("Myjojo"), New Mexico Food Distributors, Inc. ("NMFD"), Karsten Tortilla Factory, LLC ("Karsten"), BCI Acquisition, Inc. ("BCI"), and TTCF-NM Holdings Inc. ("TTCF, and, together with Ittella, ICLLC, TCI, Myjojo, NMFD, Karsten, and BCI, the "Debtors"), the Chapter 11 debtors and debtors in possession in the above-captioned, jointly administered Chapter 11 bankruptcy cases, hereby submits its second and final fee application (the "Final Application") for final approval of (1) fees ("Fees") for services rendered and reimbursement of expenses ("Expenses") incurred for the covered period of July 2, 2023 through and including October 31, 2023 (the "First Covered Period") and (2) Fees for services rendered and reimbursement of Expenses incurred for the covered period of November 1, 2023 through and including May 21, 2024 (the "Second Covered Period").

I. INTRODUCTORY STATEMENT

On July 2, 2023 (the "Petition Date"), each of the Debtors filed a voluntary petition under Chapter 11 of the Bankruptcy Code. The Debtors continue to manage their financial affairs and operate their bankruptcy estates as debtors-in-possession pursuant to Sections 1107 and 1108.[1] Official Committees of Unsecured Creditors were appointed in the Ittella and NMFD bankruptcy cases (each a "Committee" and together, the "Committees"), but not in the other Debtors' bankruptcy cases.

On May 9, 2024, the Court entered an order (the "Confirmation Order") [Dkt. 965] (1) granting the "*Motion To Confirm Debtors' First Amended Joint Chapter 11 Liquidating Plan (As Modified) Dated February 21, 2024*" [Dkt. 914] filed by the Debtors, and (2) confirming the "*Debtors' First Amended Joint Chapter 11 Liquidating Plan (As Modified) Dated February 21, 2024*" (the "Plan") [Dkt. 892], as further modified by the Modifications, as described and defined in the "*Debtors' Omnibus Reply To Objections To Motion To Confirm Debtors' First Amended Joint Chapter 11 Liquidating Plan (As Modified) Dated February 21, 2024*" [Dkt. 947], which

[1] Unless otherwise stated, all Section references herein are to 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code").

Modifications were approved pursuant to the Confirmation Order. The Plan with the Modifications is referred to herein as the "Modified Plan."

The Modified Plan is expected to become effective on May 24, 2024.

A. Prior Fee and Expense Awards

This Final Application is LNBYG's second application for approval of Fees and reimbursement of Expenses. On November 9, 2023, LNBYG filed its first interim fee application (the "First Application")[2] [Dkt. 546] pursuant to which LNBYG sought the approval and payment of Fees in the amount of $905,045.00 and Expenses in the amount of $24,981.27 incurred during the First Covered Period, for the total sum of $930,026.27. On December 13, 2023, the Court entered an order [Dkt. 671] approving the First Application and the full amount of Fees and Expenses requested therein. After the application of LNBYG's remaining retainer per the foregoing order and other payments made on its First Application, LNBYG is still owed $181,009.00 in Fees awarded pursuant to the foregoing order on LNBYG's First Application for the First Covered Period.

B. Request for Allowance of Fees and Reimbursement of Expenses

Pursuant to Rule 2016-1(a) of the Local Bankruptcy Rules, LNBYG requests that this Court:

(1) approve, on a final basis, LNBYG's Fees in the amount of $905,045.00 and Expenses in the amount of $24,981.27 incurred during the First Covered Period, for the total sum of $930,026.27;

(2) approve, on a final basis, LNBYG's Fees in the amount of $678,874.50 and Expenses in the amount of $3,854.26 incurred during the Second Covered Period, for the total sum of $682,728.76; and

(3) authorize and direct the Debtors to pay LNBYG (a) the $181,009.00 in Fees owed to LNBYG on its First Application for the First Covered Period and (b) the total of $682,728.76 in Fees and Expenses sought pursuant to this Final Application for the Second Covered Period.

---

[2] LNBYG's First Application is incorporated herein by this reference. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the First Application.

For the reasons discussed herein, LNBYG respectfully submits that its Fees incurred in the Debtors' eight (8) cases are reasonable under applicable statutory and case law and given the results in the cases thus far.

