Scott Avila as the Debtors' CRO effective as of the Petition Date, and (ii) granting related relief. In support of this Motion, the Debtors submit the *Declaration of T. Scott Avila* (the "Avila Declaration") attached hereto as **Exhibit B**, and respectfully state as follows:

Jurisdiction

1. The United States Bankruptcy Court for the District of Delaware (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing*

Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Debtors confirm their consent pursuant to Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "Local Rules") to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory bases for the relief sought herein are sections 105(a) and 363(b) of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the "Bankruptcy Code"), as well as Rule 2014(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and Local Rules 2016-1 and 2016-2.

Background

4. On October 16, 2024 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. As of the date of this Motion, no trustee, examiner or statutory committee of creditors has been appointed in these cases.

5. The Debtors operate a technology-based, peer-to-peer truck-sharing platform in 400 cities in 32 states across the United States for the rental of trucks, cargo vans and box trucks owned by their nondebtor affiliates or third-party owners who have elected to put their vehicles on the Debtors' platform, https://www.fluidtruck.com/. Vehicles are available for rent 24/7, 365 days a year at the tap of a button; customers have quick and easy access to the right vehicle whenever

they need it via the Debtors' mobile app and website. Trucks may be rented for as little as a few hours or as long as several months.

6. Additional information about the Debtors, including their business operations, corporate and capital structure, and the events leading to the filing of these cases is detailed in the *Declaration of T. Scott Avila in Support of Chapter 11 Petitions and First Day Relief* (the "First Day Declaration") [Docket No. 13].

Relief Requested and Qualifications of Paladin and Mr. Avila

7. The Debtors have determined that the ongoing services of Paladin, Mr. Avila, and the Additional Staff will substantially enhance their attempts to maximize the value of their estates. Paladin, Mr. Avila, and the Additional Staff are well-qualified to act on the Debtors' behalf given their extensive knowledge and expertise with respect to chapter 11 proceedings. As such, the Debtors request authorization to utilize Paladin, Mr. Avila, and the Additional Staff as appropriate, and specifically, have Mr. Avila appointed to the position of CRO.

8. Paladin is well-qualified to represent the Debtors in connection with the types of services requested herein. Paladin is a middle-market advisory firm that specializes in corporate restructuring, transaction advisory, operations performance improvement, strategic communications and strategic advisory services both in-and-out of court proceedings. Paladin has a wealth of experience in providing chief restructuring and financial advisory services and enjoys an excellent reputation for services it has rendered in complex chapter 11 cases on behalf of debtors and creditors.

9. Paladin's restructuring professionals have been actively involved in large chapter 11 cases, including, among others: *In re AmeriFirst Financial, Inc.*, Case No. 23-11240 (Bankr. D. Del.); *In re Lear Capital, Inc.*, Case No. 22-10165 (Bankr. D. Del.); *In re CalPlant I Holdco*, Case No. 21-11302 (Bankr. D. Del.); *In re Easterday Ranches, Inc.*, Case No. 21-00141 (Bankr.

E.D. Wash.); *In re MD America Holdings, Inc.*, Case No. 20-34966 (Bankr. S.D. Tex.); *In re TZEW Holdco LLC*, Case No. 20-10910 (Bankr. D. Del.); *In re Chesapeake Energy Corp.*, Case No. 20-33233 (Bankr. S.D. Tex.); *In re Sugarfina, Inc.*, Case No. 19-11973 (Bankr. D. Del.); and *In re Miami Metals I, Inc.*, Case No. 18-13359 (Bankr. S.D.N.Y.); *In re SS Body Armor I, Inc.*, Case No. 10-11255 (Bankr. D. Del.).

10. The Debtors retained Paladin prepetition to provide professional services, including providing Mr. Avila to serve as the Debtors' CRO. Since its engagement, Paladin has worked closely with the Debtors' board, management, and their other advisors and counsel. Accordingly, Paladin has the experience, expertise, and specifically relevant knowledge regarding the Debtors that will assist it in providing effective and efficient services in these chapter 11 cases.

11. The Debtors also propose to designate Mr. Avila as their CRO in these chapter 11 cases, effective as of the Petition Date. Mr. Avila has more than twenty-five years of experience supporting company management teams and stakeholders across multiple industries. He has led over 150 large-scale engagements and has frequently assumed interim executive roles.

12. Mr. Avila is the founding partner of Paladin. Prior to founding Paladin, Mr. Avila led restructuring teams at Deloitte and CRG Partners Group prior to its sale to Deloitte.

13. The Debtors believe that Paladin is able to advise them in a cost-effective, efficient, and timely manner. The Debtors submit that the retention of Paladin and the designation of Mr. Avila as CRO on the terms and conditions set forth herein are necessary and appropriate, is in the best interests of the Debtors' estates, creditors, and all other parties in interest, and should be granted in all respects.

Services to be Provided

14. The Debtors seek to retain Paladin to provide the Debtors with a CRO and Additional Staff as necessary on the terms and conditions set forth in the Engagement Letter[2] and any order granting the relief requested herein.

15. Paladin will provide CRO services to the Debtors as directed by the Debtors' Board of Directors (the "Board") and will report to the Board. Generally, the CRO shall perform activities and services customarily performed by a chief restructuring officer, including:

- Provide general oversight of the Debtors and their employees, including, without limitation, control over, and management of treasury and cash management function;
- Identifying and implementing various strategic restructuring strategies and assessing the business and financial impact of those strategies;
- Developing and implementing cash management and cash flow forecasting processes;
- Assist the Company's employees and personnel with the preparation of financial forecasts and reports that may be required by the Company's Board, Restructuring Committee, lenders and stakeholders;
- Participate in negotiations with the Company's lenders, significant vendors, and other stakeholders;
- Providing strategic communication services, which will include but not be limited to, assessment and development of a strategic communications plan; and
- Provide such further advice and support that are conducive to the above or as the parties otherwise agree.

16. These services are necessary to enable the Debtors to maximize the value of their estates and successfully complete their chapter 11 cases.

[2] The summaries of the Engagement Letter (and indemnification provisions set forth therein) contained in this Motion are provided for purposes of convenience only. In the event of any inconsistency between the summaries contained herein and the terms and provisions of the Engagement Letter, the terms of the Engagement Letter shall control unless otherwise set forth herein or in the order granting this Motion. Capitalized terms used in such summaries but not otherwise defined herein shall have the meanings set forth in the Engagement Letter.

