ALLAN ROUHIER, *et al.*, Plaintiffs, v. ASSOCIATION OF APARTMENT OWNERS OF	CIVIL NO. 5CCV-22-0000029

THE KAUAI BEACH VILLAS, *et al.*, Defendants.	

PLAINTIFFS' MEMORANDUM IN OPPOSITION TO DEBTOR'S MOTION FOR ENTRY OF AN ORDER (I) (A) APPROVING AUCTION AND BIDDING PROCEDURES, (B) SCHEDULING BID DEADLINES AND AUCTION, AND (C) APPROVING THE FORM AND MANNER OF NOTICE THEREOF, AND (II) (A) AUTHORIZING THE SALE OF ASSETS AND (B) GRANTING RELATED RELIEF

I. INTRODUCTION

Plaintiffs ALLAN ROUHIER, ET AL. ("Plaintiffs"), by and through their undersigned counsel, hereby files their opposition to Defendants ASSOCIATION OF APARTMENT OWNERS OF THE KAUAI BEACH VILLAS'S ("AOAO") Motion For Entry Of An Order (I) (A) Approving Auction And Bidding Procedures, (B) Scheduling Bid Deadlines And Auction, And (C) Approving The Form And Manner Of Notice Thereof, And (II) (A) Authorizing The Sale Of Assets And (B) Granting Related Relief. The AOAO's motion is based upon numerous errors of law and fact.

For starters, the AOAO is not, and has never been, a "co-owner" of the Beach Villas Resort ("the Project") with the Plaintiffs and other unit owners. The AOAO only owns a minute interest in the Project (a single unit out of 150, Apartment No. 12, which amounts to seven 10ths of one percent of the Project). The remaining 149 units at the Project are entirely separate and distinct parcels of real property in

U.S. Bankruptcy Court - Hawaii #25-01103 Dkt # 93 Filed 03/02/26 Page 2 of 10

which the AOAO holds no interest, as reflected by its tenant-in-severalty deed to the interval. Exhibit 1. Accordingly, they are not property of the estate under Section 541.

Granting the AOAO's motion would essentially allow it to unjustifiably sell Plaintiffs' property out from under them, against their will, and without their consent. Its motion should be denied.

II. BACKGROUND

On April 30, 2022, Plaintiffs filed a lawsuit against the AOAO and several other defendants arising out of the AOAO's persistent (spanning several years) failure to perform adequate and basic maintenance of Buildings G and H as mandated by the condo association's governing documents and Haw.Rev.Stat. Chapter 514B (Hawaii condo law). As a result of its failure to perform maintenance, the AOAO asserts that Buildings G and H became dangerously unfit for habitation In response, the Plaintiffs brought claims for breach of HRS Chapter 514B, breach of the governing documents, negligence/gross negligence, breach of fiduciary duty, negligent/intentional infliction of emotional distress, civil conspiracy, organized crime, wrongful/ constructive eviction, unfair and/or deceptive acts and/or practices and unfair methods of competition, and negligent and intentional misrepresentation. (Exhibit 2)

Trial in the underlying state court case was set for November 3, 2025. However, on the eve of trial, the AOAO moved for the circuit court to stay the trial as it would be filing its petition for Chapter 11 bankruptcy in the current matter. The request was granted, and the trial has been delayed indefinitely. The AOAO dragged its feet for a month before finally filing this Petition on December 5, 2025. As a month was more than enough time to conduct the trial, the AOAO succeeded in denying the Plaintiffs their day in court.

On December 30, 2025, notice of an automatic stay was filed in the circuit court. (Exhibit 3).

III. DISCUSSION

The AOAO's motion is premised under notion that it "co-owns" the Project with the other unit owners. Again, this is blatantly false. Haw.Rev.Stat. §514B-4(a) [1]

[1] explicitly states that every unit in condo association is its own separate parcel of real estate. Ergo, the AOAO is not a "co-owner" of the other units at the Project, it simply owns a unit at the Project alongside all the others. The AOAO has no right to sell the entirety of the project any more than any other owner at the Project. The AOAO utterly ignores the foregoing in an overt attempt to improperly

[1] "Each unit that has been created, together with its appurtenant interest in the common elements, **constitutes, for all purposes, a separate parcel of real estate**." (emphasis added in bold)

U.S. Bankruptcy Court - Hawaii #25-01103 Dkt # 93 Filed 03/02/26 Page 4 of 10

invoke section 363(h) of the Bankruptcy Code – which clearly requires a debtor to be a co-owner in the property. The AOAO's argument is akin to an owner of one house on the block having the right to forcibly sell the entire neighborhood to satisfy its own debts.

Furthermore, under section 363(h)(1), the sale cannot go forward if "partition in kind of such property among the estate and such co-owners is impracticable." Again, the AOAO is not a co-owner with Plaintiffs or any other owners at the Project, and selling its interest is easily partitioned – just sell its intervals in Apartment No. 12.

The AOAO also alleges in its motion that it owns the common elements of the Project. This again is false. While it is true that the AOAO holds an interest in the common elements, it only does so as the owner of Apartment No. 12. No single owner or entity owns the common elements in their entirety[2], and a unit's

---

[2] See HRS 514B-3:

"Common elements" means:

(1) All portions of a condominium other than the units; and

(2) Any other interests in real estate for the benefit of unit owners that are subject to the declaration.

"Common expenses" means expenditures made by, or financial liabilities of, the association for operation of the property, and shall include any allocations to reserves.

"Common interest" means the percentage of undivided interest in the common elements appurtenant to each unit, as expressed in the declaration, and any specified percentage of the common interest means such percentage of the undivided interests in the aggregate.

interest cannot be diminished without its consent per Haw.Rev.Stat. §514B-37[3]. The AOAO briefly mentions in its motion that the interests of Plaintiffs and other owners will be addressed under §363(j). However, again, this requires that the AOAO actually has an ownership interest in the other units, which it does not.

