**DEBTORS' MOTION FOR ENTRY OF AN ORDER
(I) DIRECTING JOINT ADMINISTRATION OF CHAPTER 11 CASES
AND (II) GRANTING RELATED RELIEF**

The above-captioned debtors and debtors in possession (collectively, the “Debtors”), by and through their proposed counsel, file this motion (this “Motion”) for entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Proposed Order”), directing joint administration of their chapter 11 cases for procedural purposes only and granting related relief. In support of this Motion, attached hereto as **Exhibit B** is the *Verification* of Nicholas Rubin, the

Debtors' Chief Restructuring Officer. In further support of the Motion, the Debtors respectfully state as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction to consider this Motion pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012.

2. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). The Debtors confirm their consent, pursuant to Rule 9013-1(f) of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the "Local Rules"), to the entry of a final order by the Court in connection with this Motion to the extent it is later determined that the Court, absent consent of the parties, cannot enter a final order or judgment in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The predicates for the relief requested herein are section 105(a) of title 11 of the United States Code (the "Bankruptcy Code"), Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Local Rules 1015-1 and 9013-1(m).

BACKGROUND

5. On October 26 and 27, 2026 (collectively, the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code commencing the above-captioned chapter 11 cases (collectively, the "Chapter 11 Cases"). The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request has been made for the appointment of a committee, trustee or examiner in the Chapter 11 Cases.

6. The Debtors comprise thirty¹ related entities and are collectively a group of sport-lifestyle businesses positioned at the intersection of performance, culture, and style. The Debtors' business model brings together fitness-related products, boutique fitness studios, competitions and events, and digital platforms.

7. Debtor FitLab Fund Founders LLC owns 100% of the interests in Debtor FitLab Fund Management LLC ("Fund Management"). Fund Management owns 80% of the interests in Debtor FitLab, Inc., and Debtor FitLab, LLC owns the other 20% of the interests in Debtor FitLab, Inc. Debtor FitLab, Inc. is the direct or indirect owner of the remaining Debtors, except for Debtor FitLab Fund I, L.P., which was a limited partnership created in connection with a funding round. As such, each of the Debtors is an "affiliate" as that term is defined in section 101(2) of the Bankruptcy Code.

8. The Debtors anticipate that numerous motions, applications, notices, and other papers will routinely concern more than one of the Debtors. Maintaining separate administrative dockets for these common matters would result in duplicative filings, service, and expense to the Debtors' estates.

RELIEF REQUESTED

9. By the Motion, the Debtors request entry of the Proposed Order directing joint administration of the Chapter 11 Cases for procedural purposes only under the lead case of FitLab, Inc., Case No. 26-11681 (KBO). The Debtors request maintenance of a single administrative docket for pleadings, notices, and orders affecting the jointly administered cases, subject to the

separate filings and records expressly preserved in the Proposed Order or otherwise required by applicable law or further order of this Court.

10. The Debtors request authorization to use the following consolidated caption on pleadings and other papers filed in the jointly administered cases:

(NA); (28) FL Merch LLC (NA); (29) FitLab, LLC (0535); (30) FitLab Fund General Partner, LLC (0392). The Debtors' mailing address is c/o Force 10 Partners, 5271 California Avenue, Suite 270, Irvine, CA 92617.

11. The Debtors further request that the approved consolidated caption and accompanying Debtor-identification information satisfy the requirements of the first sentence of section 342(c)(1) of the Bankruptcy Code, without altering any other applicable notice requirement.

12. The Debtors request that the Clerk enter a notation on the docket of each Chapter 11 Case other than the lead case, substantially as follows:

An order has been entered in this case providing for the joint administration of this case with the chapter 11 case of FitLab, Inc., Case No. 26-11681 (KBO), for procedural purposes only, in accordance with the terms of that order. The docket in Case No. 26-11681 (KBO) should be consulted for all matters affecting this case, subject to the exceptions set forth in the joint administration order or any further order of the Court.

13. The Debtors also request that any proof of claim clearly identify the particular Debtor against which the claim is asserted and be filed in that Debtor's case or as otherwise directed by this Court or the Court-approved claims procedures. Joint administration will not authorize a creditor to assert a claim against all Debtors collectively solely by reason of joint administration.