C. Proper Notice

In accordance with the Court's *Final Order Granting Debtors' Emergency Motion For Order Limited Notice And Related Relief* [Dkt. 328], notice of this Final Application and the amount of Fees and Expenses sought herein has been served by U.S. mail and/or NEF where available upon (1) the Office of the United States Trustee, (2) creditors holding the 20 largest unsecured claims in each of the cases, (3) secured creditors or their counsel, (4) counsel to the Committees appointed in the Ittella and NMFD cases, which are the only cases in which committees were appointed, and (5) all parties that have filed requests for special notice creditors and all parties requesting special notice.

II. APPLICATION COMPLIES WITH LOCAL BANKRUPTCY RULE 2016-1

A. Description and History of the Debtors' Businesses and a Summary of the Circumstances that Led to the Filing of the Debtors' Chapter 11 Cases and the Present Posture of the Cases[3]

TCI is a publicly held company (NASDAQ: TTCF). Prior to the sale of substantially all of the Debtors' assets and cessation of normal business operations after the Petition Date, which are further discussed herein, TCI offered a broad portfolio of innovative plant-based frozen foods through the other Debtors, all of which are direct or indirect subsidiaries of TCI. Beginning in 2017, the Debtors supplied plant-based products to leading retailers in the United States, with signature products such as ready-to-cook bowls, zucchini spirals, riced cauliflower, acai and smoothie bowls, cauliflower crust pizza, wood fire crusted pizza, handheld burritos, bars and quesadillas.

Prior to the Petition Date and auction of substantially all of the Debtors' assets, the Debtors' products were available in all 50 states both in private label and through their "Tattooed

Chef™" brand mainly in the frozen food section of retail food stores. The Debtors' brand strategy had been to introduce the attributes of a plant-based lifestyle to build a connection with a broad array of consumers that are seeking delicious, sustainably sourced, plant-based foods. As of December 31, 2022, which is about seven months before the Petition Date, the Debtors' products were sold in approximately 21,000 retail outlets in the United States, and the Debtors had 132 SKUs and over 175 plant-based food concepts and recipes under development and testing

Prior to the Petition Date, the Debtors, through their affiliate, Ittella Italy SRL ("Ittella Italy"),[4] operated a 100,000 square foot processing facility in Prossedi, Italy located in close proximity to many of the growers that were the Debtors' primary suppliers of produce. This facility opened in 2017 and, prior to the Debtors' cessation of normal business operations, manufactured various products, including riced cauliflower (plain and value-added), diced squash/zucchini, and vegetable spirals that were used by the Debtors in production. Prior to the Petition Date, in April 2021, the Debtors spent approximately $4.9 million to acquire the Prossedi facility and its machinery to secure and upgrade the frozen food manufacture capabilities.

In May 2021, TCI acquired NMFD and Karsten for a total purchase price of approximately $34.1 million, and, on December 21, 2021, through BCI, acquired substantially all of the assets and assumed certain liabilities from Belmont Confections, Inc. (located in Ohio) for a total purchase price of $16.7 million. In August 2022, TCI, through TTCF, entered into an equipment purchase agreement with Desert Premium Group, LLC pursuant to which the Debtors acquired certain manufacturing, production, and storage assets, organized workforce, as well as assumed a lease for an 80,000 square foot manufacturing facility located in Albuquerque, New Mexico, for a purchase price of approximately $10.4 million.[5]

[4] Concurrently with the commencement of these bankruptcy cases, the Debtors' Italian affiliate commenced a restructuring process under Italian law.

[5] TCI acquired all of the equity of Myjojo pursuant to an Agreement and Plan of Merger, dated June 11, 2020, as amended on August 10, 2020. Myjojo has no operations, and its only asset is the membership interest in Ittella. In turn, Ittella owns the membership interest in ICLLC, a California limited liability company, which owns equity interests in Ittella Italy.

As of the Petition Date, the Debtors leased processing facilities in Paramount, California, Albuquerque, New Mexico, and Youngstown, Ohio, a storage facility in Vernon, California, approximately 270,000 square feet of cold storage facility in Ceccano, Italy and had a small office suite lease in San Pedro, California. The Paramount facility also served as the Debtors' headquarters.

As of the Petition Date, the Debtors owned domestic copyrights and domestic and foreign trademarks, trademark applications, registrations, and other proprietary rights and website domains that were important to their business (collectively, the "Intellectual Property").

