Buyer Indemnitees based upon, arising out of, with respect to or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties of Seller contained in this Agreement, the Ancillary Documents or in any certificate or instrument delivered by or on behalf of Seller pursuant to this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date);

(b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Seller pursuant to this Agreement, the Ancillary Documents or any certificate or instrument delivered by or on behalf of Seller pursuant to this Agreement;

(c) any Excluded Asset or any Excluded Liability; or

(d) any Third-Party Claim based upon, resulting from or arising out of the business, operations, properties, assets or obligations of Seller or any of its Affiliates conducted, existing or arising on or prior to the Closing Date.

Section 8.03 Certain Limitations. The indemnification provided for in Section 8.02 shall be subject to the following limitations:

(a) Seller shall not be liable to the Buyer Indemnitees for indemnification under Section 8.02(a) until the aggregate amount of all Losses in respect of indemnification under Section 8.02(a) exceeds $190,000.00 (the "*Basket*"), in which event Seller shall be required to pay or be liable for all such Losses from the first dollar. The aggregate amount of all Losses for which Seller shall be liable pursuant to Section 8.02(a) shall not exceed $38,000,000.00 (the "*Cap*").

(b) Notwithstanding the foregoing, the limitations set forth in Section 8.03(a) shall not apply to Losses based upon, arising out of, with respect to or by reason of any

inaccuracy in or breach of any representation or warranty in Section 4.01, Section 4.02, Section 4.03, Section 4.12, and Section 4.13.

(c) For purposes of this Article VIII (including for purposes of determining the existence of any inaccuracy in, or breach of, any representation or warranty and for calculating the amount of any Loss with respect thereto), any inaccuracy in or breach of any representation or warranty shall be determined without regard to any materiality, Material Adverse Effect or other similar qualification contained in or otherwise applicable to such representation or warranty.

Section 8.04 Indemnification Procedures.

(a) Third-Party Claims. If any of the Buyer Indemnitees receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of the foregoing (a "*Third-Party Claim*") against such Buyer Indemnitee with respect to which the Seller is obligated to provide indemnification under this Agreement, the Buyer shall give the Seller reasonably prompt written notice thereof, but in any event not later than thirty (30) calendar days after receipt of such notice of such Third-Party Claim. The failure to give such prompt written notice shall not, however, relieve the Seller of its indemnification obligations, except and only to the extent that the Seller forfeits rights or defenses by reason of such failure. Such notice by the Buyer shall describe the Third-Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Buyer Indemnitees. The Seller shall have the right to participate in, or by giving written notice to the Buyer, to assume the defense of any Third-Party Claim at the Seller's expense and by the Seller's own counsel, and the Buyer shall cooperate in good faith in such defense; *provided, that* Seller shall not have the right to defend or direct the defense of any such Third-Party Claim that seeks an injunction or other equitable relief against the Buyer Indemnitees. In the event that the Seller assumes the defense of any Third-Party Claim, subject to Section 8.04(b), it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third-Party Claim in the name and on behalf of the Buyer Indemnitees. The Buyer shall have the right to participate in the defense of any Third-Party Claim with counsel selected by it subject to the Seller's right to control the defense thereof. The fees and disbursements of such counsel shall be at the expense of the Buyer, *provided, that* if in the reasonable opinion of counsel to the Buyer, (A) there are legal defenses available to any of the Buyer Indemnitees that are different from or additional to those available to the Seller; or (B) there exists a conflict of interest between the Seller and the Buyer Indemnitees that cannot be waived, the Seller shall be liable for the reasonable fees and expenses of counsel to the Buyer Indemnitees in each jurisdiction for which the Buyer determines counsel is required. If the Seller elects not to compromise or defend such Third-Party Claim, fails to promptly notify the Buyer in writing of its election to defend as provided in this Agreement, or fails to diligently prosecute the defense of such Third-Party Claim, the Buyer may, subject to Section 8.04(b), pay, compromise, defend such Third-Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third-

Party Claim. Seller and Buyer shall cooperate with each other in all reasonable respects in connection with the defense of any Third-Party Claim, including making available (subject to the provisions of Section 6.06) records relating to such Third-Party Claim and furnishing, without expense (other than reimbursement of actual out-of-pocket expenses) to the defending party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third-Party Claim.

(b) Settlement of Third-Party Claims. Notwithstanding any other provision of this Agreement, the Seller shall not enter into settlement of any Third-Party Claim without the prior written consent of the Buyer, except as provided in this Section 8.04(b). If a firm offer is made to settle a Third-Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Buyer Indemnitees and provides, in customary form, for the unconditional release of each of the Buyer Indemnitees from all liabilities and obligations in connection with such Third-Party Claim and the Seller desires to accept and agree to such offer, the Seller shall give written notice to that effect to the Buyer. If the Buyer fails to consent to such firm offer within ten (10) days after its receipt of such notice, the Buyer may continue to contest or defend such Third-Party Claim and in such event, the maximum liability of the Seller as to such Third-Party Claim shall not exceed the amount of such settlement offer. If the Buyer fails to consent to such firm offer and also fails to assume defense of such Third-Party Claim, the Seller may settle the Third-Party Claim upon the terms set forth in such firm offer to settle such Third-Party Claim. If the Buyer has assumed the defense pursuant to Section 8.04(a), it shall not agree to any settlement without the written consent of the Seller (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) Direct Claims. Any Action by any of the Buyer Indemnitees on account of a Loss which does not result from a Third-Party Claim (a "*Direct Claim*") shall be asserted by the Buyer giving the Seller reasonably prompt written notice thereof, but in any event not later than thirty (30) days after the Buyer Indemnitees become aware of such Direct Claim. The failure to give such prompt written notice shall not, however, relieve the Seller of its indemnification obligations, except and only to the extent that the Seller forfeits rights or defenses by reason of such failure. Such notice by the Buyer shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Buyer Indemnitees. The Seller shall have thirty (30) days after its receipt of such notice to respond in writing to such Direct Claim. The Buyer shall allow the Seller and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and the Buyer shall assist the Seller's investigation by giving such information and assistance (including access to the Buyer's premises and personnel and the right to examine and copy any accounts, documents or records) as the Seller or any of its professional advisors may reasonably request. If the Seller does not so respond within such thirty (30)-day period, the Seller shall be deemed to have accepted such claim. If the Seller rejects such claim, the Buyer Indemnitees shall be free to pursue such remedies as may be available to the Buyer Indemnitees on the terms and subject to the provisions of this Agreement.