The obvious impetus for the AOAO's desired sale of the Project is to avoid future obligations for maintenance. Worth noting is that these future obligations are not debts set forth in the AOAO's Form 204 (*See* Dkt. 1 at 7-9). Indeed, the debts have yet to be incurred, and the AOAO has mechanisms to collect funds for them under Haw.Rev.Stat. 514B §§144, 145 and 146. And allowing the AOAO to sell the owners' properties is not among its powers.

The Project, like any condo association in the State of Hawaii, is not a co-op. Every unit is its own little piece of land. It's owned separately from the rest, assessed separately for the rest, and taxed separately from the rest. Absent a lien, the AOAO has no ownership interest in any unit of the Project, save the ones it owns directly like a portion of Apartment No. 12.

The AOAO is asking this Court to grant them the opportunity to unlawfully seize the Project, including Plaintiffs' real property, despite having no

---

[3] "…**a unit's common interest shall be permanent and remain undivided, and may not be altered or partitioned without the consent of the owner of the unit** and the owner's mortgagee, expressed in a duly executed and recorded declaration amendment." (emphasis added in bold).

property interest in the whole. It's worthwhile to point out that this is unprecedented under Hawaii law. Chapter 514B exists in order to ensure the proper management of a condo association, and protect the interests of unit owners. Here, the AOAO is improperly asserting a right to sell the Project itself under the bankruptcy code in order to force a sale to a third party against the wishes of the owners.

IV. CONCLUSION

The AOAO is using the Bankruptcy Court in order to avoid the consequences of its years of inaction and misfeasance. As it seeks to accomplish the impossible, incurring marketing efforts and expenses toward that sale is wasteful of estate assets and frankly, pointless. In light of the foregoing, Plaintiffs request this Court deny the motion.

OWNERSHIP INTERESTS, AND RESERVATIONS AND USE RIGHTS

Section 1. Nature of an Interval. For each Interval owned, an Owner will have an undivided interest in an Apartment, as a tenant in common with other Owners of the Apartment. Each Apartment has an appurtenant common interest in the Project which common interest is set forth in Exhibit "A". The Interval Conveyance document will indicate whether the Owner owns an Every Other Year Interval or an Every Year Interval.

a. Every Year as a Use Year. If the Interval is an Every Year Interval, an Owner will have an undivided 1/51st interest in an Apartment, as tenant in common with the other Owners in the Apartment. The Owner may reserve and use their Time Period every use year.

b. Every Other Year as a Use Year. If the Interval is an Every Other Year Interval, an Owner will have a 1/102nd undivided interest in an Apartment, as a tenant in common with the other Owners of the Apartment. If the Interval has odd use rights, the Owner may reserve and use their Time Period only during the years ending in an odd number. If the Interval has even use rights, the Owner may reserve and use their Time Period only during the years ending in an even number.

c. Fixed Interval as a Use Type. If an Owner purchases a Fixed Interval in an Apartment, the Owner shall have the right to use the Apartment in which he owns an undivided interest during the same Time Period each year for each Every Year Interval owned and in an odd or even year, as the case may be, for each Every Other Year Interval owned. The Fixed Interval will always be in the same Time Period in the same Apartment, except as provided in Section 4.b. of this Article.

d. Floating Interval as a Use Type. An Owner of a Floating Interval will be able to use and occupy any Apartment that is of the same Unit Type as the Unit Type of Apartment purchased. The number of Units of the same Unit Type may change as additional

Units are added or annexed to the Time Interval Plan. The nine various Unit Types are described in Exhibit "B".

e. Unit Types. There are a total of nine (9) Unit Types of Apartments in the Project. Each Apartment is one of the nine Unit Types. The Unit Types are described in Exhibit "B" attached hereto. The number of Apartments of each Unit Type will change from time to time when additional Apartments are added to or subtracted from the Plan.

Section 2. Use Periods and Service Periods.

a. Use Periods. There are a total of 51 Use Periods per Apartment, one for each Interval. Each Use Period commences on Check-In day for a Time Period and ends on Check-Out at the end of the Time Period. These are the Time Periods available for use by an Owner.

b. Service Periods. This is the Time Period which is not a Use Period that is used by the Plan Manager for the purposes of making major repairs and for providing the general housekeeping and cleaning of the Unit for the next occupant to an Apartment. The exact Time Period that will be used as the Service Period will be determined by the Plan Manager for each Apartment. The Service Period can change each year and is dependent upon the condition of the respective Apartments, reservations made by Owners, and the number of Fixed Intervals in each Apartment. There are two types of Service Periods, they are:

1. Maintenance Service Period. The Plan Manager has the right to designate one Time Period each year as the Maintenance Service Period. The determination by the Plan Manager shall be made on the condition of the furnishings within a Unit and the demand for that Unit during a particular time of a year. The Service Period shall be used to do maintenance and repairs to a Unit. The Service Period may not conflict with or interfere with any Owners Fixed Interval or with any reserved Floating Interval. The Time Period and which Units are serviced during such Service Period will change from year to year.

2. Service Period. The period between Check-Out and Check-In shall be utilized by the Plan Manager for general housekeeping and cleaning of the Unit and in order to prepare it for occupancy of the next Owner.

c. 53rd Week or Period. In certain years, there will be 53 Time Periods. During those years where there are more than 52 Time Periods, such additional week will belong to the Interval

Association, whereby it may be rented or leased by the Plan Manager to an Owner or non-owner like any other unreserved Time Period. The compensation and charges shall be as established in the agreement with the Plan Manager.