No Duplication of Services

17. The services provided by Paladin will complement, and not duplicate, the services to be rendered by other professionals retained in the chapter 11 cases.

Paladin's Disinterestedness

18. To the best of the Debtors' knowledge, information, and belief, no fact or situation exists that would represent a conflict of interest for Paladin with regard to the Debtors.

19. Although the Debtors believe that neither Paladin nor the Additional Staff is a "professional" whose retention is subject to approval under section 327 of the Bankruptcy Code, the Avila Declaration discloses any connections with parties in interest in these chapter 11 cases.

20. To the best of the Debtors' knowledge, information, and belief, other than as set forth above and in the Avila Declaration, Paladin: (a) has no connection with the Debtors, their creditors, other parties in interest, or the attorneys or accountants of any of the foregoing, the office of the United States Trustee for the District of Delaware (the "U.S. Trustee"), or any person employed in the office of the U.S. Trustee, this Court, or any person employed in this Court; and (b) does not hold any interest adverse to the Debtors' estates. As set forth in the Avila Declaration, if any new material facts or relationships are discovered or arise, Paladin will provide the Court with a supplemental declaration disclosing, among other things, any new material facts and relationships between the Debtors, the Additional Staff, or other significant parties in interest.

Terms of Retention

21. As set forth in the Engagement Letter, the Debtors have agreed to, among other things: (a) compensate and reimburse Paladin for services provided and expenses incurred by the CRO and Additional Staff; and (b) indemnify Paladin and its personnel, including the CRO, in accordance with the terms of the Engagement Letter as modified by the form of Order attached hereto.

A. Compensation and Expenses

22. Paladin's decision to accept this engagement is conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment, compensated for its services, and reimbursed for out-of-pocket expenses it incurs in accordance with its customary billing practices (the "Fee and Expense Structure").

23. The Debtors propose to compensate Paladin on an hourly basis, plus reimbursement of actual, necessary expenses and other charges. The current standard hourly rates of Paladin's professionals range from $450 to $925. The CRO's rate will be $850 per hour.

24. The hourly rates set forth above are set at a level designed to fairly compensate Paladin, to cover fixed and routine overhead expenses, and are subject to periodic adjustments as set forth in the Engagement Letter.

25. Beyond the rates listed above, the Debtors shall reimburse Paladin for its reasonable out-of-pocket documented expenses incurred in connection with this assignment, such as travel, meals and lodging, delivery services.

26. The Fee and Expense Structure is consistent with and typical of compensation arrangements entered into by Paladin and other comparable firms that render similar services under similar circumstances. The Debtors believe that the Fee and Expense Structure is reasonable, market-based, and designed to compensate Paladin fairly for its work and to cover fixed and routine overhead expenses.

B. Indemnification

27. As a material part of the consideration for which Paladin has agreed to provide the services described herein, and pursuant to the Engagement Letter, including the indemnification provisions attached thereto and incorporated by reference therein (the "Indemnification Provisions"), the Debtors have agreed to indemnify and hold harmless Paladin, Paladin personnel

(including their affiliates and its and their partners, director, officers, employees, and agents), (collectively, the "Indemnified Parties") under certain circumstances.[3]

28. Notwithstanding the foregoing, the Proposed Order modifies the Indemnification Provisions so that the Debtors are only permitted to indemnify those persons serving as executive officers on the same terms as provided to the Debtors' other officers and directors under the Debtors' bylaws and applicable state law, in addition to insurance coverage under the Debtors' director and officer insurance policies. The Proposed Order further provides that there shall be no other indemnification of Paladin and its affiliates or subsidiaries. The Debtors and Paladin believe that the Indemnification Provisions, as modified by the Proposed Order, are customary and reasonable for firms providing interim management services.

Fees and Reporting

29. Upon Court approval of the relief requested herein, Paladin will be retained to provide the Debtors with the CRO and Additional Staff as necessary, pursuant to section 363 of the Bankruptcy Code. Because Paladin is not being employed as a professional under section 327 of the Bankruptcy Code, Paladin will not be required to submit fee applications pursuant to sections 330 and 331 of the Bankruptcy Code.

30. Instead, Paladin shall file with the Court with copies to the United States Trustee ("U.S. Trustee") a report of staffing on the engagement for the previous month. Such report shall include the names and functions filled of the individuals assigned. All staffing shall be subject to review by the Court in the event an objection is filed. Paladin shall file with the Court, and provide notice to the U.S. Trustee, reports of compensation earned and expenses incurred on a monthly basis. Such reports shall contain summary charts which describe the services provided, identify

[3] In summary, the Debtors agreed to indemnify Paladin from liability incurred by Paladin in connection with Paladin's engagement pursuant to the Engagement Letter.

the compensation earned by each executive officer and staff employee provided, and itemize the expenses incurred. Time records shall (i) be appended to the reports, (ii) contain detailed time entries describing the task(s) performed, and (iii) be organized by project category. The time entries shall identify the time spent completing each task in quarter-hour increments and the corresponding charge (time multiplied by hourly rate) for each task. Parties in interest shall have 14 days after the date each report is served to object to such report. In the event an objection is raised and not consensually resolved, the portion of the staffing report objected to shall be subject to review by the Court. No payments shall be made to Paladin until the objection period has passed, and in the event an objection is raised, no payment shall be made to Paladin on account of the portion of such staffing report objected to until such objection is resolved.

31. Subject to interested parties' rights to object as set forth above, the Debtors seek authority to pay, in the ordinary course of business, all amounts invoiced by Paladin for fees and expenses incurred in connection with Paladin's retention. The Debtors do not, at this time, seek pre-approval of any success fees, transaction fees, or other back-end fees in connection with Paladin's retention; however, they reserve the right to seek approval of payments of that nature by the Court at the conclusion of the cases on a reasonable standard basis.

32. In the 90 days prior to the Petition Date, the Debtors paid Paladin $1,961,902.73 for professional services performed and expenses incurred. Paladin holds in retainer $75,000 (the "Retainer"). As of the Petition Date, no amounts remained outstanding with respect to the invoice(s) issued by Paladin. The Retainer will be held until the end of these cases and applied to Paladin's final approved fees and expenses. Upon the termination of Paladin's engagement, Paladin will return any unused portion of the Retainer to the Debtors.