Section 8.05 Payments; Indemnification Escrow Fund.

(a) Once a Loss is agreed to by the Seller or finally adjudicated to be payable pursuant to this Article VIII, the Seller shall satisfy its obligations within fifteen (15) Business Days of such final, non-appealable adjudication by wire transfer of immediately available funds. The parties hereto agree that should the Seller not make full payment of any such obligations within such fifteen (15) Business Day period, any amount payable shall accrue interest from and including the date of agreement of the Seller or final, non-appealable adjudication to and including the date such payment has been made at a rate per annum equal to 9%. Such interest shall be calculated daily on the basis of a 365-day year and the actual number of days elapsed.

(b) Any Losses payable to a Buyer Indemnitee pursuant to this Article VIII shall be satisfied: (i) from the Indemnification Escrow Fund; and (ii) to the extent the amount of Losses exceeds the amounts available to the Buyer Indemnitee in the Indemnification Escrow Fund, from Seller.

Section 8.06 Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Law.

Section 8.07 Effect of Investigation. The representations, warranties and covenants of the Seller, and the Buyer Indemnitees' right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Buyer Indemnitees (including by any of its Representatives) or by reason of the fact that the Buyer or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or by reason of the Buyer's waiver of any condition set forth in Section 7.02 or Section 7.03, as the case may be.

ARTICLE IX.
TERMINATION

Section 9.01 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by the mutual written consent of Seller and Buyer;

(b) by Buyer by written notice to Seller if:

(i) Buyer is not then in material breach of any provision of this Agreement and there has been a breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Seller pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Article VII and such breach, inaccuracy or failure has not been cured by Seller within ten (10) days of Seller's receipt of written notice of such breach from Buyer; or

(ii) any of the conditions set forth in Section 7.01 or Section 7.02 shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled by January 27, 2024, unless such failure shall be due to the failure of Buyer to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by it prior to the Closing;

(c) by Seller by written notice to Buyer if:

(i) Seller is not then in material breach of any provision of this Agreement and there has been a breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Buyer pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Article VII and such breach, inaccuracy or failure has not been cured by Buyer within ten (10) days of Buyer's receipt of written notice of such breach from Seller; or

(ii) any of the conditions set forth in Section 7.01 or Section 7.03 shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled by January 27, 2024, unless such failure shall be due to the failure of Seller to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by it prior to the Closing; or

(d) by Buyer or Seller in the event that (i) there shall be any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited or (ii) any Governmental Authority shall have issued a Governmental Order restraining or enjoining the transactions contemplated by this Agreement, and such Governmental Order shall have become final and non-appealable.

Section 9.02 Effect of Termination. In the event of the termination of this Agreement in accordance with this Article, this Agreement shall forthwith become void and there shall be no liability on the part of any party hereto except:

(a) as set forth in this Article IX and Section 6.06 and Article X hereof; and

(b) that nothing herein shall relieve any party hereto from liability for any willful breach of any provision hereof.

ARTICLE X.

This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The Disclosure Schedules and Exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein.

Section 10.04 Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 10.05 Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 10.06 Entire Agreement. This Agreement and the Ancillary Documents constitute the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter, including but not limited to the letter of intent between the parties dated April 28, 2023. In the event of any inconsistency between the statements in the body of this Agreement and those in the Ancillary Documents, the Exhibits and Disclosure Schedules (other than an exception expressly set forth as such in the Disclosure Schedules), the statements in the body of this Agreement will control.

Section 10.07 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. Neither party may assign its rights or obligations hereunder without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed; *provided, however*, that prior to the Closing Date, Buyer may, without the prior written consent of Seller, assign all or any portion of its rights under this Agreement to one or more of its direct or indirect wholly-owned subsidiaries. No assignment shall relieve the assigning party of any of its obligations hereunder.

Section 10.08 No Third-Party Beneficiaries. Except as provided in Article VIII, this Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

Section 10.10 Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois without giving effect to any choice or conflict of law provision or rule (whether of the State of Illinois or any other jurisdiction).

(b) ANY LEGAL SUIT, ACTION OR PROCEEDING ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE ANCILLARY DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY MAY BE INSTITUTED IN THE FEDERAL COURTS OF THE UNITED STATES OF AMERICA OR THE COURTS OF THE STATE OF ILLINOIS IN EACH CASE LOCATED IN THE CITY OF PEORIA AND COUNTY OF PEORIA, AND EACH PARTY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING. THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY OBJECTION TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR ANY PROCEEDING IN SUCH COURTS AND IRREVOCABLY WAIVE AND AGREE NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT OR THE ANCILLARY DOCUMENTS IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE ANCILLARY DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. Section 10.11 Specific Performance. The parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled at law or in equity.

Section 10.12 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. 2. Escrow Deposit. Simultaneously with the execution and delivery of this Agreement, $5,700,000.00 (the "*Escrow Amount*") have been deposited, by wire transfer of immediately available funds, with the Escrow Agent pursuant to Section 3.02(c)(i) of the Purchase Agreement. The Escrow Amount, together with all interest, dividends, income, capital gains and other amounts earned thereon or derived therefrom ("*Escrow Income*") pursuant to the investments made on such amount pursuant to Section 3 (collectively with the Escrow Amount, the "*Escrow Funds*"), will be available to satisfy any Losses incurred or sustained by, or imposed upon, the Buyer Indemnitees that are recoverable by the Buyer Indemnitees against Seller pursuant to and in accordance with the provisions of Article VIII of the Purchase Agreement. The Escrow Agent hereby acknowledges receipt of such funds and agrees to hold the Escrow Amount in a separate and distinct account, as Escrow Agent for Seller and Buyer (the "*Escrow Account*"), subject to the terms and conditions of this Agreement. The Escrow Fund shall be held as a trust fund and shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any party hereto. The Escrow Agent shall not distribute or release the Escrow Funds except in accordance with the express terms and conditions of this Agreement.