Section 3. Check-In and Check-Out.

a. Check-In/Out Days. There are four days: Thursday, Friday, Saturday, and Sunday. Fixed Intervals will have a fixed Check-In/Out day for each Apartment. The Plan Manager will designate the Check-In/Out day for each Apartment each year, depending on usage, except that a Fixed Interval Owner will always have the right to start his Use on his Fixed Check-In day.

b. Check-In/Out Time. The Rules and Regulations shall establish the Check-In time and Check-Out time for the Time Periods. The Rules and Regulations will provide for a week commencing on a certain day in the afternoon for Check-In and the following week in the morning as the Check-Out time; provided that shorter time periods of no less than 3 consecutive days may be permitted if permitted by the Rules and Regulations.

c. Calendar of Occupancy. The Calendar of Occupancy identifies the Check-In date for each Check-In Day. As time passes on, the dates will change; however, each Time Period will continue to begin on either a Thursday, Friday, Saturday, or Sunday, as the case may be. The Calendar's of Occupancy are contained in Exhibit "C" attached hereto and incorporated herein by this reference.

The Owner's Interval Purchase Agreement and Interval Conveyance will set forth the initial Calendar of Occupancy. However, the Plan Manager and the Board through the Rules and Regulations may change which Calendar of Occupancy is applicable to each respective Apartment; provided that the Check-In date for a Fixed Interval may not be changed.

d. Prior to and Extension of Occupancy. The Plan Manager shall permit an Owner, on a space available basis, to arrange for Check-In prior to a Time Period and/or to extend a stay beyond Check-Out for the Time Period. Any early Check-In or extension shall be arranged with the Plan Manager in accordance with procedures established in the Rules and Regulation. Any fees or charges for such additional stay shall be established by the Rules and Regulations.

e. Payment of Personal Charges. Owners shall be required to pay for all personal charges or other fines and penalties at the time of Check-Out or as billed to them at a later date.

Section 4. Reservation and Use Rights.

a. Fixed Use Reservation Procedure. No reservations are necessary to confirm the use and availability of the Time Period. There is a permanent reservation for each year.

b. Fixed Interval Use of the Floating System. In the event a Fixed Interval Owner wishes to become a part of the floating system in a particular year, he may do so by notifying the Plan Manager at least 90 days prior to the commencement of his Fixed Time Period that he wishes to make a floating reservation. He may thereafter make a reservation in accordance with Section 4.c. below. If an Owner makes a reservation under this Section, he shall thereafter be treated as an Owner of a Floating Use Type for that year.

c. Floating Reservation System. The reservation procedures for the Floating Intervals are as follows:

1. If the Interval is an Every Year Interval, then the Owner may make and reserve a Time Period every year. If the Interval is an Every Other Year Interval, then the Owner may make and reserve a Time Period in only an odd or even year, as the case may be.

2. He may reserve the Time Period or any alternative thereto for which he desires to use an Apartment in accordance with the procedures established by the Rules and Regulations.

3. A reservation must be made by U.S. mail or such other method as established by the Rules and Regulations.

4. There is no minimum number of days that a reservation must be made prior to the desired Time Period; however, because reservations are made on a first-come, first-served basis, reservations made by an Owner farther in advance have a better chance of obtaining the desired Time Period. The provisions of this subparagraph are included to enable Owners to have the benefit of advanced planning as well as to permit occupancy on short-term notice of Apartments which might otherwise remain unoccupied.

5. All unsold inventory/Intervals owned by the Developer will be treated as Floating Intervals for reservation and use purposes.

d. Split Week Option. The Rules and Regulations may provide for split week use whereby an Every Other Year Interval Owner will be able to use a portion of the Time Period in an odd year and the balance of the Time Period in an even year, provided the total number of days in a consecutive two year period shall not exceed seven days for each Interval owned.

e. Maximum Number of Occupants. There is a maximum number of occupants permitted for each Unit Type. The Rules and Regulations will contain any occupant restrictions.

f. Compensatory Time Period. The Interval Association shall provide for a compensatory Time Period during a reasonable or comparable Time Period to the Time Period lost for any Owner who is unable to use his Time Period and Interval due to error by the Interval Association or Plan Manager or the Unit being unavailable due to the acts or omissions of others.

Section 5. Reservation and Use Restrictions.

a. If a Delinquency Exists. Owners will not be permitted to make a reservation to use a Time Period if their Maintenance Fees or if any Personal Charges are delinquent. If an Owner has already made a reservation, the use of the Time Period may be suspended until the delinquency is paid.

b. Failure to Use. If an Owner fails to use their Interval within a calendar year, whether a Fixed or Floating Interval, that Interval and the Time Period may not be accumulated. Notwithstanding the failure to use the Interval and Time Period the Owner will be required to pay his Maintenance Fees when due.

c. Failure to Vacate. If an Owner fails to vacate an Apartment at the end of his Time Period and that thereby prevents another Owner or Guest from using or occupying the succeeding Time Period, then and in such event the Owner shall be assessed a cost equivalent to 300% of the daily rental per day, as determined by the Plan Manager, for the Apartment he fails to vacate. The assessment will be utilized by the Plan Manager for purposes of obtaining equivalent, temporary accommodations for the persons entitled to use the Apartment. The Interval Association may further provide additional or alternative penalties as set forth in the Rules and Regulations.

d. Cancellation and Cancellation Fees. If an Owner cancels a reservation, a cancellation fee may be charged for any cancellation that is made less than 90 days prior to the commencement of a reserved Time Period. The cancellation fee, if any, shall be set forth in the Rules and Regulations. If an alternative reservation cannot be made by the Owner, the Owner will lose the use of the Interval for that year.

e. Plan Manager Rentals. The Interval Association will have the right, but not the obligation, to contract with a Plan Manager to utilize any unreserved Time Periods. The unreserved Time Periods may not be reserved by the Plan Manager for rentals until 90 days prior to the commencement of a particular week. The Plan Manager can be paid a fee for such rental with the balance of any fee being paid to the Interval Association as established in the management agreement with the Plan Manager. Any fee shall be clearly set forth and described in the management agreement.

f. Developer Reservation Rights. The Developer cannot make a reservation more than one hundred eighty (180) days in advance of the Check-In date. This is to allow Owners the opportunity to make their reservations for their choice for Time Periods and Units.