33. Given the numerous issues which the Additional Staff may be required to address in the performance of their services, Paladin's commitment to the variable level of time and effort

necessary to address all such issues as they arise, and the market prices for such services in an in-court and out-of-court context, the Debtors submit that the fee arrangements set forth in this Motion and in the Engagement Letter are reasonable.

Basis for Relief

34. The Debtors seek to employ and retain Paladin, and designate Mr. Avila as CRO pursuant to section 363 of the Bankruptcy Code, effective as of the Petition Date. Section 363(b)(1) of the Bankruptcy Code provides in relevant part that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). Further, pursuant to section 105(a) of the Bankruptcy Code, the "court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a).

35. Under applicable case law in this and other jurisdictions, if a debtor's proposed use of its assets pursuant to section 363(b) of the Bankruptcy Code represents a reasonable business judgment on the part of the debtor, such use should be approved. *See, e.g.*, *In re Del. & Hudson Ry. Co.*, 124 B.R. 169, 175-76 (D. Del. 1991) (courts have applied the "sound business purpose" test to evaluate motions brought pursuant to section 363(b) of the Bankruptcy Code); *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1070 (2d Cir. 1983) ("The rule we adopt requires that a judge determining a §363(b) application expressly find from the evidence presented before him at the hearing a good business reason to grant such an application."); *Comm. of Asbestos-Related Litigants v. Johns-Manville Corp. (In re Johns-Manville Corp.)*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) ("Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor's conduct.").

36. The relief requested herein is appropriate and warranted under each of the above standards. The decision to retain Paladin, designate Mr. Avila as CRO, and utilize the Additional Staff should be authorized because it is based on a sound exercise of the Debtors' business judgment. First, as described above, Mr. Avila has extensive experience as a chief restructuring officer and financial advisor for many troubled companies. The Debtors believe that Mr. Avila and the Additional Staff will provide services that substantially benefit the Debtors' estates and creditors. Paladin has extensive experience in providing turnaround and crisis management services in chapter 11 proceedings and has an excellent reputation for the services it has rendered in chapter 11 cases on behalf of debtors and creditors throughout the United States.

37. Second, Mr. Avila and the Additional Staff, working in conjunction with the Board and senior management, have already proven to be of invaluable assistance to the Debtors in analyzing their businesses, negotiating debtor in possession financing, developing debtor in possession financing budgets, developing cash flow projections, assisting in short-term cash management activities, evaluating strategic alternatives, interfacing with the Debtors' secured lenders and their advisors, and preparing the Debtors for their chapter 11 cases.

38. Finally, through negotiations, the Debtors have been able to retain Paladin and secure the services of Mr. Avila and the Additional Staff during these chapter 11 cases on economic terms that are fair, reasonable, and beneficial to the Debtors' estates. Moreover, the compensation arrangement provided for in this Motion and the Engagement Letter is consistent with and typical of arrangements entered into by Paladin and other restructuring consulting firms with respect to rendering similar services for clients such as the Debtors.

39. Courts in this district have approved relief similar to the relief requested in this Motion. *See, e.g.*, *In re AmeriFirst Financial, Inc.*, Case No. 23-11240 (TMH) (Bankr. D. Del. Oct. 2, 2023); *In re Agspring, LLC*, Case No. 23-10699 (CTG) (Bankr. D. Del. Aug. 16, 2023); *In*

re GigaMonster Networks LLC, Case No. 23-10051 (JKS) (Bankr. D. Del. Feb. 9, 2023); *In re Agspring Mississippi Region, LLC*, Case No. 21-11238 (CTG) (Bankr. D. Del. Oct. 12, 2021); *In re CarbonLite Holdings LLC*, Case No. 21-10527 (JTD) (Bankr. D. Del. Apr. 7, 2021); *In re 24 Hour Fitness Worldwide, Inc.*, Case No. 20-11558 (KBO) (Bankr. D. Del. July 13, 2020); *In re TZEW Holdco LLC, et al.,* Case No. 20-10910 (CSS) (Bankr. D. Del. May 7, 2020); and *In re AH Liquidation, Inc.*, Case No. 21-10883 (CTG).

40. The retention of Paladin and the employment of Mr. Avila and the Additional Staff is a sound exercise of the Debtors' business judgment and is in the best interests of all parties in interest in these chapter 11 cases. The Debtors additionally believe that Paladin is well-qualified and able to represent the Debtors in a cost effective, efficient, and timely manner. Paladin has indicated a willingness to act on behalf of the Debtors and to subject itself to the jurisdiction and supervision of the Court. The retention of Paladin and the designation of Mr. Avila as CRO, on the terms set forth herein and in the Engagement Letter, is essential, appropriate, and in the best interests of the Debtors' estates, creditors, and other parties in interest, and should be granted in these chapter 11 cases.

Request for Approval of Retention Effective as of the Petition Date

41. The Debtors request that Paladin's retention be made effective as of the Petition Date in order to allow Paladin to be compensated for the work performed for the Debtors prior to the Court's consideration and approval of this Motion. The Debtors submit that under the circumstances, and to avoid irreparable harm to the Debtors' estates that may occur if Paladin is not immediately retained, retroactive approval to the Petition Date is warranted.[4] *See e.g., FIS Airlease II, Inc. v. Simon (In re FIS Airlease II, Inc.)*, 844 F.2d 99, 103 (3d Cir. 1988), cert. denied,

[4] Local Rule 2014-1(b) provides, in relevant part: "If the retention motion is granted, the retention shall be effective as of the date the motion was filed, unless the Court orders otherwise."

488 U.S. 852 (1988); *In re Garden Ridge Corp.*, 326 B.R. 278, 281 (Bankr. D. Del. 2005); *Indian River Homes, Inc. v. Sussex Trust Co.*, 108 B.R. 46, 51 (D. Del. 1989) (approval of debtor's employment of attorney and real estate agent as of a prior date was not an abuse of discretion).