3. Investment of Escrow Account. The Escrow Agent shall invest the Escrow Funds in the Escrow Account pursuant to joint written instructions signed by Seller and Buyer; *provided, however,* such investments shall be limited to:

(a) interest bearing deposits with maturity dates of ninety (90) days or less of any bank or trust company located within the United States, including one or more accounts maintained in the commercial banking department (if any) of the Escrow Agent, provided, that any such bank or trust company shall have capital and surplus of at least $500,000,000;

(b) certificates of deposit with maturity dates of ninety (90) days or less issued by the commercial banking department (if any) of the Escrow Agent, or of any bank or trust company located in the United States, provided, that any such bank or trust company shall have capital and surplus of at least $500,000,000;

(c) direct obligations of, or obligations guaranteed as to all principal and interest by, the United States, in each case with maturity dates of ninety (90) days or less;

(d) repurchase agreements with maturity dates of ninety (90) days or less that are fully secured as to payment of principal and interest by collateral consisting of obligations described in clauses (a) through (c) above; or

(e) any money market fund substantially all of which is invested in the investment categories described in clauses (b) through (d) above, including any money market fund managed by the Escrow Agent or any of its affiliates.

Written investment instructions, if any, shall specify the type and identity of the investments to be purchased and/or sold. In the absence of any instructions from Seller and Buyer as to the initial investment of the Escrow Funds, or any portion thereof, in the obligations described in clauses (a) through (e) above, the Escrow Funds, or such portion thereof, shall be invested in [NAME OF INVESTMENT ACCOUNT OR FUND]. The Escrow Agent is hereby authorized to execute purchases and sales of investments through the facilities of its own trading or capital markets operations or those of any affiliated entity. The Escrow Agent or any of its affiliates may receive compensation with respect to any investment directed hereunder, including, without limitation, charging an agency fee in connection with each transaction. The parties recognize and agree that the Escrow Agent will not provide supervision, recommendations or advice relating to either the investment of moneys held in the Escrow Account or the purchase, sale, retention or other disposition of any investment described herein. The Escrow Agent shall have the right to liquidate any investments held in order to provide funds necessary to make required payments under this Agreement. The Escrow Agent shall not have any liability for any loss sustained as a result of any investment in an investment made pursuant to the terms of this Agreement or as a result of any liquidation of an investment prior to its maturity or for the failure of the parties to give the Escrow Agent instructions to invest or reinvest the Escrow Funds. Any loss or expense incurred as a result of an investment will be borne by the Escrow Account.

4. Release of Escrow Funds. The Escrow Funds held pursuant to this Agreement are intended to provide a non-exclusive source of funds for the payment of any amounts which may

become payable in respect of the claims and matters described in Section 2 above, on or prior to the Distribution Date (as defined below). Except for tax distributions made pursuant to Section 10(d), the Escrow Funds shall only be distributed and released as follows:

(a) Indemnification Related Claims.

(i) At any time and from time to time on or prior to the second anniversary of the date of this Agreement (the "*Escrow Release Date*"), if any Buyer Indemnitee makes a claim for indemnity pursuant to and in accordance with Section 8.04 of the Purchase Agreement (a "*Claim*"), the Buyer Indemnitee (or Buyer on its behalf) shall deliver to the Escrow Agent and Seller a written notice (an "*Escrow Notice*") setting forth in reasonable detail the amount, nature, and basis of the Claim by the Buyer Indemnitee. If the Escrow Agent has not received a written objection to such Claim or portion thereof or the amount of such Claim from Seller within thirty (30) days following the Escrow Agent's and Seller's receipt of such Escrow Notice, then on the thirty-first (31st) day following such receipt, the Escrow Agent shall release, by wire transfer to an account or accounts designated by Buyer, an amount of Escrow Funds from the Escrow Account equal to the amount of such Claim.

(ii) If Seller in good faith delivers to the Escrow Agent and Buyer a written objection (a "*Dispute Notice*") to any Claim or portion thereof or the amount of such Claim within thirty (30) days following both the Escrow Agent's and Seller's receipt of such Escrow Notice, then the Escrow Agent shall not distribute to Buyer any portion of the Escrow Funds in the Escrow Account that is the subject of the Dispute Notice until the Escrow Agent receives either (A) joint written instructions signed by Seller and Buyer authorizing the release to Buyer of the portion of the Escrow Funds in the Escrow Account that is agreed upon as the amount recoverable in respect of the Dispute Notice or (B) a final and non-appealable order of any court of competent jurisdiction directing the release to Buyer of the portion of the Escrow Funds in the Escrow Account that is determined to be the amount recoverable in respect of the Dispute Notice; *provided,* that notwithstanding the foregoing, if Seller objects in part to the amount of the Claim, the Escrow Agent shall, after the lapse of the aforementioned thirty (30) day period, deliver to Buyer an amount from the Escrow Fund equal to the portion of the Claim not objected to by Seller. Upon receipt of such joint written instructions or such final and non-appealable order, as the case may be, the Escrow Agent shall release to Buyer such amount of the Escrow Funds in the Escrow Account in accordance with such written instructions or final and non-appealable order.

(b) Release of Remaining Escrow Funds.

(i) Within ten (10) Business Days of the Escrow Release Date (the "*Distribution Date*"), the Escrow Agent shall release to Seller, by wire transfer to an account or accounts designated by Seller, the remaining balance of the Escrow Funds in the Escrow Account, less the amount of all Unresolved Claims. For

purposes of this Agreement, the term "*Unresolved Claims*" shall mean, as of the Escrow Release Date, the aggregate amount of all Claims that are the subject of a Dispute Notice that have not previously been resolved or satisfied in accordance herewith or that were otherwise properly and timely asserted under this Agreement but otherwise unsatisfied as of the Escrow Release Date, including any Claims for which an Escrow Notice has been delivered but for which the thirty (30) day objection period has not expired as of the Escrow Release Date.

(ii) Unresolved Claims for which Seller has objected in accordance with subclauses (i) and (ii) of Section 4(a) shall be administered in accordance with subclause (ii) of Section 4(a). Upon the expiration of the thirty (30) day objection period for any Unresolved Claims for which no Dispute Notice has been delivered, the Escrow Agent shall release by wire transfer to an account or accounts designated by Buyer an amount of funds in the Escrow Account equal to the amount of such Unresolved Claim for which no Dispute Notice has been delivered. After the resolution of each Unresolved Claim, any remaining portion of the Escrow Funds in the Escrow Account not distributed to Buyer pursuant to the immediately preceding sentences and not subject to other Unresolved Claims shall be released by wire transfer promptly thereafter by the Escrow Agent to an account or accounts designated by Seller.

(c) Distributions Deemed Adjustments to Purchase Price. All distributions of the Escrow Funds to Buyer pursuant to this Agreement shall be deemed to be adjustments to the Purchase Price pursuant to the terms of the Purchase Agreement.

