above-captioned debtor and debtor in possession (collectively, the “Debtor”) for entry of an interim order (this “Order”), (a) authorizing, but not directing, the Debtor to honor, in its discretion, certain prepetition obligations incurred in connection with the Customer Programs and to otherwise continue certain prepetition Customer Programs in the ordinary course of business; (b) authorizing the banks to honor and process check and electronic transfer requests related to the Customer Programs; and (c) granting related relief, each as more fully set forth in the Motion; and upon consideration of the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this matter being a core proceeding within the meaning of 28 U.S.C. § 157(b)(2); and the Court being able to issue a final order consistent with Article III of the United States Constitution; and venue of this proceeding and the Motion in this District being proper pursuant to 28 U.S.C. §§ 1408 and 1409; and appropriate notice of and opportunity for a hearing on the Motion having been given; and the relief requested in the Motion being in the best interests of the Debtor’s estate, its creditors and other parties in interest; and the Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED THAT:**

1. The Motion is GRANTED as set forth herein.
2. Without further order of this Court, the Debtor is authorized, but not directed, to maintain and administer the Customer Programs in the ordinary course of business and in a manner consistent with past practice, and to honor the obligations thereunder in the ordinary course of business and in a manner consistent with past practice as set forth in the Motion.
3. The Debtor, in its business judgment, is authorized, but not directed, to continue, renew, replace, implement, modify and/or terminate its Customer Programs, in the ordinary course

of business and consistent with the Debtor's prepetition practices, without further application to the Court.

Notwithstanding the relief granted herein and any actions taken pursuant to such relief, nothing in this Order shall be deemed (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtor's or any party in interest's rights to dispute any claim or interest on any grounds; (c) a promise or requirement to pay any claim; (d) a waiver of the Debtor's or any other party in interest's rights under the Bankruptcy Code or any other applicable law; (e) an implication or admission that any particular claim is of a type specified or defined in this Order or any other order granting the relief requested in this motion or a finding that any particular claim is an administrative expense claim or other priority claim; (f) an approval to assume, adopt, or reject any agreement, contract, program, policy, or lease under section 365 of the Bankruptcy Code; or (g) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtor's estate. Any payment made pursuant to this Order is not intended to be nor should it be construed as an admission as to the validity of any claim or a waiver of the Debtor's rights to subsequently dispute such claim.

The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtor's designation of any particular check or electronic payment request as approved in this Order.

The Debtor is authorized to issue post-petition checks or to effect post-petition fund transfer requests in replacement of any checks or fund transfer requests that are dishonored as a consequence of this Subchapter V Case with respect to prepetition amounts owed in connection with the relief granted herein.

Bankruptcy Rule 6003(b) has been satisfied because the relief requested in the Motion is necessary to avoid immediate and irreparable harm to the Debtor and the Debtor's estate.