Notice

42. Notice of this Motion shall be given to the following parties: (a) the U.S. Trustee; (b) the Debtors' 30 largest unsecured creditors on a consolidated basis; and (c) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

43. No prior request for the relief sought in this Motion has been made to this Court or any other court.

[Remainder of Page Intentionally Blank]

WHEREFORE, the Debtors respectfully request the entry of an Order in the form annexed hereto as **Exhibit A**, (i) granting this Motion, (ii) authorizing the Debtors to engage Mr. Avila to act as the Debtors' CRO, and Paladin and the Additional Staff to support Mr. Avila during the pendency of these chapter 11 cases upon the terms and conditions contained in the Engagement Letter effective as of the Petition Date, and (iii) granting such other and further relief as may be just and proper.

1. The Motion is granted as set forth herein.

2. Pursuant to sections 105(a) and 363(b) of the Bankruptcy Code, the Debtors are authorized to (i) retain and employ Paladin and (ii) designate T. Scott Avila as Chief Restructuring Officer, in each case effective as of the Petition Date.

3. The terms of the Engagement Letter, including without limitation the compensation provisions and the indemnification provisions, as modified by the Motion and this Order, are reasonable terms and conditions of employment and are hereby approved.

4. The Debtors are hereby authorized to retain Paladin to provide the Debtors with a CRO, and certain Additional Staff to assist the CRO, and to designate T. Scott Avila as the Debtors' CRO, effective as of the Petition Date, on the terms and conditions set forth in the Motion and the Engagement Letter, as modified by this Order, subject to the following terms, which apply notwithstanding anything in the Engagement Letter or the Motion or any exhibits related thereto to the contrary:

No payments shall be made to Paladin until the objection period has passed, and in the event an objection is raised, no payment shall be made to Paladin on account of the portion of such staffing report objected to until such objection is resolved.

d) No principal, employee, or independent contractor of Paladin and its affiliates shall serve as a director of any of the above-captioned Debtors during the pendency of the above-captioned chapter 11 cases;

e) Success fees, transaction fees, or other back-end fees, if any, shall be approved by the Court at the conclusion of the cases on a reasonable standard basis and shall not be pre-approved by entry of this Order. ii. Paladin, the Debtors, and any and all of their successors and assigns, consent to the jurisdiction and venue of the Court as the exclusive forum for the resolution of Paladin's and the Debtors' claims, causes of actions, or lawsuits described above (unless the Court does not have or retain jurisdiction over such claims or controversies);

iii. Paladin and the Debtors, and any and all successors and assigns, consent to the jurisdiction and venue of the Court as the exclusive forum for the resolution of Paladin's and the Debtors' claims, causes of actions, or lawsuits described above (unless the Court does not have or retain jurisdiction over such claims or controversies);

iv. Paladin and the Debtors, and any and all successors and assigns, waive trial by jury, such waiver being informed and freely made; and

v. Paladin and the Debtors will not raise or assert any defense based upon jurisdiction, venue, abstention, or otherwise to the jurisdiction and venue of this Court to hear or determine any controversy or claims with respect to, in connection with, arising out of, or in any way related to the Motion or the services provided thereunder.

5. The limitation of liability set forth in paragraph 10 of the General Terms and Conditions of the Engagement Letter shall not apply.

6. Notice of the Motion as provided therein is deemed to be good and sufficient notice of such Motion, and the requirements of the Local Rules are satisfied by the contents of the Motion.

7. Notwithstanding the possible applicability of Bankruptcy Rules 6004, 7062, or 9014, or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

8. Paladin shall use its reasonable efforts to avoid unnecessary duplication of services provided by any other professionals retained by the Debtors.

9. To the extent that Paladin uses the services of independent contractors or subcontractors (collectively, the "Contractors") in these cases, Paladin shall pass through the cost of such Contractors to the Debtors at the same rate that Paladin pays the Contractors; seek reimbursement for actual costs only; ensure that the Contractors are subject to the same conflicts checks as required for Paladin; and file with this Court disclosures pertaining to such use.

10. In the event that during the pendency of these chapter 11 cases, Paladin seeks reimbursement for any attorneys' fees and/or expenses pursuant to the Engagement Letter, the invoices and supporting time records from such attorneys shall be included in Paladin's monthly reports and such invoices and time records shall be in compliance with the Local Rules, and shall be subject to approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code, without regard to whether such attorney has been retained pursuant to section 327 of the Bankruptcy Code and without regard to whether such attorney's services satisfy section 330(a)(3)(C) of the Bankruptcy Code; provided, however, that Paladin shall not seek compensation or reimbursement from the Debtors' estates for any fees or expenses (including attorneys' fees or expenses) in defending against any objections to Paladin's fee applications in these chapter 11 cases.

11. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order.

12. To the extent that there may be any inconsistency between the terms of the Motion, the Engagement Letter, and this Order, the terms of this Order shall govern.

13. The Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and/or enforcement of this Order.

8. Bankruptcy Proceedings

In the event the Company resolves to file for bankruptcy under Chapter 11 of the Bankruptcy Code or has reason to believe an involuntary petition is likely to be filed, the following provisions shall apply:

(a) Approval of Engagement. If the Company enters a bankruptcy proceeding, the Company will promptly seek the Bankruptcy Court's approval of Paladin's engagement under this Agreement. The application, proposed order and other supporting documents submitted to the Bankruptcy Court seeking such approval must be satisfactory to Paladin in all respects. To induce Paladin to enter into this Agreement and provide the services set forth above, effective as of execution of this Agreement, the Company, on behalf of itself and each of its respective subsidiaries, parents, and affiliates and each of its or their respective shareholders, investors, officers, directors, members, or employees, hereby releases, waives, and disclaims any and all claims or rights with respect to or against any of the Indemnified Parties (as defined below), whether known or unknown, choate or inchoate, liquidated or unliquidated, contingent or noncontingent, that either arise under or with respect to or relate in any way to the Company (as of the date hereof).

The Company hereby expressly waives any and all rights and benefits conferred by the provisions of Section 1542 of the California Civil Code (and all similar laws in any other jurisdiction) and expressly consents that this Agreement shall be given full force and effect according to each and all of its express terms and provisions, including as well, those related to unknown and/or unsuspected claims, if any. Section 1542 provides as follows:

"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

10. Insurance, Indemnification & Limitation of Liability

As an inducement to Paladin to agree to the Engagement and as further consideration for the Services, the Company agrees to indemnify, insure defend and limit Paladin's liability as provided below.