(d) Court Order. Notwithstanding any other provision in this Agreement to the contrary, the Escrow Agent shall disburse the Escrow Funds (or any portion thereof) in accordance with a notice from either Buyer or Seller of a final and non-appealable order from a court of competent jurisdiction, along with a copy of the order, pursuant to which such court has determined whether and to what extent Buyer or Seller are entitled to the Escrow Funds (or any portion thereof).

(e) Claims in Excess of the Escrow Fund. If at any time during the term of this Agreement the amount of any payment required to be made by the Escrow Agent to Buyer pursuant to Section 4(a) with respect to an Escrow Notice exceeds the amount of Escrow Funds in the Escrow Account, the Escrow Agent shall pay to Buyer the entire Escrow Fund (including any Escrow Income). Notwithstanding any such payment, the rights of Buyer under the Purchase Agreement shall not be satisfied or extinguished, and Buyer shall be entitled to recover from Seller the balance of any amounts owed to it thereunder.

5. Inspection Rights and Account Statements. Buyer and Seller shall have the right to inspect and obtain copies of the records of the Escrow Agent pertaining to this Agreement and to receive monthly reports of the status of the Escrow Account. On or before the tenth (10^{th}) Business Day following each month during the term hereof, the Escrow Agent shall deliver account statements to Buyer and Seller with respect to the Escrow Account for the prior month, which statements shall include the account balance, disbursements made pursuant to Section 4

hereof, Escrow Income earned during the preceding month, and the status of any Unresolved Claims.

6. Termination. This Agreement shall terminate when the entire Escrow Account has been distributed in accordance with Section 4 of this Agreement.

7. Conditions to Escrow. The Escrow Agent agrees to hold the Escrow Funds in the Escrow Account and to perform in accordance with the terms and provisions of this Agreement. Seller and Buyer agree that the Escrow Agent does not assume any responsibility for the failure of Seller or Buyer to perform in accordance with the Purchase Agreement or this Agreement. The acceptance by the Escrow Agent of its responsibilities hereunder is subject to the following terms and conditions, which the parties hereto agree shall govern and control with respect to the Escrow Agent's rights, duties, liabilities and immunities:

(a) The Escrow Agent shall have only those duties as are specifically provided herein, which shall be deemed purely ministerial in nature, and shall under no circumstance be deemed a fiduciary for any of the other parties to this Agreement. The Escrow Agent shall not be required to take any action hereunder involving any expense unless the payment of such expense is made or provided for in a manner reasonably satisfactory to it.

(b) The Escrow Agent shall be protected in acting upon any written notice, consent, receipt or other paper or document furnished to it, not only as to its due execution and validity and effectiveness of its provisions, but also as to the truth and accuracy of any information therein contained, which the Escrow Agent in good faith believes to be genuine and what it purports to be. Should it be necessary for the Escrow Agent to act upon any instructions, directions, documents or instruments issued or signed by or on behalf of any corporation, fiduciary or individual acting on behalf of another party hereto, which the Escrow Agent in good faith believes to be genuine, it shall not be necessary for the Escrow Agent to inquire into such corporation's, fiduciary's or individual's authority.

(c) The Escrow Agent shall not be liable for any error of judgment or for any act done or step taken or omitted by it in good faith, or for anything which it may do or refrain from doing in connection herewith, except for its own gross negligence or willful misconduct.

(d) The Escrow Agent may consult with, and obtain advice from, legal counsel in the event of any question as to any of the provisions hereof or the duties hereunder, and it shall incur no liability and shall be fully protected in acting in good faith in accordance with the opinion and instructions of such counsel. The reasonable and documented costs of such counsel's services shall be paid to the Escrow Agent in accordance with Section 12 below.

(e) The Escrow Agent shall neither be responsible for, nor chargeable with knowledge of, the terms and conditions of any other agreement, instrument or document between the other parties hereto, including, without limitation, the Purchase Agreement.

This Agreement sets forth all matters pertinent to the escrow contemplated hereunder, and no additional obligations of the Escrow Agent shall be inferred from the terms of this Agreement or any other agreement, instrument or document.

(f) In the event that the Escrow Agent shall be uncertain as to its duties or rights hereunder or shall receive instructions, claims or demands from Buyer or Seller which, in its opinion, conflict with any of the provisions of this Agreement, it shall be entitled to refrain from taking any action and its sole obligation shall be to keep safely all property held in escrow until it shall be directed otherwise in writing jointly by Buyer and Seller or by a final and non-appealable order of a court of competent jurisdiction. The Escrow Agent shall have the option, after ten (10) days' notice to Buyer and Seller of its intention to do so, to file an action in interpleader requiring Buyer and Seller to answer and litigate any claims and rights among themselves.

(g) Any corporation or association into which the Escrow Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its escrow business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become the successor escrow agent hereunder and vested with all of the title to the whole property or trust estate and all of the trusts, powers, immunities, privileges, protections and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

8. Resignation of Escrow Agent.

(a) The Escrow Agent reserves the right to resign at any time by giving thirty (30) days written notice of resignation, specifying the effective date thereof. On the effective date of such resignation, the Escrow Agent shall deliver this Agreement together with the Escrow Funds (including any Escrow Income earned thereon) and any and all related instruments or documents to any successor escrow agent agreeable to Buyer and Seller. If a successor escrow agent has not been appointed and has not accepted such appointment prior to the expiration of twenty (20) days following the date of the notice of such resignation, the Escrow Agent may, but shall not be obligated to, apply to a court of competent jurisdiction for the appointment of a successor Escrow Agent. Any such resulting appointment shall be binding upon all of the parties to this Agreement. Notwithstanding anything to the contrary in the foregoing, the Escrow Agent or any successor escrow agent shall continue to act as Escrow Agent until a successor is appointed and qualified to act as Escrow Agent.

(b) Upon delivery of the Escrow Funds to a successor escrow agent in accordance with this Section 8, the Escrow Agent shall thereafter be discharged from any further obligations hereunder. All power, authority, duties and obligations of the Escrow Agent shall apply to any successor escrow agent.

