**ORDER GRANTING MOTION FOR EXTENSION
OF DEADLINE FOR FILING CLAIM OBJECTIONS**

THIS MATTER comes on the Motion for Extension of Deadline for Filing Claim Objections filed by the Plan Administrator and, after review of the record and consideration of the relief requested,

THE COURT FINDS as follows:

1. Debtor filed its Amended Plan of Reorganization (the "Plan") which was confirmed by the Court in its Order, dated November 21, 2025 (Doc #650). The Plan provided for the appointment of a Plan Administrator to administer the Plan post-confirmation and otherwise discharge the necessary functions to consummate the case. Among those functions is the filing and

prosecution of claim objections. The Plan does not explicitly establish a deadline for the filing of claim objections; however, the definition section of the Plan includes the following: “‘Claims Objection Deadline’ means the date that is ninety (90) days after the Effective Date, which date may be extended pursuant to an order of the Bankruptcy Court upon a motion filed by the Plan Administrator.” The Effective Date of the Plan is November 24, 2025 (See Doc #659).

2. It is unclear whether the foregoing definition of a 90-day deadline (the “Definitional Deadline”) is operative with respect to the filing of claim objections. In an abundance of caution, however, the Plan Administrator is acting on the possibility that the Definitional Deadline may apply. The Definitional Deadline presumably occurs on February 23, 2026. The Plan Administrator has been diligently reviewing Debtor’s books and records, assessing the claims filed in the case by creditors, and conferring with counsel. A preliminary assessment by the Plan Administrator and counsel supports the likelihood of filing multiple claim objections.

3. In order to complete the claims review process, identify the claims to which objections will be filed, and prepare the claim objections, the Plan Administrator requires an extension of the deadline. Accordingly, the Plan Administrator filed his Motion for Extension of Deadline for Filing Claim Objections (the “Motion”), requesting an extension of sixty (60) days until April 24, 2026 for the filing of claim objections (Doc #737). The requested extension is reasonable as it will allow the Plan Administrator and counsel to complete a comprehensive review of the multitude of claims filed in the case and determine the propriety of claim objections. In addition, the extension will not result in prejudice to any interested party.

4. Notice of the Motion provided for an objection deadline of February 17, 2026. No objections were filed. Good cause exists to grant this Motion and extend the Claims Objection Deadline to April 24, 2026.

THEREFORE, IT IS HEREBY ORDERED that the Motion is granted and the deadline for filing objections to claims is extended to April 24, 2026.