(a) Indemnification. The Company agrees to indemnify, defend and hold harmless Paladin, Paladin Personnel, and their respective affiliates, former and present members, managers, insurers, directors, officers, employees, agents, independent contractors and controlling persons (each an "Indemnified Party" and collectively, the "Indemnified Parties") to the fullest extent permitted by law against any and all actual or threatened liabilities, losses, judgments, proceedings, litigations, or expenses (including legal fees and other costs reasonably incurred, including expert witness and investigator fees) (collectively, "Indemnified Claims"), arising out of or relating to (i) the Services performed under this Agreement, (ii) Paladin's involvement with the Company or its operations, or (iii) the Company's restructuring efforts generally; provided that indemnity under (i) in the preceding sentence shall not apply to any loss, claim, damage, liability or expense to the extent it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted primarily and directly from such Indemnified Party's gross negligence or willful misconduct, or breach of the confidentiality obligations contained in this Agreement.

Promptly after receipt by an Indemnified Party of notice of its involvement in any threatened or actual action, matter, proceeding or investigation to which this Section might apply, the Indemnified Party shall, if a claim for indemnification in respect thereof is to be made hereunder, notify the Company of such involvement. Failure by an Indemnified Party hereunder to so notify the Company shall not relieve the Company from its obligations under this Section, except to the extent that the Company suffers actual prejudice as a result of such failure. The Indemnified Party shall have the option to control the defense of any Indemnified Claim, subject to reasonable consultation with the Company; in the event that the Indemnified Party so elects, the Company shall promptly advance or commence payment of any and all fees, expenses, and amounts incurred or to be incurred by the Indemnified Party in connection with the Indemnified Claim, in such frequency and amounts so as to ensure that the Indemnified Party does not pay any such amounts directly. In the event that the Indemnified Party elects for the Company to assume the defense of any Indemnified Claim:

i. the counsel selected by the Company for such defense shall be reasonably satisfactory to the Indemnified Party;

ii. the Indemnified Party shall have the right to participate in such action or proceeding and to retain its own counsel, but the Company shall not be liable for any legal expenses of other counsel subsequently incurred by the Indemnified Party in connection with the defense thereof unless (a) the Company has agreed to pay such fees and expenses, or (b) the Company shall have failed to employ counsel reasonably satisfactory to the Indemnified Party in a timely manner; and

iii. The Company shall not consent to the terms of any compromise or settlement of any Indemnified Claim without the prior written consent of the Indemnified Party, which shall not be unreasonably withheld or delayed.

In the event that the parties dispute whether a claim, proceeding, or litigation constitutes an Indemnified Claim, the Company shall treat such claim, proceeding or litigation as an Indemnified Claim and honor its defense obligations with respect thereto until and unless a court of competent jurisdiction determines in a final, non-appealable order or judgment that the claim, proceeding, or litigation does not qualify for defense under this Section; in that event, the Indemnified Party shall be required to repay any out-of-pocket expenses or amounts previously paid by the Company as part of its defense obligations under this Section.

(b) Limitation of Liability. No Indemnified Party shall be liable (directly or indirectly, in contract or tort or otherwise) to the Company (including its successors and creditors) for any claim arising out of or relating to this Agreement, including any acts or omissions committed by Paladin Personnel in the performance of the Services. Notwithstanding the above, an Indemnified Party may be liable for such losses, claims, damages, liabilities or expenses if they are found by a court of competent jurisdiction in a final judgment not subject to further appeal to have resulted primarily and directly from such Indemnified Party's gross negligence or willful misconduct or breach of Paladin's obligations under this Agreement; provided that: (i) no Indemnified Party will have any liability for special, consequential, incidental or exemplary damages or loss (including lost profits, savings or business opportunity); and (ii) the Indemnified Parties' aggregate liability is limited to and shall not exceed the total fees paid to Paladin by the Company for Services under this Agreement.

(c) The indemnification and limited liability provisions contained in this Agreement, including those contained in Section, shall survive and remain in full force and effect upon the termination of this Agreement and the filing of a petition under Chapter 7 or 11 of the United States Bankruptcy Code (or the conversion of an existing case to one under a different chapter).

(d) The rights provided herein are in addition to and shall not be deemed exclusive of any other rights to which the Indemnified Parties may be entitled under this Agreement, applicable law or otherwise. The Parties agree that failure by the Company to honor its obligations under this Section will result in irreparable harm and injury to the affected Indemnified Party that monetary damages will not be sufficient to address. As such, the Company agrees that, in addition to any and all remedies provided hereunder, breach of this Section shall entitle the Indemnified Parties to injunctive and other equitable relief deemed appropriate by a court of competent jurisdiction, without the need for entry of a bond or other security.

11. Conflicts

Paladin is not currently aware of any relationships with other clients that create actual or potential conflicts of interest with the Company. However, because Paladin serves clients on an international basis, it is possible that Paladin has rendered services to entities or individuals who are in competition with the Company or whose interests potentially conflict with the Company's interests, including creditors of the Company. Nothing in this Agreement prevents Paladin from providing services to such other entities or individuals now or in the future, provided Paladin makes appropriate arrangements to ensure that the confidentiality of the Company's information is maintained. Further, Paladin will not represent the interests of any entities or individuals whose interests are known by Paladin to directly conflict with the Company's interests in connection with any matter in which Paladin is currently providing services to the Company.

12. Confidential Information

Paladin acknowledges and agrees that Paladin Personnel will have access to certain Confidential Information belonging to the Company the disclosure or the use of which in a manner that does not serve the

(d) Compelled Disclosure of Confidential Information. In the event that Paladin becomes legally compelled to disclose any Confidential Information, to the extent practicable and permitted by applicable law, Paladin shall provide the Company with prompt notice thereof prior to any disclosure of Confidential Information so that the Company may contest such requirement or seek a protective order or other appropriate remedy. Paladin shall use its reasonable best efforts to assist Company in such efforts. In the event that disclosure is required, Paladin will furnish only that portion of the Confidential Information which is legally required.

(e) Warranty Regarding Authority to Disclose Confidential Information, Indemnification. (f) Survival. The rights and obligations of the Parties under this Section 12 shall survive the termination of this Agreement and remain binding for a period of one (1) year from the termination date.