When the Debtors went public in 2020, the brand had household awareness of under 6%, were available in only 4 major retailers nationwide, and were in less than 4,000 stores. After that, brand awareness has grown to over 26% of households, and the Debtors' products were carried by over 40 retailers in over 23,000 retail stores. The Debtors invested over $100 million on marketing and in-store promotions to achieve this growth within such a short time period.

After the corporate acquisitions described above and the substantial outlay of funds to develop the market for the Debtors' products, the Debtors found themselves short on cash. In August 2022, the Debtors engaged a financial advisor to pursue new financing through a "PIPE"[6] transaction whereby an institutional or accredited investor would acquire shares in TCI at a below market price, or through other financing methods that might be available to the Debtors. In October 2022, the Debtors' auditors advised the Debtors that certain adjustments and restatements to their financial statements were required, which affected the Debtors' financial statements for the preceding six financial quarters.

Over the next 8 months, the Debtors diligently explored alternative financing and funding solutions. However, due to the Debtors' restated financial statements, changes in the capital markets, and the general economic conditions affecting the Debtors' market segment, the Debtors were unable to obtain any new financing. Although the Debtors experienced revenue growth from $147 million in 2020 to $230 million in 2022, TCI's share price declined dramatically,

particularly over the first quarter of 2023. During this time period, the Debtors' liquidity became constrained and the Debtors fell behind on payments to suppliers and other parties necessary to the continued operation and profitability of their business.

The Debtors did everything possible to reduce operating expenses over the nine months before the Petition Date, but such reduction in expenses did not result in sufficient savings to preserve the Debtors' ability to timely pay its obligations and satisfy customer demand. In addition, the costs of compliance with public company reporting and other requirements were substantial. As a result of the Debtors' inability to obtain new financing and materially reduce operating and other expenses, the Debtors ultimately decided to commence these bankruptcy cases in order to expeditiously pursue a sale of some or all of their assets, including, but not limited to, (1) TCI's equity interests in any of its direct subsidiaries (Myjojo, NMFD, Karsten, BCI and TTCF) and/or indirect subsidiaries (Ittella and ICLLC), (2) ICLLC's equity interests in Ittella Italy, (3) goods, (4) equipment, (5) accounts receivable, (6) Intellectual Property, (7) goodwill, (8) customer lists, (9) contracts and leases, (10) Karsten's interest in real property located in New Mexico (the "Karsten RP") and (11) related assets (collectively, the "Assets"), provided that the Assets to be sold would not include the Debtors' cash, any avoidance actions arising under the Bankruptcy Code (the "Avoidance Claims"), and certain other litigation claims ("Other Litigation Claims").

B. Pre- and Postpetition Lending by UMB and Secured Claims

UMB Bank, n.a. ("UMB") is the Debtors' primary prepetition secured lender. In connection with pre-Petition Date loans made to the Debtors, UMB obtained security interests in, and liens upon, substantially all of the Debtors Assets.

After the Petition Date, the Debtors filed their *Emergency Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to Obtain Postpetition Financing, (II) Authorizing Debtors to Use Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Claims, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, (VI) Scheduling a Final Hearing, and (VII) Granting Related Relief* (the "DIP Motion") [Dkt. 8]. The Court entered an interim order (the "Interim DIP Order") [Dkt. No. 77] granting the

DIP Motion on an interim basis and a final order (the "Final DIP Order" and with the Interim DIP Order, the "DIP Orders") [Dkt. 275] granting the DIP Motion on a final basis.

Pursuant to the DIP Motion and DIP Orders, UMB, provided post-Petition Date financing and consented to cash collateral use and, in connection therewith, obtained automatically perfected security interests in, and liens upon, the Debtors' assets to secure the $3,000,000 New Money DIP Loans (as defined in the DIP Motion and DIP Orders) and $3,000,000 DIP Roll-Up Loans (as defined in the DIP Motion and DIP Orders) made by UMB to the Debtors, with such post-Petition Date liens subject only to (1) the Carve-Out (as defined in the DIP Orders), (2) certain liens permitted pursuant to the terms of the DIP Credit Agreement (as defined in the DIP Orders), and (3) other Permitted Prior Liens (as defined in the DIP Orders).