14. The requested relief is administrative only. The Debtors do not seek substantive consolidation, pooling of assets or liabilities, elimination of intercompany claims, or imposition of joint and several liability for any obligation or administrative expense. Each Debtor's estate and the substantive rights of all parties in interest will remain separate and unaffected.

BASIS FOR RELIEF

15. Although the Bankruptcy Code specifically provides for joint administration of limited types of cases (*see* 11 U.S.C. § 302(a) (permitting the filing of joint petitions by spouses)), there is no provision in the Bankruptcy Code governing joint administration of cases generally. Bankruptcy Rule 1015(b), however, makes clear that joint administration may be appropriate when two or more related debtor entities, whether spouses, partnerships, or corporations, have filed for protection under the Bankruptcy Code.

16. Bankruptcy Rule 1015(b) provides, in pertinent part, that “[i]f . . . two or more petitions are pending in the same court by or against . . . a debtor and an affiliate, the court may order a joint administration of the estates.” Fed. R. Bankr. P. 1015. The 30 Debtor entities are “affiliates” as that term is defined in section 101(2) of the Bankruptcy Code. Section 105(a) of the Bankruptcy Code empowers the Court to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code].” 11 U.S.C. § 105(a).

Accordingly, the Bankruptcy Code and Bankruptcy Rules authorize the Court to grant the relief requested herein.

17. Further, Local Rule 1015-1 provides additional authority for the Court to order joint administration of these chapter 11 cases:

An order of joint administration may be entered, without notice and an opportunity for hearing, upon the filing of a motion for joint administration pursuant to Fed. R. Bankr. P. 1015, supported by an affidavit, declaration or verification, which establishes that the joint administration of two or more cases pending in this Court under title 11 is warranted and will ease the administrative burden for the Court and the parties. An order of joint administration entered in accordance with this Local Rule may be reconsidered upon motion of any party in interest at any time. An order of joint administration under this Local Rule is for procedural purposes only and shall not cause a “substantive” consolidation of the respective debtors’ estates.

Del. Bankr. L.R. 1015-1.

18. Section 101(2) of the Bankruptcy Code defines “affiliate” to mean, among other things:

(A) entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor, other than an entity that holds such securities.

(B) corporation 20 percent or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by the debtor, or by an entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor, other than an entity that holds such securities.

19. As set forth in *Collier on Bankruptcy*, an order authorizing joint administration contemplates the following relief:

- (1) combining the estates by using a single docket for administrative matters, including a listing of claims filed, and the filing, lodging and docketing of pleadings and orders;
- (2) the combining of notices to creditors and parties-in-interest;
- (3) the scheduling of hearings;
- (4) financial reporting by the Debtors;
- (5) the joint and several liability of the estates for administrative expenses; and

(6) the joint handling of other administrative matters.

See *Collier on Bankruptcy*, Forms 8.92-1, 8.92-4, and 8.92-5, reprinted on *Collier on Bankruptcy* 16th Ed. Rev. (2022).

20. Joint administration is warranted in the Debtors' cases. The Debtors are "affiliates" of each other as that term is defined in section 101(2) of the Bankruptcy Code and as used in Bankruptcy Rule 1015(b). Based on the Debtors' relationships discussed herein, the Debtors are "related" and are "affiliate[s]" as those terms are used in the Bankruptcy Code. See 11 U.S.C. § 101(2).

21. There is substantial overlap with respect to the Debtors, including but not limited to ownership, similar creditors and vendors, and members, managers, directors, and Board members. In light of this overlap, the Debtors believe that joint administration will avoid otherwise unnecessary and expensive duplication of effort and papers caused by preparing and serving the same creditors with multiple sets of differently captioned but otherwise identical papers. The relief proposed herein will enable the Debtors to avoid the substantial cost of preparation, filing and serving duplicative motions in each proceeding, and the consequent burden on the estates and the Court.

