DISTRICT OF MASSACHUSETTS

In re: VANTAGE TRAVEL SERVICE, INC., Debtor.	Chapter 11 Case No. 23-11060-JEB

Order Denying Request for Emergency Hearing

MATTER:
#162 United States Trustee's Emergency Motion to Appoint a Chapter 11 Trustee or to Convert the Debtor's Chapter 11 Case to Chapter 7
#164 Objection filed by Debtor Vantage Travel Service, Inc.

Having considered the Motion and the Objection, for the reasons set forth below, the request for an emergency hearing is denied. The Motion will be heard on **August 30, 2023, at 2:00 p.m.** The hearing will be held in person in Courtroom 3, John W. McCormack Post Office & Court House, 5 Post Office Square, 12th Floor, Boston, Massachusetts 02109. Any objections to the Motion must be filed by **August 25, 2023**. The Court will issue a separate notice of hearing.

The United States Trustee seeks an emergency hearing on the Motion because of the pending hearings on the sale motion and financing motion. Both the sale and financing motions have been pending since June 29, 2023, when the case was filed. On July 5, 2023, the Court entered an order scheduling the sale hearing. A final hearing on the financing motion was scheduled for July 25, 2023, and continued to August 9, 2023. In the Motion, the United States Trustee raises many of the same objections set forth in his earlier objections to the sale procedures motion and to interim financing. The United States Trustee fails to articulate a reason why the same issues now create an emergency.

Although the Court authorized sale procedures, as repeatedly stated by the Court, the Court did not approve any sale. All parties in interest including the United States Trustee may timely object to the sale, including for the reasons set forth in the Motion. At the hearing on August 9, 2023, the Court will consider not only any final bid, but whether the sale should be approved.

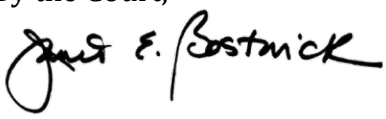

The Court also has not granted the final relief requested in the financing motion. The Court approved interim financing on certain terms, and preserved parties' right to object to the financing, except to the extent of certain protection for funds actually advanced. The United States Trustee's objection to the final order was reserved for consideration at the final hearing. As with the sale, at the hearing on August 9, 2023, the Court will consider whether

the financing should be approved on a final basis.

As reflected in the prior pleadings by the Debtor, the Debtor has an extensive number of creditors, including over 7,000 customers, whose names and addresses have been filed under seal. The Noticing Agent for the Debtor maintains a website that includes all pleadings in the case that may be viewed by creditors. In addition, numerous creditors have filed an appearance in the case. Given the foregoing, pursuant to Bankruptcy Rule 2002(m) the Court finds that limiting service of the notice of the hearing on the Motion is appropriate. Notice of the hearing shall be served on the parties who have filed appearances and the 20 largest unsecured creditors by the Bankruptcy Noticing Center.