In addition to certain Logistics Asserted Liens (as defined in the DIP Orders – *i.e.*, Permitted Prior Liens that are statutory possessory liens held by cold storage, warehouse, and freight providers), a review of the UCC Reports and active UCC-1 Financing Statements obtained from the secretary of state for each Debtor in the state in which the Debtor was incorporated showed other liens on certain of the Debtors' Assets.

C. Significant Events Which Have Occurred During The Debtors' Chapter 11 Bankruptcy Cases

As the Court is aware, at the outset of these bankruptcy cases, in an effort to minimize the disruption to the Debtors' business from the bankruptcy filings, the Debtors, with the assistance of LNBYG, prepared and filed a number of standard first-day, emergency motions (the "First-Day Motions"), all of which were granted by the Court. Thereafter, the Debtors, with the assistance of LNBYG, prepared and filed a number of other motions and other pleadings related to, and in furtherance of, the Debtors' efforts to (1) effectuate a sale of substantially all of their Assets, (2) sell or otherwise dispose of Assets remaining after the auction sale of substantially all of the Debtors' Assets, and (3) otherwise effectuate an orderly liquidation of the Assets and administration of the Debtors' estates for the benefit of creditors.

The First Application, which is incorporated herein by this reference, included a list of the principal motions filed during the First Covered Period. During the Second Covered Period, the following principal motions were filed:

In addition to the foregoing, during the Second Covered Period, the Debtors, with the assistance of LNBYG, also spent material time and effort (1) continuing to close the multitude of sales of the Debtors' Assets resulting from the Auction, including the close of the sale of the Karsten RP, which was complex because it required the exoneration of a municipal bond and the satisfaction of related secured debt, an exercise of a $1 purchase option under the lease from the county to Karsten, the transfer of the Karsten RP from the county to Karsten and then from Karsten to the buyer, Hilco, (2) continuing to sell de minimis Assets remaining after the Auction, (3) continuing to otherwise abandon Assets, reject leases, and vacate previously leased premises to advance efforts to fully administer the estate, and (4) pursuing actions to recover on accounts receivable from Target, Walmart, and United Natural Foods, because such actions could not be pursued by counsel to the Ittella Committee, which is pursuing other collection actions, due to conflicts of interests regarding the defendants.

D. Date of Entry of Order Approving LNBYG's Employment and Date Services Commenced

On July 5, 2023, the Debtors filed their Employment Application [Dkt. 55] to employ LNBYG as bankruptcy counsel, with the employment effective as of the Petition Date of July 2, 2023. On August 24, 2023, the Court entered its order approving LNBYG's Employment Application, with the employment effective as of the Petition Date of July 2, 2023 [Dkt. 314].

E. Fees and Expenses Previously Requested

On November 9, 2023, LNBYG filed its First Application [Dkt. 546], pursuant to which LNBYG sought the approval and payment of Fees in the amount of $905,045.00 and Expenses in

the amount of $24,981.27 incurred during the First Covered Period, for the total sum of $930,026.27. On December 13, 2023, the Court entered an order [Dkt. 671] approving the First Application and the full amount of Fees and Expenses requested therein. After the application of LNBYG's remaining retainer per the foregoing order and other payments made on its First Application, LNBYG is still owed $181,009.00 in Fees awarded pursuant to the foregoing order on LNBYG's First Application for the First Covered Period.

F. Source and Amount of Cash Available to Pay LNBYG's Allowed Fees and Expenses and the Allowed Fees and Expenses of Other Administrative Claims

UMB, the Debtors' primary secured creditor, has been paid in full, and the Debtors are not aware of any creditors with valid secured claims. Therefore, the Debtors' cash, which be used to pay the outstanding administrative claims of LNBYG, other professionals employed by the estates, and any other allowed administrative claims, is unencumbered.

Pursuant to the confirmed Modified Plan, and the resulting approval of the Intercompany Compromise that was part of the Modified Plan, subject to a reserve to pay allowed professional administrative claims, all of the Debtors' cash, including any that is on hand on the Effective Date or recovered thereafter, will be consolidated into Ittella, provided that, Ittella shall pay each other Debtor funds sufficient to pay, *inter alia*, all Allowed Administrative Claims.