ARTICLE III

Section 1. Exchange Program. The Interval Association shall provide and maintain an Exchange Program unless a majority of Owners vote not to have such Exchange Program.

Section 2. Exchange Company. The Developer will establish the initial Exchange Program with an Exchange Company. The Interval Association shall use its best efforts to comply with the requirements imposed by the Exchange Company.

Section 3. Participation by Owners. Each Owner may join and be a part of the Exchange Program. Each Owner will be subject to all of the rules, charges, and fees associated with or chargeable by the Exchange Company.

Section 4. Compliance by Exchange Guests. An Owner will not be responsible or liable for any damages caused by a person who uses his Interval that was arranged by the Exchange Company. The

Interval Association has the right to require any person using an Interval through the Exchange Program to agree to abide by the terms of the Interval Declaration and all of the other documents affecting the Plan including being responsible for all damages to the Apartment and any Personal Charges.

Section 5. Limitation on Liability of Developer and Interval Association. The Developer and the Interval Association will not be responsible for any Exchanges made by the Exchange Company or any of the terms of the Exchange Program. Any Exchanges made by an Owner shall be at the risk of the Owner.

ARTICLE IV

OWNER'S USE RIGHTS, RESTRICTIONS, AND OBLIGATIONS

Section 1. Owner Use of Project when not a Reserved Use Period. Each Owner cannot make use of the Units, and Project common elements except during their reserved Use Period, unless he is a Guest, or is a guest of another Owner who is utilizing their reserved Use Period, or acting under the authority of the Interval Association.

Section 2. Occupancy Restrictions. The Unit will be used only for residential purposes, for transient vacation and other rentals, and for time sharing. No Unit may be used to carry out any other trade or business, except for the Developer. No pets will be allowed in any Unit (seeing-eye dogs are not considered to be pets). The number of Occupants in each Unit will be limited to the maximum number by law and the Interval Governing Documents.

Section 3. Guests and Owners Responsibilities for Them. An Owner may let Guests use the Unit assigned to them during the Use Period reserved and confirmed. An Owner will be responsible for them, except for the Exchange guest. The Exchange guest bears the same responsibility for their guests as an Owner.

Section 4. Disallowance of a Rental Pool. For the benefit of the Developer only, every Owner promises not to enter into a "pooling" or similar program. These are programs where their Use Period is placed in a pool together with other Owners' Use Periods or other properties and rented out, or where rental income and/or expenses are shared. This restriction will last until December 31, 2010.

Section 5. Alteration of an Apartment. Any alteration to the Apartments and/or common elements not conducted at the direction of the Board, is strictly prohibited. The Board, may fine any Owner altering an Apartment and/or common element without the Board's approval. The Interval and/or Condominium Association will make all decisions about and be responsible for: the color, decor and the Furnishings of the Units; and changes, additions and other improvements of the Plan and Project.

Section 6. Interval Association's Right to Enter the Apartment. Each Owner or Guest must allow the people working for the Condominium Association, Interval Association, Plan Manager, or contractors hired by any of the above to enter their Unit for either inspection or to maintain, repair and replace any part of the Unit or the Furnishings in the Unit.

Reasonable notice must be given before entering, and all attempts must be made to avoid or reduce interference with the Owner's or Guest's use; unless it is in the case of an emergency.

Section 7. Owner and Guest Behavior. Each Owner and Guest must obey all of the Interval Governing Documents, Condominium Governing Documents, the Master Declaration, all local laws, laws of the State of Hawaii, and of the United States. They must also not act in any way:

iv) to be in violation of any of the Interval Governing Documents;

v) to be harmful or offensive, or would cause any other "nuisance".

Each Owner and Guest will be responsible for and pay all costs and damages caused by their not doing any of these things.

Section 8. Rules on Vacating Units. Each Owner and Guest must vacate the Unit occupied and remove all personal effects

such as clothing, food, liquor, luggage, etc. at the end of their Use Period. No one will be responsible for any personal effects that are left behind. The personal effects will be considered to be abandoned, and the Interval Association will dispose of them in whatever manner it so chooses. If the Interval Association sells them, it may retain the sales proceeds.

a. Trespassing and Unusable Units after Vacating. If an Owner or Guest does not vacate a Unit at the end of the Use Period, or uses a Unit during someone else's Use Period without permission, or who acts or fails to act to prevent someone else from using a Unit they are entitled to use ("Trespass"), or damages a Unit or the Furnishings in the Unit so that the Unit cannot be lived in during any one or more of the later Use Periods ("Vandalism"), there will be another Owner or Guest who can not use this Project and Plan and they become an "injured person". The following will then result:

1. The Owner or Guest will be evicted from the Unit and Project at once. The Owner or Guest gives us ("waives") all eviction notices the law may require, to the extent Hawaii law allows this kind of waiver.

2. The Owner or Guest must repay the Interval Association and each Injured Person for all their costs and expenses caused by the Acts of Trespass or Vandalism. These cost include (but are not limited to) costs of another place to stay and extra travel costs and all collection and enforcement costs. To obtain another place to stay, it may be necessary to rent for a period of time longer than the time use is actually prevented. If this happens, the cost of another place to stay includes all of the rent for this longer period of time. The Interval Association will decide if it is necessary to rent for a longer time. Its decision is final.