(g) Injunctive Relief. Paladin acknowledges and agrees a violation of this Agreement could cause irreparable injury to the Company and as there is no adequate remedy at law for such violation, the Company may, in addition to any other remedies available to it at law or in equity, enjoin Paladin in a court of equity for violating or threatening to violate this Agreement.

(h) Ownership of Confidential Information. All Confidential Information disclosed to Paladin by the Company shall remain the property of the Company.

(i) Return or Destruction of Confidential Information. Engagement Tools includes all methodologies, processes, techniques, ideas, concepts, know-how, procedures, software, templates, models and other intellectual property created, acquired or developed by Paladin Personnel independently of or in connection with this Engagement that are employed by Paladin Personnel in the development and creation of the Work Product.

(c) Ownership and License. The Engagement Tools are the sole and exclusive property of Paladin. The Company shall not acquire any interest in the Engagement Tools except that Paladin grants the Company a royalty free, worldwide, perpetual, non-transferable license to use the Engagement Tools to the extent they are contained in the Work Product. The Work Product, excluding the Engagement Tools contained therein, is work made for hire and shall constitute the sole and exclusive property of the Company.

(d) No Third-Party Beneficiaries. The Work Product is intended solely for the use and benefit of the Company and this Agreement shall not be interpreted as conferring any rights on any other individual as a third-party beneficiary or otherwise.

(e) Time and Data Sensitive Material. The Company acknowledges that the appropriateness, accuracy and reliability of the Work Product is specific to factors existing at the time the Work Product is developed and that any changes in those factors including those resulting from the passage of time, and any modifications to the Work Product can materially affect the appropriateness, accuracy and reliability of the Work Product.

(f) Non-Disclosure. The Company covenants and agrees not to disclose Work Product to any persons other than the Company's lenders, equity holders, board members, managers, officers, employees, advisors, agents, and other representatives, unless:

i. Paladin consents to the disclosure, which consent shall not unreasonably be withheld, delayed or conditioned;

ii. The Work Product contains no material modifications that have not been approved by Paladin; and

iii. The disclosure includes a disclaimer approved by Paladin.

(g) Non-Responsibility; Indemnification. Neither Paladin nor any Indemnified Party (as defined in the Section entitled "Insurance, Indemnification & Limitation of Liability") shall be liable for, and the Company shall indemnify, defend, and hold the Indemnified Parties harmless against, any claims, damages or expense,

including attorney fees, arising out of the disclosure of Work Product by the Company or any of its representatives that is not authorized pursuant to subparagraph (f).

14. Alternative Dispute Resolution Procedure

Any controversy or claim arising out of or relating to this Agreement, or any breach thereof, shall be settled by arbitration seated in New York, New York. The physical location of the arbitration hearings shall be held in New York, New York, unless the Parties agree otherwise. All proceedings, filings, and statements made in such arbitration shall be confidential. The arbitration shall be administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and, with respect to discovery and the taking of evidence, the International Bar Association's Rules on the Taking of Evidence in International Arbitration (the "IBC Rules"). Notwithstanding the IBC Rules, however, the Parties shall be entitled to up to twenty-five (25) written requests for admission ("RFA's") and up to two (2) depositions, each without leave of the arbitral tribunal. The deponent's attendance may be compelled by either request to the arbitral tribunal or order from a court of competent jurisdiction. Failure by either Party to timely respond to RFA's shall be deemed an admission to such RFA's. Failure by either Party to participate in the arbitration (including failure to attend a properly scheduled deposition, conference, or hearing) shall be deemed default and consent to the immediate entry by the arbitral tribunal of an award in favor of the other Party in an amount equal to the maximum damages reasonably requested by such Party (giving all possible deference to the Parties' limited ability to prove damages in the absence of the other Party's participation). The arbitral tribunal shall immediately enter such award upon request by the participating Party. Any award granted to a Party pursuant to an arbitration in accordance with this Agreement shall be enforceable in foreign jurisdictions in the manner contemplated by the Convention on the Recognition and Enforcement of Foreign Arbitral Awards (the "New York Convention"). Notwithstanding the foregoing, any Party may seek and obtain injunctive and other equitable relief from a court of competent jurisdiction to enforce the provisions of this Agreement without first seeking or obtaining any decision of the arbitral tribunal, with respect to the subject matter of this Agreement.

15. Non-Solicitation[2]

For a period of six (6) months after the later of: (i) the completion of all services to be provided by Paladin under this Agreement; or (ii) termination of this Agreement, the Company, including any affiliates thereof, shall not solicit (other than through Paladin) the services of any current or former employee or independent contractor of Paladin who provided services under this Agreement at any time.

16. No Partnership, Joint Venture, or Agency Relationship; Independent Judgment

Nothing in this Agreement shall be construed as creating a partnership, joint venture or agency relationship between Paladin or Paladin Personnel, and the Company. Other than the CRO, Paladin shall have no authority to act for or on behalf of the Company. Further, the Company acknowledges and agrees that the Company's Board and executive officers are sophisticated individuals who have the knowledge and experience required to make decisions independently of the advice provided by Paladin. The Company covenants and agrees that it will exercise independent judgment in making decisions relating to any restructuring plan, business strategy or other transaction proposed by Paladin.

17. Company's Joint and Several Liability; Right of Setoff

If the Company consists of one or more entities, then the Company's obligations under this Agreement shall be joint and several obligations of each entity comprising the "Company." Each such entity shall execute this Agreement.[3] Without limiting any other remedy that may be available to Paladin under this Agreement or applicable law, where the "Company" under this Agreement consists of more than one entity, then Paladin shall have against each such entity a right of setoff (notwithstanding any lack of mutuality) under which Paladin may set off against any claim against Paladin by any entity comprising the Company group, all of the claims that Paladin may have against any or all of the other entities that comprise the Company.

[2] NTD: Company to confirm.

[3] NTD: Unless we're adding a bunch of subs and this becomes impractical.

18. Attorneys' Fees and Expenses

In the event of any dispute arising from or relating to these terms or the Agreement, Paladin shall be entitled to reimbursement of any and all reasonable costs, damages, and expenses, including attorneys' fees, expended or incurred in connection with such dispute (whether or not Paladin is the substantially prevailing party).

19. Consent; Entire Agreement

In any instance under this Agreement where a party's consent is permitted or required to be given, such consent shall not be withheld unreasonably. This Agreement contains the entire Agreement of the parties with respect to its subject matter and supersedes all prior agreements and understandings between the Company and Paladin with respect to such subject matter. Any modification of or supplement to this Agreement shall be effective only if such modification or supplement is in writing and signed by all parties.

