On January 9, 2026, at 11:00 a.m., a hearing was held before the Honorable Mark D. Houle, United States Bankruptcy Judge, on the Debtor's Motion for Order Approving Maintenance of Pre-Petition Bank Accounts and Continued Use of Cash Management Procedures Pursuant to 11 U.S.C. Sections 105, 345, and 363 ("Motion") filed by the Debtor, Papas Piping Service, Inc., ("Debtor") on January 6, 2026, as Dk. No. 3. All appearances were as noted on the record.

Having determined that service of the Motion was proper under the circumstances, and after considering the Motion and all papers in support thereof, the presentation of counsel, and for good cause shown,

IT IS ORDERED that:

1. The Motion is granted in part and denied in part as set forth herein.

2. The Debtor is authorized to continue using its operating account at Poppy Bank (the "Operating Account").

3. The Debtor must sweep the Operating Account into its new DIP operating account daily and take steps to transition from accepting deposits in the Operating Account to accepting deposits in the new DIP operating account.