The Owner or Guest must also pay damages which have been agreed to in advance ("Liquidated Damages") to each Injured Person. This is to compensate the injured person for the added damages caused, not penalize the Trespasser or Vandal. The amount of the Liquidated Damages which will be charged in 300% of the fair rental value of the Unit for each day or part of a day during which the Trespasser or Vandal prevented the use of that Unit. The Interval Association will determine the fair rental value, or may delegate this to the Plan Manager. Its decision will be final.

b. Eviction. The Interval Association must take all reasonable steps to evict the Trespasser or Vandal. It must help

each Injured Person to find another place to stay, at its expense. Also at its expense, the Interval Association must try to collect all costs and Liquidated Damages for the Injured Person, if asked to do so. These expenses, in turn, must be paid back to the Interval Association by the Trespasser or Vandal.

U.S. Bankruptcy Court - Hawaii #25-01103 Dkt # 93-1 Filed 03/02/26 Page 28 of 69

5. All cost, expenses, and charges associated with the management and operation of the Plan including Plan Manager fees; and

6. All other costs, fees, expenses, or liabilities incurred by or on behalf of the Interval Association.

The operating expense funds must be placed in an account maintained at a federally insured bank or savings and Loan company, or with any other safe and reasonable depository the Board may approve located in the state of Hawaii.

b. Reserves. The Budget for the Interval Association shall include a reserve for capital improvements which may include various items that are a part of the Furnishings in the Apartments. Capital improvements are such items as furniture, appliances, carpeting and other items in the Apartments with estimated replacement periods of more than one (1) year. The amount of the Reserve is determined by estimating the useful life of each item and estimating the cost of replacing such item at the end of its useful life. The Board and Plan Manager shall review the amount allocated for the Reserves at least every two years.

The Reserve funds must be maintained in a separate interest bearing account in a federally insured bank or savings and loan company, or with any other safe and reasonable depository that the Board may approve. The funds must be invested in treasury bills, certificates of deposit, or similar obligations made or fully guaranteed as to principal by any agency of the United States of America.

Each Owner's interest in all Reserve funds will automatically be transferred to any new Owner. The selling Owner cannot get the funds back from the Association. Should there be surplus funds left over at the end of the year, they must be used to pay Operating Expenses in the next year. At the annual meeting each year, the Association must adopt a resolution that requires this. For this purpose, each Owner gives the Board President a proxy, and makes the Board president their special attorney-in-fact to adopt this resolution. The Board must budget these surplus funds to pay Operating Expenses for the next year.

U.S. Bankruptcy Court - Hawaii #25-01103 Dkt # 93-1 Filed 03/02/26 Page 29 of 69

Section 3. Allocation of Expenses. The Maintenance Fees shall be allocated in the following manner:

a. Apartment. With regard to each Apartment, the Maintenance Fees shall be determined by dividing the Apartment's common interest by the sum of the common interest of all Eligible Apartments in the Plan. For purposes of this paragraph a, an Apartment shall be deemed an Eligible Apartment if it is in the Plan and upon the conveyance of at least one Interval to an Owner, other than the Developer. The allocation is not affected by the building nor the floor location of an Apartment.

b. Interval. With regard to each Interval, the annual Maintenance Fees shall be determined by multiplying 1/51 by the undivided percentage interest of an Apartment, then dividing that total by the undivided percentage interest of all Apartments in the Plan, and by multiplying that amount by the total annual Interval Association Budgeted Operating Expenses and Reserves.

c. Every Year Intervals. For Every Year Intervals, the Owner, including the Developer as to unsold Intervals, will be responsible for 1/51st of the Maintenance Fees allocated to such Apartment in accordance with paragraph a above.

d. Every Other Year Intervals. For Every Other Year Intervals, the Owner, including the Developer as to unsold Intervals, will be responsible for 1/51st of the total Maintenance Fees allocated to such Apartment in accordance with paragraph a above except that Every Other Year Owners will be assessed for the same year that their Time Period is in. Because Every Other Year Interval Owners are billed only for an odd or even year, these Owners will effectively pay for a 1/51st share but only in every other year rather than every year.

Section 4. Payment of Maintenance Fees.

a. Owners. The Board will determine the billing date, which will be prior to the commencement of the year for which the Maintenance Fee Budget was prepared, and the payment plan options.

b. Developer. The Developer shall not be required to pay the Maintenance Fees as provided herein for any Apartments in which no Intervals have been closed. Until one Interval is sold, the Developer must pay currently for all costs associated with the Apartment, and will not receive any reimbursement for such costs once an Interval is sold. The Developer shall be responsible for the Maintenance Fees for the unsold Intervals. At the end of the calendar year, the Plan Manager shall determine the number of

Section 2. Annexed Units are Governed by the Interval Governing Documents. The Interval Governing Documents will govern each added Unit, all Intervals and other interests in it, and what may be done with them. Section 5. Terminating the Plan. The Plan, and the Interval Governing Documents, will remain in effect until December 31, 2055. But they will be extended automatically for successive ten (10) year periods thereafter unless a majority of Owners vote against any extension. The Association will also keep all its other rights and remedies, including but not limited to its other rights and remedies to collect.

Section 6. The "Rule Against Perpetuities". This is a rule limiting how long certain restrictions may be imposed on property. authority to adopt this Interval Declaration, Articles, Bylaws, and Rules and Regulations of the Interval Association, and other matters necessary to implement the establishment of the Plan and any amendments thereto. The Developer, as the initial owner of all Intervals, has the authority on behalf of the Interval Association to enter into such contracts with the Condominium Association and the Plan Manager to carry out the duties and obligations necessary for the management, upkeep, and maintenance of the Project for such term and under such conditions, as is deemed appropriate provided that the term of such contract shall not exceed five years.