As discussed in the Confirmation Memo, (1) the Debtors estimate a total of $315,470 in Allowed Secured Claims, Allowed Priority Tax Claims, and Allowed Other Priority Claims, which are to be paid on or soon after the Effective Date of the Plan, and (2) the Debtors estimate $1.4 million in Allowed Non-Professional Administrative Claims and $2.3 million for a total of $3.7 million in Allowed Administrative Claims. Thus, in total, the Debtors estimate approximately $4.015 million in Allowed Secured Claims, Allowed Administrative Claims, Allowed Priority Tax Claims, and Allowed Other Priority Claims, which, under the Modified Plan, are to be paid on or near the Effective Date.

As of April 16, 2024, the Debtors were holding approximately $2.63 million in cash. Therefore, as of such date, the Debtors needed to receive approximately $1.46 million in Cash before the projected Modified Plan Effective of May 24, 2024 to have sufficient cash to pay

and/or reserve for the foregoing $4.092 million in estimated Allowed Secured Claims, Allowed Administrative Claims, Allowed Priority Tax Claims, and Allowed Other Priority Claims. The Debtors and the Ittella Committee are continuing to collect funds in pending collection actions on the Debtors' accounts receivable and will advise the Court at the hearing on final fee applications as to the Debtors current cash position. LNBYG also notes that, in the operative disclosure statement for the confirmed Modified Plan, the Debtors estimated recovering not less than an additional $8.196 million from estate causes of action and other Assets of the estates.

As discussed in the Confirmation Memo, to the extent the Debtors do not have sufficient funds to pay or reserve for all Allowed Secured Claims, Allowed Administrative Claims, Allowed Priority Tax Claims, and Allowed Other Priority Claims, LNBYG, Loeb, Brinkman, Dunson, and Gibson Dunn have agreed to defer payments on their allowed final fee applications, on a pro rata basis, but only to the extent necessary to maintain sufficient funds to pay or reserve for the projected Allowed Secured Claims, Allowed Non-Professional Administrative Claims, Allowed Priority Tax Claims, and Allowed Other Priority Claims, plus $100,000 to ensure that there is some recovery on Unsecured Claims on the Effective Date.

G. Brief Narrative Statement of Services Rendered, Time Expended, and Fees Charged for Each Category and Benefits to the Estate During the Second Covered Period.

When recording its time, LNBYG places all time entries for fees into one of fifteen billing categories. These categories consist of (1) Asset Analysis and Recovery, (2) Asset Disposition, (3) Business Operations, (4) Case Administration, (5) Claims Administration and Objections, (6) Employee Benefits/Pensions, (7) Fee/Employment Applications, (8) Fee/Employment Objections, (9) Financing, (10) Relief from Stay, (11) Meetings of Creditors, (12) Plan and Disclosure Statement, (20) Other Litigation, and (99) Miscellaneous. Inevitably, and also because there are eight Debtors, certain time entries do not fit neatly into any one category or with one specific Debtor, while other time entries cross over into more than one category or across one or more Debtors. LNBYG does its best to place time entries into categories which accurately reflect the work performed. However, it is inevitable that there will be some time entries that have been

placed into the incorrect category or where various time entries dealing with the same subject matter have been placed into multiple categories.

Below is a composite, on a Debtor by Debtor, basis of hours billed and fees incurred for each of the categories further discussed below.

C. Detailed Listing of All Time Spent By the Professional on the Matter for Which Compensation is Sought.

Attached hereto are the following exhibits, on a Debtor by Debtor basis, with a detailed listing, on a Debtor by Debtor basis, of all time that LNBYG spent during the Second Covered Period for which LNBYG seeks compensation, including the date LNBYG rendered the service, a description of the service, the amount of time spent and a designation of the person who rendered the service for the period of time for the Second Covered Period. Also included in the following exhibits is a summary, on a Debtor by Debtor basis, of the hours and fees charged by each of LNBYG's attorneys and paraprofessionals that performed services for the Debtors. Also included in the following exhibits is a breakdown, on a Debtor by Debtor basis, of time entries into the activity codes maintained by LNBYG. The exhibits are as follows:

D. Detailed Listing of Expenses By Category.

Also included in **Exhibits "1" through "8"** are summary listings by category and an itemization of all expenses that LNBYG advanced on behalf of the Debtors during the Second Covered Period, on a Debtor by Debtor basis. These include LNBYG's expenses incurred in photocopying, making long distance telephone calls, telecopying, mailing, and hiring messenger services. LNBYG generally handles regular and routine photocopying in-house for which LNBYG charges clients twenty cents per page. While LNBYG believes that this is less than