9. Indemnification of Escrow Agent. Buyer and Seller shall jointly and severally indemnify and hold the Escrow Agent harmless from and against any liability, loss, damage or expense (including, without limitation, reasonable and documented attorneys' fees) that the Escrow Agent may incur in connection with this Agreement and its performance hereunder or in connection herewith, except to the extent such liability, loss, damage or expense arises from its willful misconduct or gross negligence. The indemnification provided for under this Section 9 shall be allocated and paid in the same manner as fees and expenses under Section 12 below and shall survive the termination of this Agreement and the resignation or removal of the Escrow Agent.

10. Taxes.

(a) Ownership for Tax Purposes. Each of Buyer and Seller agree that, for purposes of United States federal and other taxes based on income, Seller shall be treated as the owner of the Escrow Funds and that Seller shall report the income, if any, that is earned on, or derived from, the Escrow Funds as its income, in the taxable year or years in which such income is properly includible and pay any taxes attributable thereto.

(b) Tax Forms. Prior to the date hereof, each of Buyer and Seller shall provide the Escrow Agent with a fully executed Internal Revenue Service Form W-9, properly completed and signed, and such other forms and documents that the Escrow Agent may reasonably request.

(c) Withholding. The Escrow Agent shall be entitled to deduct and withhold from any amount distributed or released from the Escrow Funds all taxes which may be required to be deducted or withheld under any provision of applicable tax law. All such withheld amounts shall be treated as having been delivered to the party entitled to the amount distributed or released in respect of which such tax has been deducted or withheld.

11. Business Days. If any date on which the Escrow Agent is required to make an investment or a delivery pursuant to the provisions hereof is not a day on which the Escrow Agent is open for business, then the Escrow Agent shall make such investment or delivery on the next succeeding Business Day.

12. Escrow Costs. Each of Buyer, on the one hand, and Seller, on the other hand, shall pay one-half of the fees and expenses (including reasonable and documented attorneys' fees) of the Escrow Agent for the services to be rendered by the Escrow Agent pursuant to this Agreement. The Escrow Agent agrees to serve as Escrow Agent in accordance with the fee schedule attached as Exhibit A hereto.

13. Force Majeure. No party shall be liable or responsible to the other parties, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by or results from acts beyond the affected party's reasonable control ("*Force Majeure Events*"), including, without limitation: (a) acts of God; (b) flood, fire or explosion; (c) war, invasion, riot or other civil unrest; (d) government order or law; (e) actions, embargoes or blockades in effect

on or after the date of this Agreement; (f) action by any governmental authority; (g) national or regional emergency; and (h) strikes, labor stoppages or slowdowns or other industrial disturbances. The party suffering a Force Majeure Event shall give notice to the other party, stating the period of time the occurrence is expected to continue and shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized.

14. Notices. All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by email of a PDF document (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient or (d) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the addresses indicated below (or at such other address for a party as shall be specified in a notice given in accordance with this Section 14). Notwithstanding the above, in the case of communications delivered to the Escrow Agent whereby the Escrow Agent must act based on a specified number of days upon its receipt of such communication, if applicable, such communications shall be deemed to have been given on the date received by an officer of the Escrow Agent or any employee of the Escrow Agent who reports directly to any such officer at the above-referenced office.

Notwithstanding the foregoing, in the event of any inconsistency between the statements in the body of this Agreement and those of the Purchase Agreement, (i) with respect to any inconsistency as between Buyer and Seller, the statements in the body of the Purchase Agreement shall control; and (ii) with respect to any inconsistency as between the Escrow Agent, on the one hand, and either Buyer or Seller or both, on the other hand, the statements in the body of this Agreement shall control.

16. Successor and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. No party may assign any of its rights or obligations hereunder without the prior written consent of the other parties hereto, which consent shall not be unreasonably withheld or delayed. No assignment shall relieve the assigning party of any of its obligations hereunder.

17. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

18. Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

19. Amendment and Modification; Waiver. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

20. Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is

invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

21. Governing Law; Submission to Jurisdiction. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois without giving effect to any choice or conflict of law provision or rule (whether of the State of Illinois or any other jurisdiction). Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby may be instituted in the federal courts of the United States or the courts of the State of Illinois in each case located in the City of Peoria and County of Peoria, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of process, summons, notice or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action or other proceeding brought in any such court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action or any proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

22. Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this Agreement or the transactions contemplated hereby. Each party to this Agreement certifies and acknowledges that (a) no representative of any other party has represented, expressly or otherwise, that such other party would not seek to enforce the foregoing waiver in the event of a legal action, (b) such party has considered the implications of this waiver, (c) such party makes this waiver voluntarily, and (d) such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 22.

23. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

NOTICE OF POTENTIAL ASSUMPTION AND ASSIGNMENT
OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

TO THE NON-DEBTOR PARTIES TO EXECUTORY CONTRACTS AND UNEXPIRED LEASES:

PLEASE TAKE NOTICE AS FOLLOWS:

1. **Sale Motion** - On September 13, 2023, St. Margaret's Health-Peru ("**SMH-P**") and St. Margaret's Health-Spring Valley ("**SMH-SV**"), both Illinois not-for-profit corporations, debtors and debtors in possession (collectively, the "**Debtors**"), filed a motion with the United States Bankruptcy Court for the Northern District of Illinois, Eastern Division (the "**Bankruptcy Court**"), in the above-captioned chapter 11 cases (the "**Chapter 11 Cases**") requesting the entry of an order: (a) authorizing and approving a private sale of all or substantially all of the assets of SMH-P and certain assets of SMH-SV (the "**Asset Sale**"), free and clear of liens, claims, encumbrances and interests; (b) scheduling a sale hearing on notice to all creditors; (c) authorizing the assumption and assignment of executory contracts and unexpired leases; and (d) approving the form and manner of notice of sale hearing and proposed assumption and assignment (the "**Sale Motion**").

2. **Entry of Interim Sale Approval Order** - On September ____, 2023, the Bankruptcy Court entered an interim order (the "**Interim Sale Approval Order**") approving, amongst other relief sought in the Sale Motion, the process for fixing the cure amounts related to the Debtors' potential assumption, assignment and/or transfer of certain executory contracts and unexpired leases (the "**Executory Contracts**") in connection with the sale of certain assets of the Debtors (the "**OSF Sale**") to OSF Healthcare System, Mendota Community Hospital, and Ottawa Regional Hospital and Healthcare System (collectively, "**OSF**").