The Developer, as the Owner of all unsold Intervals, will have the ability to vote for the Board members who in turn vote for and appoint the officers of the Interval Association. Such Board members and officers may be officers, employees, or agents of the Developer ("Developer's Employees"). In the event a matter comes before the Board or the officers of the Interval Association where a vote or decision needs to be made, the Developer's Employees shall have the right to vote on such matters even if a conflict of interest exist between the Developer, Developer's Employees, and the matter being voted upon; provided that the conflict is first disclosed by the Developer's Employee and provided further that if the votes are counted, the decision is fair and reasonable to the Interval Association. Any such conflict shall be noted in the minutes of the meeting or the corporate records of the Interval Association.

Section 3. Easements and Rights. U.S. Bankruptcy Court - Hawaii #25-01103 Dkt # 93-1 Filed 03/02/26 Page 44 of 69

Section 5. Responsibility for Payment of Expenses. Any charges, expenses, or cost arising from or relating to the exercise of any of the rights contained in Section 3 above shall be paid by the Developer, or by any Sales Agent or Acquisition Agent as determined by Developer.

Section 6. Commencement of Interval Maintenance Fees for an Apartment. The obligation to collect Maintenance Fees and to pay the Maintenance Fees for a particular Interval shall commence upon the closing of the first Interval to an Owner (including the Developer) in an Apartment. Until one Interval is sold, the Developer must pay currently all costs associated with the Apartment, and will not receive any reimbursement for such costs once an Interval is sold.

Such Maintenance Fees shall be owing and payable for each Time Period that was available for use by an Owner in the remaining portion of the year that is subsequent to the initial closing. For example, if the first closing occurs on July 1 and that is the day that the first Time Period was available for use by an Owner, Maintenance Fees would have to be paid for the 26 weeks starting from July 1 to the end of the year.

All expenses, charges, and other fees which properly included in the Maintenance Fees, if billed on an annual basis, are due and payable at the end of the calendar year.

Section 7. Payment of Maintenance Fees By Developer for an Apartment. At the end of each calendar year, the Plan Manager shall determine the number of Intervals that remained unsold and which are still held by the Developer. The Plan Manager shall compute the Maintenance Fees owing and promptly collect the Maintenance Fees for all such unsold Intervals.

Section 8. Annexation and/or Removal of Apartments From Interval Declaration. The Developer shall have the authority to annex additional Apartments and make them subject to the Plan and/or withdraw any Apartments from the Interval Declaration and the Plan, from time to time in its sole discretion; provided that in no event may an Apartment be removed if an Interval has been purchased by an Owner. U.S. Bankruptcy Court - Hawaii #25-01103 Dkt # 93-1 Filed 03/02/26 Page 45 of 69

not adopt any amendment that would diminish or interfere with the rights of an Owner. The rights of Developer to amend this Interval Declaration shall be suspended whenever 75% or more of all Intervals and Apartments in the Plan including all Apartments which may have been annexed to the Plan in accordance with Section 8 above, have been conveyed to Owners. Notwithstanding the foregoing restriction, the Developer shall always have the right to delete unsold Apartments or add additional Apartments to the Plan in accordance with Section 8 above.

Developer also has the right to amend the Interval Declaration if such amendment does not affect, interfere with or impair any existing Owners rights and such amendment only affects the Apartments to be annexed or which otherwise do not have any Intervals sold to Owners.

ARTICLE XII

MISCELLANEOUS

Section 1. Notices. Notices must be given in writing, except in those circumstances where the Plan Documents expressly say notices may be given verbally. Written notices may be delivered or mailed, postage prepaid, addressed to an Owner at the last address given to the Association for delivery of notices. If an Owner does not give the Association an address, the notice will be addressed to their last known address. Notices to the Association and the Plan Manager must be in writing and must be personally delivered or mailed to the address given for each of them by written notice to all Owners.

Written notices will be considered given and received when they are delivered or three (3) days after they are deposited in the U.S. mail in the manner stated above. As long as the written notice complies with this Section, it will be considered received, even if the addressee does not actually get the notice. Facsimile notices will be considered given and received on the date transmitted.

If more than one person is listed as an Owner of an Interval, notice to all Owners of that Interval may be made by giving notice to any one of them.

Each Owner, the Association, and the Plan Manager may change their address for the purposes of this section by giving written notice of the change. But, unless written notice of an address change is

U.S. Bankruptcy Court - Hawaii #25-01103 Dkt # 93-1 Filed 03/02/26 Page 46 of 69

actually received, the last address will still be considered as the address for purpose.

Section 2. Owner's Appointment of Interval Association as its Limited Attorney-In-Fact. In this document, each Owner appoints the Interval Association as their attorney-in-fact for several purposes. For each of these purposes, each Owner also: i) authorizes the Association to substitute any member of the Board or Plan Manager to act as their attorney-in-fact, and ii) agrees that they cannot take away the Interval's Association power and right to substitute these persons to sign for them. Each of these appointments is called a "special power of attorney, with the power of substitution". Because the Interval Association has an interest in the matters on which each Owner gives it these powers, they are "coupled with an interest" and are irrevocable. Each Owner agrees that these special powers of attorney cannot be terminated during the term of this Plan, even if they become disabled or die.