20. Multiple Originals

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. This Agreement may be executed by facsimile signatures or signatures forwarded via email.

21. Governing Law; Venue

This Agreement shall be governed by and construed and interpreted in accordance with the laws of New York (without regard to conflict of laws principles). Venue for all purposes shall be New York County, New York.

IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE

In re:	Chapter 11
FLUID MARKET, Inc., *et al.*,[6]	Case No. 24-12363 (CTG)
Debtors.	(Jointly Administered)

DECLARATION OF T. SCOTT AVILA IN SUPPORT OF DEBTORS' MOTION TO RETAIN AND EMPLOY PALADIN MANAGEMENT GROUP, LLC TO PROVIDE A CHIEF RESTRUCTURING OFFICER AND ADDITIONAL PERSONNEL AS OF THE PETITION DATE

I, T. Scott Avila, declare under penalty of perjury as follows:

1. I am founding partner of Paladin Management Group, LLC ("Paladin").

2. I am duly authorized to submit this declaration (the "Declaration") on behalf of Paladin in support of the above-captioned debtors' (the "Debtors") *Motion to Retain Paladin Management Group, LLC to Provide a Chief Restructuring Officer and Additional Personnel as of the Petition Date* (the "Motion").[7] Certain of the information set forth herein is derived from my review of the Debtors' books and records. Except as otherwise noted, I have personal knowledge of the matters set forth herein.

Paladin's Qualifications

3. Paladin is well-qualified to represent the Debtors in connection with the types of services requested herein. Paladin is a middle-market advisory firm that specializes in corporate restructuring, transaction advisory, operations performance improvement, strategic

[6] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are Fluid Market Inc. (1365) and Fluid Fleet Services, LLC (5994). The location of the Debtors' service address is: 3827 Lafayette St., Suite #149, Denver, CO 80205.

[7] Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Motion.

communications and strategic advisory services both in-and-out of court proceedings. Paladin has a wealth of experience in providing chief restructuring and financial advisory services and enjoys an excellent reputation for services it has rendered in complex chapter 11 cases on behalf of debtors and creditors.

4. Paladin's restructuring professionals have been actively involved in large chapter 11 cases, including, among others: *In re AmeriFirst Financial, Inc.*, Case No. 23-11240 (TMH); *In re Lear Capital, Inc.*, Case No. 22-10165 (Bankr. D. Del.); *In re CalPlant I Holdco*, Case No. 21-11302 (Bankr. D. Del.); *In re Easterday Ranches, Inc.*, Case No. 21-00141 (Bankr. E.D. Wash.); *In re MD America Holdings, Inc.*, Case No. 20-34966 (Bankr. S.D. Tex.); *In re TZEW Holdco LLC*, Case No. 20-10910 (Bankr. D. Del.); *In re Chesapeake Energy Corp.*, Case No. 20-33233 (Bankr. S.D. Tex.); *In re Sugarfina, Inc.*, Case No. 19-11973 (Bankr. D. Del.); and *In re Miami Metals I, Inc.*, Case No. 18-13359 (Bankr. S.D.N.Y.); *In re SS Body Armor I, Inc.*, Case No. 10-11255 (Bankr. D. Del.).

5. Since its engagement prepetition, Paladin has worked closely with the Debtors' board, management, and their other advisors and counsel. Accordingly, Paladin has the experience, expertise, and specifically relevant knowledge regarding the Debtors that will assist it in providing effective and efficient services in these chapter 11 cases.

6. The Debtors also propose to designate me as their CRO in these chapter 11 cases, effective as of the Petition Date. I have more than twenty-five years of experience supporting company management teams and stakeholders across multiple industries. I have led over 150 large-scale engagements and has frequently assumed interim executive roles.

7. I am the founding partner of Paladin. Prior to founding Paladin, I led restructuring teams at Deloitte and CRG Partners Group prior to its sale to Deloitte.

8. I believe that Paladin is able to advise the Debtors in a cost-effective, efficient, and timely manner.

Services to Be Rendered

9. Paladin intends to provide the Debtors with a CRO and Additional Staff as necessary on the terms and conditions set forth in the Engagement Letter and any order granting the relief requested in the Motion. Paladin will provide CRO services to the Debtors as directed by the Debtors' Board of Directors (the "Board") and will report to the Board. Generally, I will perform activities and services customarily performed by a chief restructuring officer, including:

- Provide general oversight of the Debtors and their employees, including, without limitation, control over, and management of treasury and cash management function;
- Identifying and implementing various strategic restructuring strategies and assessing the business and financial impact of those strategies;
- Developing and implementing cash management and cash flow forecasting processes;
- Assist the Company's employees and personnel with the preparation of financial forecasts and reports that may be required by the Company's Board, Restructuring Committee, lenders and stakeholders;
- Participate in negotiations with the Company's lenders, significant vendors, and other stakeholders;
- Providing strategic communication services, which will include but not be limited to, assessment and development of a strategic communications plan; and
- Provide such further advice and support that are conducive to the above or as the parties otherwise agree.

10. I believe these services are necessary to enable the Debtors to maximize the value of their estates and successfully complete their chapter 11 cases.

Terms of Retention

1. Paladin's decision to accept this engagement is conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment, compensated for

its services, and reimbursed for out-of-pocket expenses it incurs in accordance with its customary billing practices (the "Fee and Expense Structure").

2. The Debtors propose to compensate Paladin on an hourly basis, plus reimbursement of actual, necessary expenses and other charges. The current standard hourly rates of Paladin's professionals range from $450 to $925. My rate as CRO will be $850 per hour.

3. The hourly rates set forth above are set at a level designed to fairly compensate Paladin, to cover fixed and routine overhead expenses, and are subject to periodic adjustments as set forth in the Engagement Letter.

4. Beyond the rates listed above, the Debtors shall reimburse Paladin for its reasonable out-of-pocket documented expenses incurred in connection with this assignment, such as travel, meals and lodging, delivery services.

5. The Fee and Expense Structure is consistent with and typical of compensation arrangements entered into by Paladin and other comparable firms that render similar services under similar circumstances. I believe that the Fee and Expense Structure is reasonable, market-based, and designed to compensate Paladin fairly for its work and to cover fixed and routine overhead expenses.