3. **Notice of Proposed Assignment and Cure Amount** – Set forth on Exhibit A hereto is a list of Executory Contracts that the Debtors ***may potentially seek to have assumed and assigned to OSF at the Sale Hearing***. **PARTIES RECEIVING THIS NOTICE SHOULD LOCATE THEIR NAME(S) AND THEIR CONTRACT(S) OR LEASE(S) LISTED ON EXHIBIT A.** Exhibit A also contains the cure amounts the Debtors' books and records reflect as necessary to assume and assign such Executory Contracts pursuant to section 365 of the Bankruptcy Code (the "**Cure Amount**"). The Debtors believe that the payment of the respective Cure Amount designated for each of the referenced

Executory Contracts shall cure any and all defaults and pecuniary losses under each of the respective Executory Contracts.

4. **Assumption and Cure Objections and Adequate Assurance Objections** –

a. Any objection of a non-Debtor party to an Executory Contract to the Cure Amount set forth on Exhibit A to this Notice or to the proposed assumption and assignment of such Executory Contract (excluding Adequate Assurance Objections, as defined and addressed in paragraph 3(b) below) (a "**Cure Amount/Assignment Objection**") must (a) be in writing, and (b) provide the basis for the objection, including any cure amount claimed to be due with supporting documentation. To be considered timely, the Cure Amount/Assignment Objection must be filed with the Clerk of the United States Bankruptcy Court, Northern District of Illinois, Eastern Division, Dirksen Federal Building, 219 S. Dearborn Street, Room 710, Chicago, Illinois, and served upon: (i) proposed counsel to the Debtors, Howard L. Adelman, Henry B. Merens, Erich S. Buck, and Steven B. Chaiken of Adelman & Gettleman, Ltd., 53 West Jackson Boulevard, Suite 1050, Chicago, Illinois, 60604; (ii) counsel to Spring Valley City Bank, Nathan Q. Rugg of Barack Ferrazzano Kirschbaum & Nagelberg LLP, 200 West Madison Street, Suite 3900, Chicago, Illinois 60606; (iii) the Office of the United States Trustee, Attn: Roman Sukley, 219 S. Dearborn Street, Room 873, Chicago, Illinois 60604; and (iv) proposed counsel for the unsecured creditors' committee in the Chapter 11 Cases, [_____], by the later of: (A) **5:00 p.m. (Chicago time) on October 13, 2023** or (B) five (5) business days after service of any subsequent notice of a proposed assumption and assignment of an Executory Contract (the "**Cure Amount/Assignment Objection Deadline**"). For avoidance of doubt, service of a Cure Amount/Assignment Objection to the foregoing persons through the Court's CM/ECF system shall expressly satisfy the service requirement.

b. Please be advised that the Cure Amount/Assignment Objection Deadline shall not apply to any objections of a non-Debtor party to an Executory Contract based on adequate assurance of future performance by OSF pursuant to 11 U.S.C. § 365(f)(2)(B) ("**Adequate Assurance Objections**"). Adequate Assurance Objections may be raised at or before the Sale Hearing; any failure to do so shall be deemed to constitute a full waiver and release of all such objections.

5. **Assumption and Cure Objection Hearing** - The Court shall resolve any and all timely filed Cure Amount/Assignment Objections at the hearing to consider approval of the Asset Sale to be held on October 18, 2023 at 10:30 a.m. at the United States Bankruptcy Court, Northern District of Illinois, Eastern Division, Dirksen Federal Building, 219 S. Dearborn, Room 644, Chicago, Illinois 60604, or such other time as may be ordered by the Court (the "**Sale Hearing**"). **Please be advised that, if you do file an objection, you and/or your attorney will be expected to attend the Sale Hearing or the Court may grant the relief sought in the Sale Motion over such written objection.**

6. **If No Cure Amount/Assignment Objection is Timely Filed** - If a Cure Amount/Assignment Objection is not timely filed and served by the Cure Amount/Assignment Objection Deadline, then (a) the Debtors shall be authorized, but not directed, to assume and assign such Executory Contract, subject only to any obligation of the Debtors or OSF to provide adequate assurance of future

performance pursuant to 11 U.S.C. § 365; (b) the Cure Amount set forth in this Notice shall constitute the final determination of the total cure amount required to be paid by the Debtors on the Executory Contract pursuant to 11 U.S.C. § 365; and (c) the non-Debtor party to the Executory Contract shall be: (i) forever barred and estopped from objecting to the Cure Amount or seeking any additional cure payments on such Executory Contract, whether from the Debtors, OSF or any other assignee; (ii) deemed to have waived any right to terminate any Executory Contract as a result of any default which may have occurred under the applicable Executory Contract prior to the assumption date; (iii) deemed to have agreed that the Interim Sale Approval Order applies and is enforceable with respect to the assumption and assignment of the Executory Contract; (iv) deemed to have agreed that all defaults under the Executory Contract arising or continuing prior to the effective assumption date have been fully cured and satisfied; and (v) deemed to have consented to the assumption, assignment and transfer of such Executory Contract to OSF or any assignee thereof on all matters, except for any obligation of the Debtors, OSF or any other assignee to provide adequate assurance of future performance under 11 U.S.C. § 365.

7. **Requests for Copies and Information** - Copies of the Sale Motion and exhibits thereto and the Interim Sale Approval Order may be obtained by: (a) written request to the Debtors' proposed counsel below; or (b) accessing the website maintained by the Debtors' claims and noticing agent for these Chapter 11 Cases at https://dm.epiq11.com/case/stmargarets/info. Any inquiries regarding the information provided herein should be directed in writing to the Debtors' proposed counsel.

8. **Reservation of Rights** - Notwithstanding the reference to any contract as an "Executory Contract" in this Notice, the Debtors reserve all of their rights with respect to whether or not any contract is an "executory contract" or "unexpired lease" pursuant to the Bankruptcy Code. The inclusion of any document on Exhibit A shall not constitute or be deemed to be a determination or admission that such document is, in fact, an executory contract or unexpired lease within the meaning of the Bankruptcy Code.

The notice given in accordance with this paragraph 6 will be adequate and reasonable under the circumstances, and no further notice of the Sale Hearing or the additional relief requested in the Sale Motion need be given.