LNBYG's actual expenses incurred with regard to the photocopying machines, supplies and labor associated with providing photocopying services, this charge reflects the photocopying charge recommended by the UST in the Central District of California. LNBYG's photocopy machines automatically record the number of copies made when the person that is photocopying enters the client's account number into a device attached to the photocopy machine. Whenever feasible, LNBYG sends large copying projects to outside copy services that charge bulk rates for photocopying. In such instances, LNBYG charges clients the same amount that LNBYG pays the outside service.

LNBYG charges clients $1.00 per page for sending telecopies and $.20 per page for receiving telecopies which LNBYG believes is less than LNBYG's actual expenses incurred with regard to telecopying but again is a decision by LNBYG to comply with the standards set forth by the UST in the Central District of California.

All expenses that LNBYG advanced on behalf of the Debtors were necessarily incurred and are properly charged as administrative expenses of these chapter 11 bankruptcy estates.

When LNBYG uses Lexis and Westlaw, the user inputs the client account number or case name for the research to be performed. Each month, LNBYG receives a Lexis and Westlaw invoice which reflects both an aggregate total of charges incurred by LNBYG for the month, as well as a break out of the specific charges incurred on behalf of each client (identified by name or client account number). The amount(s) reflected on the monthly invoice is then entered by LNBYG staff to the appropriate client account number as identified on the invoice. There is no profit or other additional charge added to the amount reflected in the Lexis and Westlaw invoice.

E. Description of Professional Education and Experience.

LNBYG is currently comprised of approximately 24 lawyers. LNBYG is comprised of attorneys who specialize in and limit their practice to matters of insolvency, reorganization and bankruptcy law, and commercial litigation matters, and is well qualified to represent the Debtors. The attorneys comprising or associated with LNBYG are admitted to practice law in the California courts and in various United States District Courts in California. Attached hereto as **Exhibit "9"** is a copy of LNBYG's firm resume and the resumes of its professionals and

paraprofessionals. Attached hereto as **Exhibit "10"** is a listing of the current hourly billing rates for each of LNBYG's professionals and paraprofessionals.

III. STANDARD OF LAW

Prior to the enactment of the Bankruptcy Code, the rule with respect to compensation requests in the Ninth Circuit was that the Bankruptcy Court should award attorneys' fees in accordance with a "strict rule of economy test." *In re THC Financial Corp.*, 659 F.2d 951, 955 n.2 (9th Cir.1981), *cert. denied*, 456 U.S. 977 (1982). This is no longer the law. The legislative history to section 330 of the Bankruptcy Code indicates that Congress was primarily concerned with protecting the public interest in the smooth, efficient operation of the bankruptcy system by encouraging competent bankruptcy specialists to remain in the field. *First National Bank of Chicago v. Committee of Creditors Holding Unsecured Claims (In re Powerline Oil Co.)*, 71 B.R. 767, 770 (Bankr. 9th Cir.1986); *In re Baldwin-United Corp.,* 79 B.R. 321, 346 (Bankr. S.D. Ohio 1987). Toward this end, Congress specifically disavowed notions of economy of administration, and provided that compensation in bankruptcy case should be comparable to what is charged in nonbankruptcy matters. *Id*. at 346.

Under the lodestar approach, the Court is to determine the number of hours reasonably expended in an attorney's or other professional's representation of a debtor and multiply such number by a reasonable hourly rate for the services performed. *See Delaware Valley Citizens' Council for Clear Air*, 478 U.S. at 565; *In re Powerline Oil Co.*, 71 B.R. at 770. A reasonable hourly rate is presumptively the rate the marketplace pays for the services rendered. *Missouri v. Jenkins by Agyei*, 491 U.S. 274, 109 S.Ct. 2463, 2469 (1989); *Burgess v. Klenske (In re Manoa Finance Co., Inc.)*, 853 F.2d 687, 691 (9th Cir.1988). Recognizing that the determination of an appropriate "market rate" for the services of a lawyer (or other professional) is inherently difficult, the Supreme Court stated:

> Market prices of commodities and most services are determined by supply and demand. In this traditional sense there is no such thing as a prevailing market rate for the service of lawyers in a particular community. The type of services rendered by lawyers, as well as its

> experience, skill, and reputation, varies extensively -- even within a law firm. Accordingly, the hourly rates of lawyers in private practice also vary widely. The fees charged often are based on the product of hours devoted to the representation multiplied by the lawyer's customary rate.