Indemnification

6. As a material part of the consideration for which Paladin has agreed to provide the services described herein, and pursuant to the Engagement Letter, including the indemnification provisions attached thereto and incorporated by reference therein (the "Indemnification Provisions"), the Debtors have agreed to indemnify and hold harmless Paladin, Paladin personnel

(including their affiliates and its and their partners, director, officers, employees, and agents), (collectively, the "Indemnified Parties") under certain circumstances.[8]

7. Notwithstanding the foregoing, the Proposed Order modifies the Indemnification Provisions so that the Debtors are only permitted to indemnify those persons serving as executive officers on the same terms as provided to the Debtors' other officers and directors under the Debtors' bylaws and applicable state law, in addition to insurance coverage under the Debtors' director and officer insurance policies. The Proposed Order further provides that there shall be no other indemnification of Paladin and its affiliates or subsidiaries. The Debtors and Paladin believe that the Indemnification Provisions, as modified by the Proposed Order, are customary and reasonable for firms providing interim management services.

Fees and Reporting

1. Upon Court approval of the relief requested herein, Paladin will be retained to provide the Debtors with the CRO and Additional Staff as necessary, pursuant to section 363 of the Bankruptcy Code. Because Paladin is not being employed as a professional under section 327 of the Bankruptcy Code, Paladin will not be required to submit fee applications pursuant to sections 330 and 331 of the Bankruptcy Code.

2. Instead, Paladin shall file with the Court with copies to the United States Trustee ("U.S. Trustee") a report of staffing on the engagement for the previous month. Such report shall include the names and functions filled of the individuals assigned. All staffing shall be subject to review by the Court in the event an objection is filed. Paladin shall file with the Court, and provide notice to the U.S. Trustee, reports of compensation earned and expenses incurred on a monthly

[8] In summary, the Debtors agreed to indemnify Paladin from liability incurred by Paladin in connection with Paladin's engagement pursuant to the Engagement Letter.

basis. Such reports shall contain summary charts which describe the services provided, identify the compensation earned by each executive officer and staff employee provided, and itemize the expenses incurred. Time records shall (i) be appended to the reports, (ii) contain detailed time entries describing the task(s) performed, and (iii) be organized by project category. The time entries shall identify the time spent completing each task in quarter-hour increments and the corresponding charge (time multiplied by hourly rate) for each task. Parties in interest shall have 14 days after the date each report is served to object to such report. In the event an objection is raised and not consensually resolved, the portion of the staffing report objected to shall be subject to review by the Court. No payments shall be made to Paladin until the objection period has passed, and in the event an objection is raised, no payment shall be made to Paladin on account of the portion of such staffing report objected to until such objection is resolved.

3. Subject to interested parties' rights to object as set forth above, the Debtors seek authority to pay, in the ordinary course of business, all amounts invoiced by Paladin for fees and expenses incurred in connection with Paladin's retention. Neither the Debtors nor Paladin are seeking pre-approval of any success fees, transaction fees, or other back-end fees in connection with Paladin's retention; however, they reserve the right to seek approval of payments of that nature by the Court at the conclusion of the cases on a reasonable standard basis.

4. In the 90 days prior to the Petition Date, the Debtors paid Paladin $1,961,902.73 for professional services performed and expenses incurred. Paladin holds in retainer $75,000 (the "Retainer"). As of the Petition Date, no amounts remained outstanding with respect to the invoice(s) issued by Paladin. The Retainer will be held until the end of these cases and applied to Paladin's final approved fees and expenses. Upon the termination of Paladin's engagement, Paladin will return any unused portion of the Retainer to the Debtors.

5. I believe that the fee arrangements set forth in the Motion and in the Engagement Letter are reasonable.

No Duplication of Services

6. I believe that Paladin's services will complement, and not duplicate, the services rendered by other professionals retained in these chapter 11 cases.

Paladin's Disinterestedness

7. In the ordinary course of its business, Paladin maintains a database for purposes of performing "conflicts checks." The database contains information regarding its present and past representations and transactions.

8. In the process of preparing for these chapter 11 cases, I obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties in interest in herein (the "Potential Parties in Interest"). A list of the Potential Parties in Interest is attached hereto as **Exhibit A**.

9. Based on my review, Paladin represents that, to the best of its knowledge, Paladin knows no fact or situation that would represent a conflict of interest for Paladin with regard to the Debtors.

10. Paladin has no current or past relationships with any Potential Parties in Interest. However, it is possible that Paladin personnel have worked with Potential Parties in Interest. It is also possible that certain of Paladin's employees, partners, equity holders, or an affiliate of any of the foregoing may have financial accounts or insurance relationships with Potential Parties in Interest.

11. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, and except as set forth herein, neither I nor any Paladin

personnel: (a) have any connection with the Debtors, their creditors, other parties in interest, or the attorneys or accountants of any of the foregoing, the U.S. Trustee, or any person employed in the office of the U.S. Trustee, the U.S. Bankruptcy Court for the District of Delaware, or any person employed in the Bankruptcy Court; and (b) does not hold any interest adverse to the Debtors' estates.

12. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, except as set forth herein, Paladin is not currently engaged to assist any entity or person other than the Debtors on matters relating to, or in direct connection with, these chapter 11 cases. Paladin will continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or other parties in interest in these chapter 11 cases, including the Debtors' non-Debtor affiliates, provided that such services do not relate to, or have any direct connection with, the chapter 11 cases of the Debtors.

13. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, neither I nor Paladin have entered into any agreements, express or implied, with any other party in interest, including any Debtor, any creditor, or any attorney for such party in interest in these chapter 11 cases (a) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) for payment of such compensation from the assets of the estate in excess of the compensation allowed by the Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) for payment of compensation in connection with these chapter 11 cases other than in accordance with the applicable provisions of the Bankruptcy Code.

14. If Paladin discovers any additional information that requires disclosure, Paladin will provide the Court with a supplemental declaration disclosing, among other things, any new

material facts and relationships between the Debtors, the Additional Staff, or other significant parties in interest. Paladin reserves the right to supplement this Declaration in the event Paladin discovers any facts bearing on matters described in this Declaration regarding Paladin's employment by the Debtors.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