Section 3. Indemnification. Every officer, director or Owner serving on committees of the Interval Association or performing duties as an agent of the Interval Association including the Plan Manager shall be indemnified by the Interval Association against all judgments, fines, expenses actually and reasonably incurred by or imposed upon him or it in connection with or resulting from any claim, action, suit, proceeding, investigation or injury of whatever nature in which he may be involved as a party or otherwise by reason of his being or having been such officer, director, committee member or agent, whether or not he continues to be such director, officer, committee member or agent, at the time of incurring or the imposition of such cost, expense or liability; provided that the Interval Association responsibility hereunder shall only be applicable if such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interest of the Interval Association in the performance of his duties as such officer, director, committee member or agent and with regard to criminal proceedings had no reasonable cause to believe the conduct of the person was unlawful. The written notice shall state the place, day, and hour of the meeting; whether a regular or special meeting; and the purpose and business to be transacted at such meeting. Only the members identified as Owners as of the date the notice is mailed in the Interval Association records will be entitled to receive a notice.

Every member entitled to vote shall have the right to do so either in person or by an agent authorized by a written proxy executed by such member and filed with the Secretary of the Interval Association at least three days prior to the commencement of the meeting at which the proxy is to be exercised. The proxy as provided therein may be good for up to eleven (11) months unless otherwise provided in said proxy; and can cover all meetings within the period covered by the proxy. A proxy is revocable at any time and the presence of the member in person will be effective to suspend the proxy if said member exercises his right to vote. A member may also revoke the proxy by submitting a written notice to the Secretary at least one day prior to the meeting. A proxy which accompanies a notice of a meeting sent by the Plan Manager shall be valid only for the meeting to which such notice pertains and any adjournment of such meeting. In addition to the foregoing, the following restrictions and provisions shall apply:

a. Proxy forms provided by the Plan Manager and the Board shall provide that they may be given to the Board; given to each Director to be shared equally by each Board member; or contain a blank to permit the member to write in his agent;

2.09. Cumulative Voting. In all elections of Directors, a member shall be able to cumulate his votes. A member has one vote (or one-half vote as the case may be) for each Director vacancy being voted upon. Cumulative voting means that for each vote he has, the member can give all of the votes to just one nominee or can spread the votes amongst all of the nominees. The nominees with the most votes will fill the Director vacancy on the Board.

2.10. One Vote Per Interval; Assignment of Voting Rights. If there is more than one member that owns an Interval, there can still only be one vote cast for such Interval. Therefore, multiple Owners or co-Owners will need to decide how they wish their vote to be cast. If they cannot decide, the vote will be cast in the manner identified by a majority of them. If there is no majority, the vote of those members will not be counted. If a member assigns his right to vote such as to a lender or to a purchaser of the member's Interval under an agreement of sale, then the person who is assigned that right will be entitled to vote in place of the member. However, for the assignment to be valid and effective, the Interval Association must receive a copy of the instrument which served to assign the member's voting rights. If the Interval Association does not receive a copy of the assignment, it does not have to recognize the assignment.

2.11. Action of Members Without Meeting. Any action which may occur at a meeting may be taken without a meeting as provided by Section 415B-16, Hawaii Revised Statutes. Additionally, the election of Directors may occur by mail as provided by Section 415B-43, Hawaii Revised Statutes.

Accordingly, Plaintiffs has sued the unidentified Doe Defendants herein with fictitious names pursuant to Rule 17(d) of the Hawaii Rules of Civil Procedure. Plaintiffs will seek leave of Court to amend this Complaint to allege the true names of the Doe Defendants and describe their activities, responsibilities and/or capacities when the same is ascertained.

20. The Kauai Beach Villas AOAO ("KBV") consists of 8 separate, three-story buildings, "A"-"H". Each building consists of multiple one- and two-bedroom apartments. KBV is marketed by Defendants as a "Club Wyndham Resort". Defendant Wyndham owns, manages or controls approximately 80% of the individual units in Buildings "A"-"E", and approximately 20% of the units in Buildings "F"-"H", which are included in its timeshare program.

21. In addition to owning, managing and controlling units in the KVB, the Wyndham Defendants act as the management and maintenance company for the AOAO, and its associated individuals/employees/timeshare owners also sit on the AOAO board. Via association and proxy, Defendant Wyndham effectively controls the AOAO board, and thus the AOAO itself.

22. Almost all of the Plaintiffs in this action all reside in buildings F, G, and H. While not part of the Wyndham timeshare program, many of the Plaintiffs participate in other vacation rental programs. Several Plaintiffs consider their units as their principal place of residence. For those Plaintiffs who rent their units out, receiving consistent rental income is crucial, and necessary for meeting their financial commitments as unit owners.

23. Irrespective of the makeup of the AOAO board, the AOAO is supposed to act in the common interest of ALL KBV unit owners. In other words, the Defendants cannot play favorites, *e.*g., allocating resources to buildings and units mostly owned or controlled by individual board members, and away from those owned by others. The Defendants also have a duty to properly maintain the buildings and other common elements.

24. However, by using its influence and absolute control over the AOAO board, Defendants ensured that AOAO decision-making and resources favored their interests over that of the AOAO in general, including the individual Plaintiffs. This conflict-laden relationship between Defendants Wyndham and the Defendant AOAO has continued unabated for years, despite having received complaints from several Plaintiffs along with other unit owners.

25. Indeed, Defendant Wyndham, via its stranglehold over the AOAO Board, dictated that the AOAO direct maintenance resources primarily to Buildings "A"-"E" where it owns or controls the majority – upwards of 80% – of the units. By doing so, the other Buildings, "F"-"H", have suffered from a lack of ordinary maintenance and upkeep. There was no legitimate, good faith reason, to favor Defendant Wyndham controlled Buildings "A"-"E" over the others.