Blum v. Stenson, 465 U.S. 886, 895 n.11 (1984). The Supreme Court has stated that a reasonable attorney's fee "means a fee that would have been deemed reasonable if billed to affluent plaintiffs by its own attorneys." *Missouri v. Jenkins by Agyei*, 109 S.Ct. at 2470 (quoting *City of Riverside v. Rivera*, 477 U.S. 561, 591 (1986) (Rehnquist, J. dissenting)). Accordingly, a reasonable hourly rate is the hourly amount to which attorneys in the area with comparable skill, experience and reputation typically would be entitled as compensation. *Blum v. Stenson*, 465 U.S. at 895 n.11.

LNBYG respectfully submits that, with regard to the Second Covered Period, the hourly rates for its professionals and paraprofessionals are reasonable and appropriate in the relevant community and in view of the circumstances of the Debtors' eight cases, the demands that the cases placed on LNBYG, LNBYG's efforts to, among other things, advance the Debtors efforts to administer their estates as soon as practicable, including via confirmation of the Modified Plan, and the results thus far in the cases.

IV. CONCLUSION

WHEREFORE, LNBYG respectfully requests that this Court enter an order:

(1) approving, on a final basis, LNBYG's Fees in the amount of $905,045.00 and Expenses in the amount of $24,981.27 incurred during the First Covered Period, for the total sum of $930,026.27;

(2) approving, on a final basis, LNBYG's Fees in the amount of $678,874.50 and Expenses in the amount of $3,854.26 incurred during the Second Covered Period, for the total sum of $682,728.76;

/ / /

/ / /

(3) authorizing and directing the Debtors to pay LNBYG (a) the $181,009.00 in Fees owed to LNBYG on its First Application for the First Covered Period and (b) the total of $682,728.76 in Fees and Expenses sought pursuant to this Final Application for the Second Covered Period; and

(4) granting such other and further relief as the Court deems just and proper.

RICKY STEELMAN is a senior litigator at Levene, Neale, Bender, Yoo & Golubchik L.L.P. Mr. Steelman's client-centered and resolution-driven practice focuses on complex commercial disputes, including litigation connected to bankruptcy, restructuring and insolvency. His extensive business litigation experience includes successful representation of individuals, Fortune 500 companies, hospitals, and emergency physician groups in state and federal courts, private arbitrations, and more than 75 appeals in the various appellate districts of the California Courts of Appeal, as well as the United States Court of Appeals for the Ninth Circuit.

RICHARD P. STEELMAN, JR.
rps@lnbyg.com

Not only an experienced appellate attorney and litigator, Mr. Steelman also has substantial bankruptcy experience in numerous bankruptcy matters and adversary proceedings. Specifically, he played a critical role in obtaining summary judgment (resulting in a published decision in favor of a Fortune 100 financial institution) where the bankruptcy court granted his plaintiff client's request for substantive consolidation. That judgment forced seven non-debtor entities and three non-debtor individuals involved in a multi-million dollar mortgage-relief fraud scheme into the primary debtor-entity's Chapter 7 bankruptcy and under the purview of the bankruptcy court. This resulted in better protections for vulnerable consumers and members of the community, as well as financial institutions and corporations.

In addition to his significant class action defense work in federal court, Mr. Steelman has appeared numerous times in California probate court. He first chaired a probate trial where he successfully challenged the executor's final accounting of a probate estate and the executor's request for extraordinary fees in connection with that estate. That probate decision after a multiple-day trial resulted in greater financial distributions to Mr. Steelman's client, as well as several other non-profit organizations across the country.

Mr. Steelman is very proud to be a two-time Cooke Scholar after being selected for the 2002 Jack Kent Cooke Foundation Undergraduate Scholarship and the 2006 Jack Kent Cooke Foundation Graduate Scholarship – a rare and coveted accomplishment in today's competitive world. He is also honored to have been named a Southern California Super Lawyers "Rising Star" each year since 2013.