7. Within fourteen (14) days prior to the Sale Hearing, the Debtors will file a notice with the Court and serve, by facsimile, overnight delivery, or such other form of notice expressly authorized by a non-Debtor party (including email), such notice upon any non-Debtor party to any executory contract or unexpired lease whose assumption and assignment is identified in the OSF APA as a condition to closing (collectively, the "**Executory Contracts**," and each, an "**Executory Contract**"), substantially in the form attached hereto as **Exhibit B,** which is expressly made a part hereof and hereby approved (the "**Assumption Notice**"). The Assumption Notice shall (a) state the cure amounts that the Debtors believe are necessary to assume and assign such Executory Contracts pursuant to Section 365 of the Bankruptcy Code (the "**Cure Amount(s)**"), and (b) notify the non-Debtor party that such party's Executory Contract may be assumed and assigned to OSF (the "**Proposed Assumption/Assignment**"). In addition, if the Debtors identify additional Executory Contracts/Leases that might be assumed by the Debtors and assigned to OSF not set forth in the original Assumption Notice, the Debtors shall promptly send a supplemental notice (a "**Supplemental Assumption Notice**") to the applicable counterparties to such additional Executory Contracts/Leases. The notice given in accordance

with this paragraph 7 will be adequate and reasonable under the circumstances, and no further notice of the Proposed Assumption Assignment need be given.

8. The deadline for a non-Debtor party to an Executory Contract (a "**Contract/Lease Counterparty**") to file and serve an objection (a "**Cure Amount/Assignment Objection**") to the Cure Amount or Proposed Assumption/Assignment of the Executory Contract shall be the later of (a) 5:00 p.m. prevailing Central time on October 13, 2023; or (b) to the extent applicable, five (5) days after service of the relevant Supplemental Assumption Notice (the later of these being the "**Cure Amount/Assignment Objection Deadline**"). Cure Amount/Assignment Objections must be both (a) filed with the Court Clerk and (b) served upon all Notice Parties on or before the Cure Amount/Assignment Objection Deadline.

9. The Cure Amount/Assignment Objection must set forth the cure amount being claimed by the objecting party (the "**Claimed Cure Amount**") with the appropriate documentation in support thereof. Cure Amount/Assignment Objections must be both (a) filed with the Court Clerk and (b) served upon all Notice Parties on or before the Cure Amount/Assignment Objection Deadline.

10. Unless a Contract/Lease Counterparty timely files and serves a Cure Amount/Assignment Objection as provided herein, then such Contract/Lease Counterparty:

a. Will be forever barred from objecting to the Cure Amount and from asserting any additional cure or other amounts with respect to such Executory Contract/Lease, and the Debtors shall be entitled to rely solely upon the Cure Amount; and

b. Will be deemed to have consented to the assumption, assignment and/or transfer of such Executory Contract and will be forever barred and estopped from asserting or claiming against the Debtors, OSF, or any other assignee of the

relevant Executory Contract that any additional amounts are due or defaults exist, or conditions to assumption, assignment and/or transfer must be satisfied, under such Executory Contract.

11. Upon receipt of a Cure Amount/Assignment Objection, the Debtors are authorized, but not directed, in consultation with the Committee, to resolve any Cure Amount/Assignment Objection by mutual agreement with the objecting party to any Executory Contract without further order of the Court. In the event that the Debtors and any objecting party are unable to consensually resolve any Cure Amount/Assignment Objection prior to the Sale Hearing, the Court will resolve any such Cure Amount/Assignment Objection at the Sale Hearing.

12. The Cure Amount/Assignment Objection Deadline shall not apply to any objections of a non-Debtor party to an Executory Contract based on adequate assurance of future performance by OSF pursuant to 11 U.S.C. § 365(f)(2)(B) ("**Adequate Assurance Objections**"). Adequate Assurance Objections may be raised at or before the Sale Hearing; any failure to do so shall be deemed to constitute a full waiver and release of all such objections. The Court shall resolve any Adequate Assurance Objections at the Sale Hearing.

13. Any interested party may obtain a copy of the OSF APA, the Sale Motion, and/or any exhibits attached thereto: (a) upon written request directed to counsel for the Debtors, Adelman & Gettleman, Ltd., Attn: Howard L. Adelman, Henry B. Merens, Erich S. Buck, and Steven B. Chaiken, 53 West Jackson Blvd., Chicago, Illinois 60604 (hadelman@ag-ltd.com; hmerens@ag-ltd.com; ebuck@ag-ltd.com; schaiken@ag-ltd.com); or (b) by accessing the website maintained by the Debtors' claims and noticing agent for these Chapter 11 Cases at https://dm.epiq11.com/case/stmargarets/info.

14. The Debtors reserve all rights to extend or adjourn any deadlines set forth herein, and to take any other actions with respect to the Sale Hearing, or the sale of the Sale Assets which in their business judgment are reasonably necessary to preserve the bankruptcy estates or maximize the value thereof and which are not substantially inconsistent with this Order, the OSF APA, or any other order of the Court. The Court may adjourn the Sale Hearing from time to time, without further notice to creditors or other parties in interest by announcement of said adjournment in open court.

15. The stay provided for in Bankruptcy Rules 6004(h) and 6006(d) is respectively waived and this Order shall be effective immediately upon its entry.

16. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation or interpretation of this Order.

NOTICE OF POTENTIAL ASSUMPTION AND ASSIGNMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

TO THE NON-DEBTOR PARTIES TO EXECUTORY CONTRACTS AND UNEXPIRED LEASES:

PLEASE TAKE NOTICE AS FOLLOWS:

1. **Sale Motion** - On September 13, 2023, St. Margaret's Health-Peru ("**SMH-P**") and St. Margaret's Health-Spring Valley ("**SMH-SV**"), both Illinois not-for-profit corporations, debtors and debtors in possession (collectively, the "**Debtors**"), filed a motion with the United States Bankruptcy Court for the Northern District of Illinois, Eastern Division (the "**Bankruptcy Court**"), in the above-captioned chapter 11 cases (the "**Chapter 11 Cases**") requesting the entry of an order: (a) authorizing and approving a private sale of all or substantially all of the assets of SMH-P and certain assets of SMH-SV (the "**Asset Sale**"), free and clear of liens, claims, encumbrances and interests; (b) scheduling a sale hearing on notice to all creditors; (c) authorizing the assumption and assignment of executory contracts and unexpired leases; and (d) approving the form and manner of notice of sale hearing and proposed assumption and assignment (the "**Sale Motion**").