26. As a result of the uneven allocation of maintenance resources, the common area infrastructure, *i.e.*, concrete floors, lanais, structural steel, and exterior facia, of Buildings "F"-"H" has significantly deteriorated, while Buildings "A"-"E" have not suffered similar issues.

27. The Defendants were aware of concrete falling off decks for years and did nothing including any sort of mitigation to prevent further deterioration of the exposed structural post tension cables. On April 6, 2022, a piece of concrete, approximately 4" x 6" and 6 feet long, fell off the lanai of unit H-12. The engineers then recommended that the AOAO emphasize the danger of the falling concrete. They were so concerned that the structure of the lanais in Building "F"-"H" had weakened, that they recommended installing locks on the lanai doors to prevent owners and guests from using them. The engineers even recommended the installation of barriers around the buildings to prevent people from approaching closer than 10 feet to Buildings "F"-"H".

28. It took a large piece of falling concrete that could have caused severe injury to take action regarding the severe deterioration to Buildings "F"-"H". Unable to ignore the extent of the problems any further, on April 13, 2022, the AOAO Board finally issued an emergency order to vacate Building "G" and "H" for what it described as "LIFE-SAFETY ISSUES". Engineers retained by the AOAO determined that "Buildings G & H are not safe to occupy."

29. The deterioration of Buildings "G" and "H" did not occur overnight. On information and belief, as early as 2019, the AOAO Board was warned by their retained structure engineer that if immediate and comprehensive structural repairs were not undertaken on Buildings "F"-"H", it would only be a matter of time before the buildings would eventually fail.

30. In response to these warnings, the "Wyndham" controlled Board engaged in window-dressing apparently to placate unit owners. Not only did the Defendants fail to schedule repairs, but they had also put a $3,000,000 loan in place to pay for the repairs and increased the dues to cover this cost. Yet the work never started, but dues remained in place as well as no maintenance, upkeep or repairs were made to several buildings including painting buildings to at least provide protection to the exterior facades. In the same time frame building A – E were all painted. Scheduled structural repairs to buildings were scheduled three separate times only to be

later canceled with little notice and without explanation. Although these fits and starts did nothing for the buildings, this caused unit owners significant financial harm and inconvenience, as they were required to remove their units from the rental pool during these repairs. Currently, no time schedule for has been established for repairs. This issue is just the latest example of the chronic mismanagement and malfeasance of the defendants, including, but not limited to, the following:

A. Lack of adequate ventilation in the units;

B. Water intrusion issues;

C. Exterior safety lighting not working for years;

D. An unfair pool agreement issue that unfairly favors the IOA;

E. The mishandling and coverup of a flood that occurred in March 2021;

F. Wyndham/IOA stealing electricity from AOAO for years for and the refusal of the AOAO to investigate the same;

F. The AOAO wrongfully paying for all lagoon pumps on the property;

G. Deck and building soffits collapsing multiple times;

F. Mismanagement of AOAO funds; and

G. Failure to disclose defects and reports, especially to new owners that recently purchased.

COUNT I – BREACH OF HAW.REV.STAT. §514B

31. Plaintiffs reallege and reincorporate the foregoing allegations as though fully set forth herein.

32. Hawaii Revised Statutes §514B places various statutory obligations and duties on Defendant AOAO to properly manage the premises, including the duty to ensure that the common area and limited common area are properly maintained for the benefit of all unit owners; to act in good faith and to properly disclose material facts to both existing and prospective purchasers.

COUNT II – BREACH OF GOVERNING DOCUMENTS

35. Plaintiffs reallege and reincorporate the foregoing allegations as though fully set forth herein.

44. Plaintiffs reallege and reincorporate the foregoing allegations as though fully set forth herein.

45. Defendants collectively owed Plaintiffs fiduciary duties to properly maintain and manage the KBV in a manner fair and reasonable to all unit owners under both the common law and statutory law. They were also required to not use their positions to benefit themselves at the wrongful expense of Plaintiffs

46. Instead of doing so, they utterly disregarded them by misdirecting resources to maintaining buildings which Defendant Wyndham owned or controlled the majority of units. While those Buildings, "A"-"E", were properly maintained, Buildings "F"-"H" fell into disrepair.

47. As a direct and proximate result, Plaintiffs have been damaged in an amount exceeding the jurisdictional minimum of this Court which will be proved at trial.

COUNT V – NEGLIGENT/INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS

48. Plaintiffs reallege and reincorporate the foregoing allegations as though fully set forth herein.

49. Defendants' repeated failures to properly maintain the KBV units owned by the Plaintiffs has cause them severe emotional distress. Several have been forced out of their units, while others live in fear that they may be also be forced to relocate. Those who remain live in constant fear that the buildings may ultimately fail, causing them serious bodily injury.

40. As a direct and proximate result, the Plaintiffs have been damaged in an amount in excess of the jurisdictional minimum of this court.

COUNT VI – CIVIL CONSPIRACY

51. Plaintiffs reallege and reincorporate the foregoing allegations as though fully set forth herein.

52. Defendants conspired to deprive the Plaintiffs of the benefits and privileges of the relevant Hawaii statutes, as well as those set forth in the governing documents.

57. Plaintiffs reallege and reincorporate the foregoing allegations as though fully set forth herein.

COUNT IX -UDAP/UMOC

60. Plaintiffs reallege and reincorporate the foregoing allegations as though fully set forth herein.

61. The Defendants' conduct was unfair, and deceptive and harmed competition. Plaintiffs are consumers and persons injured in their business and or property by the Defendants' misconduct.

62. The Defendants are therefore liable under Hawaii revised statutes chapter 480 for their unfair and deceptive practices and their unfair methods of competition.

63. As a direct and proximate result, the Plaintiffs have been damaged in an amount in excess of the jurisdictional minimum of this court.