22. By jointly administering the Debtors' estates, creditors will receive appropriate notice of matters involving each of the Debtors, thereby ensuring that creditors are fully informed of matters potentially affecting their claims. Joint administration will avoid the unnecessary expense and duplication associated with preparing, filing, and serving substantially identical papers in separate cases. A single administrative docket, coordinated notices, and coordinated scheduling of hearings will permit the Debtors, creditors, the Office of the United States Trustee, and other parties in interest to monitor and participate in common matters more efficiently.

23. The proposed procedures will also reduce the administrative burden on this Court and the Clerk by avoiding duplicative docketing and case administration for matters common to the Debtors. Where a matter affects only a particular Debtor, the relevant pleading or notice will identify that Debtor and its case number so that parties in interest can ascertain the scope of the requested relief.

24. Joint administration will not prejudice creditors or other parties in interest. The Proposed Order expressly preserves each Debtor's separate estate, the identity of the obligor on each claim, and all substantive rights, claims, and defenses. Separate claims records and Debtor-specific schedules, statements, and reporting obligations will be maintained as required by applicable law, the United States Trustee's requirements, or further order of this Court. Joint administration alone will not excuse any Debtor from its separate reporting or fee obligations.

25. Accordingly, the Debtors submit that joint administration is warranted and will promote efficient and economical administration of the Chapter 11 Cases without affecting the substantive rights of any party in interest.

NOTICE

26. The Debtors will provide notice of this Motion to (i) the Office of the United States Trustee for the District of Delaware, (ii) counsel to the Debtors' secured lenders, (iii) the creditors holding the 30 largest unsecured claims against the Debtors, and (iv) parties entitled to notice or requesting notice pursuant to Bankruptcy Rule 2002. The Debtors will serve this Motion and any order entered hereon as required by Local Rule 9013-1(m). In light of the administrative nature of the relief requested and Local Rule 1015-1, the Debtors submit that no further notice is necessary.

CONCLUSION

WHEREFORE, the Debtors respectfully request that this Court enter the Proposed Order, substantially in the form attached hereto as **Exhibit A**, directing joint administration of the Chapter 11 Cases for procedural purposes only and granting such other and further relief as this Court deems just and proper.

**ORDER (I) DIRECTING JOINT ADMINISTRATION OF
CHAPTER 11 CASES AND (II) GRANTING RELATED RELIEF**

Upon the motion (the “Motion”) of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of an order (this “Order”) directing joint administration of their chapter 11 cases (the “Chapter 11 Cases”) for procedural purposes only and granting related relief; and upon the *Verification* attached as **Exhibit B** to the Motion; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing*

Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012; and this Court having determined that this matter is a core proceeding and that it may enter a final order consistent with Article III of the United States Constitution; and venue being proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the Debtors are affiliates within the meaning of section 101(2) of the Bankruptcy Code; and this Court having determined that joint administration is warranted under Bankruptcy Rule 1015(b) and Local Rule 1015-1 and will ease the administrative burden on the Court and the parties; and notice being appropriate under the circumstances, with no further notice or hearing required under Local Rule 1015-1; and after due deliberation and sufficient cause appearing therefor;

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED as set forth herein.
2. The above-captioned Chapter 11 Cases shall be jointly administered for procedural purposes only under the chapter 11 case of FitLab, Inc., Case No. 26-11681 (KBO) (the “Lead Case”).
3. The Clerk shall maintain a single administrative docket in the Lead Case for pleadings, notices, and orders in the jointly administered Chapter 11 Cases, except for separate filings required by this Order, applicable law, or further order of this Court.

9. Each Debtor shall file its separate schedules of assets and liabilities and statements of financial affairs and comply with its separate reporting and fee obligations, as required by applicable law, the United States Trustee's requirements, or further order of this Court. Joint administration alone does not authorize consolidated financial reporting in lieu of otherwise required Debtor-specific reports.

10. This Order is for procedural purposes only and does not affect substantive consolidation of the Debtors or their estates. No assets or liabilities are pooled; no intercompany claim is eliminated; and no Debtor becomes jointly or severally liable for another Debtor's obligations or administrative expenses solely by reason of this Order. All substantive rights, claims, and defenses of the Debtors, creditors, and other parties in interest are preserved.