2. **Entry of Interim Sale Approval Order** - On September ____, 2023, the Bankruptcy Court entered an interim order (the "**Interim Sale Approval Order**") approving, amongst other relief sought in the Sale Motion, the process for fixing the cure amounts related to the Debtors' potential assumption, assignment and/or transfer of certain executory contracts and unexpired leases (the "**Executory Contracts**") in connection with the sale of certain assets of the Debtors (the "**OSF Sale**") to OSF Healthcare System, Mendota Community Hospital, and Ottawa Regional Hospital and Healthcare System (collectively, "**OSF**").

3. **Notice of Proposed Assignment and Cure Amount** – Set forth on Exhibit A hereto is a list of Executory Contracts that the Debtors ***may potentially seek to have assumed and assigned to OSF at the Sale Hearing***. **PARTIES RECEIVING THIS NOTICE SHOULD LOCATE THEIR NAME(S) AND THEIR CONTRACT(S) OR LEASE(S) LISTED ON EXHIBIT A.** Exhibit A also contains the cure amounts the Debtors' books and records reflect as necessary to assume and assign such Executory Contracts pursuant to section 365 of the Bankruptcy Code (the "**Cure Amount**"). The Debtors believe that the payment of the respective Cure Amount designated for each of the referenced

Executory Contracts shall cure any and all defaults and pecuniary losses under each of the respective Executory Contracts.

4. **Assumption and Cure Objections and Adequate Assurance Objections** –

a. Any objection of a non-Debtor party to an Executory Contract to the Cure Amount set forth on Exhibit A to this Notice or to the proposed assumption and assignment of such Executory Contract (excluding Adequate Assurance Objections, as defined and addressed in paragraph 3(b) below) (a "**Cure Amount/Assignment Objection**") must (a) be in writing, and (b) provide the basis for the objection, including any cure amount claimed to be due with supporting documentation. To be considered timely, the Cure Amount/Assignment Objection must be filed with the Clerk of the United States Bankruptcy Court, Northern District of Illinois, Eastern Division, Dirksen Federal Building, 219 S. Dearborn Street, Room 710, Chicago, Illinois, and served upon: (i) proposed counsel to the Debtors, Howard L. Adelman, Henry B. Merens, Erich S. Buck, and Steven B. Chaiken of Adelman & Gettleman, Ltd., 53 West Jackson Boulevard, Suite 1050, Chicago, Illinois, 60604; (ii) counsel to Spring Valley City Bank, Nathan Q. Rugg of Barack Ferrazzano Kirschbaum & Nagelberg LLP, 200 West Madison Street, Suite 3900, Chicago, Illinois 60606; (iii) the Office of the United States Trustee, Attn: Roman Sukley, 219 S. Dearborn Street, Room 873, Chicago, Illinois 60604; and (iv) proposed counsel for the unsecured creditors' committee in the Chapter 11 Cases, [_____], by the later of: (A) **5:00 p.m. (Chicago time) on October 13, 2023** or (B) five (5) business days after service of any subsequent notice of a proposed assumption and assignment of an Executory Contract (the "**Cure Amount/Assignment Objection Deadline**"). For avoidance of doubt, service of a Cure Amount/Assignment Objection to the foregoing persons through the Court's CM/ECF system shall expressly satisfy the service requirement.

b. Please be advised that the Cure Amount/Assignment Objection Deadline shall not apply to any objections of a non-Debtor party to an Executory Contract based on adequate assurance of future performance by OSF pursuant to 11 U.S.C. § 365(f)(2)(B) ("**Adequate Assurance Objections**"). Adequate Assurance Objections may be raised at or before the Sale Hearing; any failure to do so shall be deemed to constitute a full waiver and release of all such objections.

5. **Assumption and Cure Objection Hearing** - The Court shall resolve any and all timely filed Cure Amount/Assignment Objections at the hearing to consider approval of the Asset Sale to be held on October 18, 2023 at 10:30 a.m. at the United States Bankruptcy Court, Northern District of Illinois, Eastern Division, Dirksen Federal Building, 219 S. Dearborn, Room 644, Chicago, Illinois 60604, or such other time as may be ordered by the Court (the "**Sale Hearing**"). **Please be advised that, if you do file an objection, you and/or your attorney will be expected to attend the Sale Hearing or the Court may grant the relief sought in the Sale Motion over such written objection.**

6. **If No Cure Amount/Assignment Objection is Timely Filed** - If a Cure Amount/Assignment Objection is not timely filed and served by the Cure Amount/Assignment Objection Deadline, then (a) the Debtors shall be authorized, but not directed, to assume and assign such Executory Contract, subject only to any obligation of the Debtors or OSF to provide adequate assurance of future

performance pursuant to 11 U.S.C. § 365; (b) the Cure Amount set forth in this Notice shall constitute the final determination of the total cure amount required to be paid by the Debtors on the Executory Contract pursuant to 11 U.S.C. § 365; and (c) the non-Debtor party to the Executory Contract shall be: (i) forever barred and estopped from objecting to the Cure Amount or seeking any additional cure payments on such Executory Contract, whether from the Debtors, OSF or any other assignee; (ii) deemed to have waived any right to terminate any Executory Contract as a result of any default which may have occurred under the applicable Executory Contract prior to the assumption date; (iii) deemed to have agreed that the Interim Sale Approval Order applies and is enforceable with respect to the assumption and assignment of the Executory Contract; (iv) deemed to have agreed that all defaults under the Executory Contract arising or continuing prior to the effective assumption date have been fully cured and satisfied; and (v) deemed to have consented to the assumption, assignment and transfer of such Executory Contract to OSF or any assignee thereof on all matters, except for any obligation of the Debtors, OSF or any other assignee to provide adequate assurance of future performance under 11 U.S.C. § 365.

7. **Requests for Copies and Information** - Copies of the Sale Motion and exhibits thereto and the Interim Sale Approval Order may be obtained by: (a) written request to the Debtors' proposed counsel below; or (b) accessing the website maintained by the Debtors' claims and noticing agent for these Chapter 11 Cases at https://dm.epiq11.com/case/stmargarets/info. Any inquiries regarding the information provided herein should be directed in writing to the Debtors' proposed counsel.

8. **Reservation of Rights** - Notwithstanding the reference to any contract as an "Executory Contract" in this Notice, the Debtors reserve all of their rights with respect to whether or not any contract is an "executory contract" or "unexpired lease" pursuant to the Bankruptcy Code. The inclusion of any document on Exhibit A shall not constitute or be deemed to be a determination or admission that such document is, in fact, an executory contract or unexpired lease within the meaning of the Bankruptcy Code.
